author He brought everybody down to earth even the angels Leonard Cohen songwriter Low life writer and unrepentant alcoholic Henry Chinaski was born to survive After decades of slacking off at low paying dead end jobs blowing his cash on booze and women and scrimping by in flea bitten apartments Chinaski sees his poetic star rising at last Now at fifty he is reveling in his sudden rock star life running three hundred hangovers a year and maintaining a sex life that would cripple Casanova With all of Charles Bukowski s trademark humor and gritty dark honesty Women the 1978 follow up to Post Office and Factotum is an uncompromising account of life on the edge **Mongoose** Anthony Haas, 2008-02 It was a conscious decision while reading Henry Miller's somewhat obscure book called The Time Of The Assassins and then getting into Rimbaud's Illuminations it was a decision to write from my unconscious and Hermitically as well It was a difficult time when I first started on these writings but I m glad I wrote it down because the past vanishes practically into the vast blue nowhere time is such a sneaky weasel Its been a heck of a ride Gradually though I become less introverted and the poems I think their content and form become more and more public almost a kind of journalism away from the freaky trapped scared and half nutshell crazed Also around the time I started writing these poems I was catching my first real and protracted study of philosophy in particular Nietzsche's The Birth of Tragedy And technically as well as the ideas astounded me really and it really felt great to be able to read and then write hoping to run parallel with philosophy and whatnot This then these precarious poems where walking the plank is for real is my attempt to climb out of my self the ole mind cage of lonesome fears the shadowland and enter in into the now of the implacable hub of no perspective but that of now If there is a message to these poems its probably just in the inherent fact that one exists lives delves under and to the very heart where mind and soul dance that eternity dance of one any how way and who Bukowski Neeli Cherkovski,2020-07-28 Meet the man behind the myth in the only full fledged biography of the American novelist poet and legend by a close friend and collaborator Neeli Cherkovski began a deep friendship with Bukowski in the 1960s while guzzling beer at wrestling matches or during quieter evenings discussing life and literature in Bukowski s East Hollywood apartment Over the decades those hundreds of conversations took shape as this biography now with a new preface This Thing Upon Me Is Not Death Reflections on the Centennial of Charles Bukowski Bukowski author of Ham on Rye Post Office and other bestselling novels short stories and poetry collections only ever wanted to be a writer Maybe that s why Bukowski s voice is so real and immediate that readers felt included in a conversation In his written work he s a hero a fall guy a comic character a womanizing lush a wise old dog biographer Neeli Cherkovski writes His readers do more than glimpse his many sidedness For some it s a deep experience They feel as if his writing opens places inside of themselves they might never have seen otherwise Often a reader comes away feeling heroic because the poet has shown them that their ordinary lives are imbued with drama Full of anecdotes wisdom humor and insight this is an essential companion to the work of a great American writer Long time Bukowski fans will come away with fresh insights while readers new to his work will find this an exhilarating introduction A treasure trove

for Bukowski fans Cherkovski s access to his subject allows him an intimacy otherwise impossible John Rechy Los Angeles **Dread in the Beast** Charlee Jacob, 2024-04-08 DREAD IN THE BEAST used to be a novella about the goddess of waste and the king of wasters Now it is a novel stuffed full of the gruesome and horrible Taken from the mythologies and histories of humankind it follows the trail of the Mother Spirit of the worst that the world is capable of producing From the catacombs of ancient Rome where a blasphemous sect twisted the message of the early Christians to modern America with its obsession with violence deities and saints and the reincarnations of beasts battle over sublime and profane where the very reasons for existence for us all may lie in the unthinkable Edward Lee author of CITY INFERNAL MONSTROSITY INCUBI and SUCCUBI says in his introduction to this new novel length version What's most unique of all here and jealously fascinating are the creative guts of the author If there's an ultimate dichotomy in the horror genre it's got to be Jacob armed with a talent to write the most beautiful prose yet using that talent to examine the most unspeakable and detestable horror It s one of my all time favorite novels in the field Beer Places Daina Chevenne Harvey, Ellis Jones, Nathaniel G. Chapman, 2023-04-03 Beer Places is both a road map for craft beer and an academic analysis of craft beer s ties to place Collected into sections that address authenticity and revitalization politics and economics and collectivity and collaboration this volume blends new research with a series of postcards informal conversations and first person dispatches from the field that transport readers to the spots where pints are shared and networks forged Charles Bukowski, King of the *Underground* A. Debritto, 2013-09-25 This critical study of the literary magazines underground newspapers and small press publications that had an impact on Charles Bukowski s early career draws on archives privately held unpublished Bukowski work and interviews to shed new light on the ways in which Bukowski became an icon in the alternative literary scene in the 1960s **ROAR** Bruce Wagner, 2022-11-15 A new novel by Hollywood's master of satire. The myth of an epic public life its triumphs and tragedies is a particularly American obsession ROAR is a metafictional exploration of such a life and attendant fame of an extraordinary and completely made up man Born in Nashville in 1940 and adopted by a wealthy San Francisco couple Roger Orr Roar became an underground stand up comedian with a cult following while still in his teens segueing to an acclaimed songwriter in the Sixties In the decades that followed his talent spanned the worlds of entertainment from film directing and books to fine art paintings sculpture His promethean energies expanded to the world of medicine he became a dermatologist the first to patent cadaver skin for burn victims A spiritual seeker who returned to India throughout his life Roar was also a voracious lover of both men and women The journey of Roger Orr was a premonition of the cultural earthquakes to come It wasn t until his 40s that Roar learned his birth mother was black and it wasn t until his early 60s when he began the hormonal treatment and surgeries that chipped away at the armor covering what he always knew was his true identity that of a woman Roar's saga is best told by a cacophony of voices family members critics historians and the famous Meryl Streep Amanda Gorman Dave Chappelle Andy Warhol including some heard from the grave In ROAR Wagner
