See your world with more appreciative eyes yet feel a nagging urge to return to the strange one just left behind. Find adventure, romance, suspense, mystery, history and humor. Here is a real eye opener and very educational. Oprah, your club needs this one. Excerpt: the happy Colonel family suddenly froze in horror for before their very eyes stood the apparition of a monster so evil looking that one could never have imagined it and it was walking towards them. Reader Comments/Reviews: If this book were required reading for our schools we would have far fewer discontented and disrespectful children. Linda Doucet LA: What a lovely painting of Haiti from the words of an islander; the author offers a colorful new picture of the people and especially their views of outsiders. This small book explores real wealth, freedom, gracious conduct and racial harmony. You'll wish you were one of them. Norma Richards LA: I was immersed in the stories as if I were a character present and watching the action unfold. Great masterpiece. The residents of the Spa, all rich managers and socialites who have come to the Spa for a taste of the rural life, object to his crowing so early in the morning and complain to the spa manager to do something about it. The manager contacts his consultant Gajjo, hired exclusively to deal with problems of the locals. What follows is a hilarious concatenation of events that can have only one ending. **Rooster's Gold** A.
