Can we meet in dreams? Victoria Socolova, 2016-10-16 Two states at all times most interesting for dreamers are lucid dreaming and prophetic dreams However no one ever considered them to be two equal types of dreams One state is of interest for scientists and pragmatists the other is for mystics philosophers and esotericists No one has ever thought them to exist on equal basis Oneironauts participating in our project already use both aspects for several decades When dreaming in a changed state of mind every person is able to be an active participant of a lucid dream or a passive one so called information dream usually referred to as prophetic

Histories of Dreams and Dreaming Giorgia Morgese, Giovanni Pietro Lombardo, Hendrika Vande Kemp, 2019-06-13 In the late nineteenth century dreams became the subject of scientific study for the first time after thousands of years of being considered a primarily spiritual phenomenon Before Freud and the rise of psychoanalytic interpretation as the dominant mode of studying dreams an international group of physicians physiologists and psychiatrists pioneered scientific models of dreaming Collecting data from interviews structured observation surveys and their own dream diaries these scholars produced a large body of early research on the sleeping brain in the late nineteenth and early twentieth centuries This book uncovers an array of case studies from this overlooked period of dream scholarship With contributors working across the disciplines of psychology history literature and cultural studies it highlights continuities and ruptures in the history of scientific inquiry into dreams
