HIV Plus ,2000-08 HIV Plus offers the latest stories on research economics and treatment The magazine raises awareness of HIV related cultural and policy developments in the United States and throughout the world **A Small, Good Thing** Anne Hunsaker Hawkins,2000 Provides an inspirational life affirming collection of stories of children living with the challenges of HIV and AIDS and the family members foster families medical personnel and social service people who care for them **HIV Plus** ,2000-08 HIV Plus offers the latest stories on research economics and treatment The magazine raises awareness of HIV related cultural and policy developments in the United States and throughout the world *Attending Children* Margaret E. Mohrmann,2006 In a fast paced complicated and evermore dangerous world it is easy to become self absorbed and consumed with our own problems There is one place however where we put our self centered concerns aside and our deep common humanity is profoundly touched That place is where sick children dwell It is no less difficult and perhaps even more difficult in many ways for physicians who have chosen to attend to the health and well being of gravely ill or dying children Margaret Mohrmann has devoted most of her professional life to them and in *Attending Children* she shares the remarkable education those children and their families have given her Her narratives are both painful and hopeful tragic and funny full of remarkable characters and sometimes bizarre families Mohrmann has sifted through her thirty years as a pediatrician and with poignancy humor and uncompromising honesty she shares her sometimes stumbling but always deeply caring journey through a land where sometimes small hands have to be let go too soon She introduces us to not only the physical challenges she her colleagues and her patients encounter but the spiritual ones as well *Attending Children* is a unique experience as Mohrmann takes the reader on a doctor s rounds over many years to meet the faces and the struggles the heartaches and the joys of being a pediatrician In the case of Margaret Mohrmann and her patients no one could ask for better teachers Quicksand Anonymus,2009-11-24 A first person narrative of a woman whose family was touched by HIV AIDS explains the real ways through which HIV can be transmitted and the emotions can experience when a friend or family member has the virus *Foster Parent Handbook* Mary R. Rapshaw,2002-04-11 BECOME A FOSTER PARENT A mom dad house and dog do not make a home Everyday there are children who experience this sad fact when they are removed from their home due to neglect or abuse Not every foster child has a foster family In some regions foster children must wait for long periods of time in shelter care More than one half million children in the United States rely on foster families to provide a safe and loving home Many wonderful and caring families would like to open their homes to these children but are clueless about how to get started There are many misconceptions myths and misunderstandings surrounding foster care These concerns must be shattered and waiting children must be nurtured This book details for prospective foster parents the requirements qualifications and screening process Step by step foster parents are guided through the crucial decisions and directed to the vital information they will need to foster parent effectively *Foster Parent Handbook* provides an indispensable

guide for navigating through the foster care system It is designed for use by prospective foster parents those who are currently foster parents and professionals providing foster care services
