Small Kid Time Hawaii:

Small Kid Time Hawaii Eric Edward Chock, 1981 Poetry Native American Studies Eric Chock has taught with the Hawai i Poets in the Schools program since the early 70s and is currently the coordinator of the project This book edited by Chock is a collection of poems from his students Most of the poems in this book were written by 8 to 12 year old public school children with a sprinkling of poems by intermediate and high school students I would like to express my thanks to them for keeping poetry alive and well in Hawaii Chock s own book of poetry LAST DAYS HERE is also available from SPD **Poetry and Pedagogy** J. Retallack, J. Spahr, 2016-04-30 This anthology is a new reading of the contemporary poetries The collection gathers together the work of a number of scholars poets and teachers on the challenges and productive possibilities that arise when teaching contemporary writing today **Hawaii No Ka Oi** Edward Sakamoto, 1995-11-01 In The Taste of Kona Coffee two nisei brothers Aki and Tosh fight to free themselves from the prison of old world traditions and poverty only to find themselves bound by the constraints of neocolonialism In Manoa Valley set some thirty years later Tosh now a successful building contractor in Honolulu must reconcile his image of the future with that of his son Spencer who dreams of life in mainland America The third play The Life of the Land is set in 1980 Spencer has achieved his goals but at the cost of alienating himself from his family and his culture Hawaii No Ka Oi presents an important aspect of Japanese American social history in Hawaii yet it reflects the immigrant experience of other ethnic groups These are plays with which Americans of all backgrounds can identify Struggling To Be Heard Valerie Ooka Pang, Li-Rong Lilly Cheng, 1998-09-03 The social psychological and educational needs of Asian Pacific American youth often go unmet This book written by multicultural educators social workers psychologists and others challenges stereotypical beliefs and seeks to provide basic knowledge and direction for working with this population often labeled as the model minority Beyond Ethnicity Camilla Fojas, Rudy P. Guevarra, Nitasha Tamar Sharma, 2018-03-31 Written by scholars of various disciplines the essays in this volume dig beneath the veneer of Hawai i s myth as a melting pot paradise to uncover historical and complicated cross racial dynamics Race is not the primary paradigm through which Hawai i is understood Instead ethnic difference is celebrated as a sign of multicultural globalism that designates Hawai i as the crossroads of the Pacific Racial inequality is disruptive to the tourist image of the islands It ruptures the image of tolerance diversity and happiness upon which tourism business and so many other vested transnational interests in the islands are based The contributors of this interdisciplinary volume reconsider Hawai i as a model of ethnic and multiracial harmony through the lens of race in their analysis of historical events group relations and individual experiences and humor among other focal points Beyond Ethnicity examines the dynamics between race ethnicity and indigeneity to challenge the primacy of ethnicity and cultural practices for examining difference in Hawai i while recognizing the significant role of settler colonialism This original and thought provoking volume reveals what a racial analysis illuminates about the current political configuration of the islands and in doing so challenges how we conceptualize

race on the continent Recognizing the ways that Native Hawaiians or K naka Maoli are impacted by shifting violent and hierarchical colonial structures that include racial inequalities the editors and contributors explore questions of personhood and citizenship through language land labor and embodiment By admitting to these tensions and ambivalences the editors set the pace and tempo of powerfully argued essays that engage with the various ways that K naka Maoli and the influx of differentially racialized settlers continue to shift the social political and cultural terrains of the Hawaiian Islands over time
