Verplanck, 2015-07-28 Excerpt from The Sloops of the Hudson An Historical Sketch of the Packet and Market Sloops of the Last Century With a Record of Their Names Together With Personal Reminiscences of Certain of the Notable North River Sailing Masters No history of the sloops of the Hudson so far as I can learn has ever been written nor has any more than a bare reference here and there been made to them in the literature of the past sixty years Cooper and Irving make mention of these useful vessels and in a way that makes it quite evident that their importance in the daily life of the people struck the imagination of those writers in a lively manner But later writers have apparently ignored the sloop Perhaps it was because she was like those worthy persons who make no noise as they go through the world and whose quiet and useful lives are taken as a matter of course About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *The Sloops of the Hudson* William Edward Verplanck, 1984      **The Sloops of the Hudson.
