**The Chronicle of the Horse** ,2012      *The Sword of the Lady* S. M. Stirling, 2009-08-25 This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty five years Booklist Starred Review Rudi Mackenzie has journeyed long and far across the land that was once the United States of America seeking the shore where the sun rises hoping to find the source of the world altering event that has come to be known as the Change His quest ends in Nantucket an island overrun with forest inhabited by a mere two hundred people who claim to have been transported there from out of time Only one odd stone house remains standing Within it Rudi finds a beautifully made sword seemingly waiting for him And once he takes it up nothing for Rudi or for the world that he knows will ever be the same      **To Turn the Tide** S.M. Stirling, 2024-08-06 New time travel military adventure from New York Times best selling novelist S M Stirling IT S THE END OF THE WORLD AS WE KNOW IT Everyone could see it coming But one man could do something about it Oh he couldn t avert the nuclear holocaust but a scientist in Austria ruthlessly using billions of research dollars for his own purposes set himself up an out he created a time machine and filled a warehouse with low tech survival gear Too bad he didn t get to use it himself Instead a team of American grad students led by their professor is sent back to the late Roman Empire Even though they are experts in this time and place they are about to realize that books and actual experience are very different things If they can survive they hope to remake the world into a better place But that s a big if At the publisher s request this title is sold without DRM Digital Rights Management Praise for S M Stirling A powerful convincing adventure with a large cast of ordinary and extraordinary people Don t miss it Harry Turtledove A stunning speculative vision of a near future bereft of modern conveniences but filled with human hope and determination Highly

recommended Library Journal Post apocalypse novels often veer either too heavily into romantic Robinsonades or nihilistic dead ends But Stirling has struck the perfect balance between grit and glory Science Fiction Weekly Stirling shows that while our technology influences the means by which we live it is the myths we believe in that determine how we live The novel's dual themes myth and technology should appeal to both fantasy and hard SF readers as well as to techno thriller fans Publishers Weekly Fans of apocalyptic thrillers like Stephen King's *The Stand* will find *Dies the Fire* absolutely riveting a fantastic epic work Midwest Book Review This volume delivers an engaging and approachable new adventure along with one of the very best of the classic stories GrimDark Magazine Absolute fanboy's dream S M Stirling along with illustrator Robert De La Torre do a bang up job with *Blood of the Serpent* Cheers to Titan Books as well The only other thing this fanboy can ask for is More please Fantasy Literature **Chronicle of the Horse** ,1990 **The Domination** S. M. Stirling,1998-08-01 In this omnibus of *Marching Through Georgia Under the Yoke* and *The Stone Dogs* S M Stirling traces the rise of the Domination of the Draka and its long struggle with the United States and the American led Alliance for Democracy In this alternate history the Americans who rejection the Revolution did not scatter to the four winds and Canada a slight change in the course of events brought them to the new Crown Colony of Drakia instead starting with the Cape of Good Hope and soon encompassing the whole of the right subcontinent of Southern Africa Soon burning resentment and limitless ambition spurred the expansion of the people who called themselves the Draka There they built the Domination an empire of inconceivable wealth and savagery founded on conquest and slavery It grew until it spanned the African continent and then in the Great War of the early twentieth century to include much of Asia as well In the Eurasian War Germany and the Soviet Union exhausted each other and the Draka stepped in leaving the Domination triumphant from the English Channel to the China Sea Only the United States and its allies stood between the Draka and their dream of an enslaved humanity By the 1990s the Draka commanded the stuff of life itself mastering biotechnology until they could create new species at will and transform themselves into the Master Race of their savage dreams The Alliance for Democracy traveled another path into the mysteries of the physical universe and the technology based on such knowledge The final confrontation would settle which was more powerful or leave the earth a lifeless rock where nothing human remained but bones At the publisher's request this title is sold without DRM Digital Rights Management Aunt Judy's Magazine Mrs. Alfred Gatty,Horatia K.
