Small-town America in Film Emanuel Levy,1991

Small Town America in Film Emanuel Levy,1994-08-01

Small-Town America Robert Wuthnow,2015-05-26 A revealing examination of small town life More than thirty million Americans live in small out of the way places Many of them could have joined the vast majority of Americans who live in cities and suburbs They could live closer to more lucrative careers and convenient shopping a wider range of educational opportunities and more robust health care But they have opted to live differently In Small Town America we meet factory workers shop owners retirees teachers clergy and mayors residents who show neighborliness in small ways but who also worry about everything from school closings and their children s futures to the ups and downs of the local economy Drawing on more than seven hundred in depth interviews in hundreds of towns across America and three decades of census data Robert Wuthnow shows the fragility of community in small towns He covers a host of topics including the symbols and rituals of small town life the roles of formal and informal leaders the social role of religious congregations the perception of moral and economic decline and the myriad ways residents in small towns make sense of their own lives Wuthnow also tackles difficult issues such as class and race abortion homosexuality and substance abuse Small Town America paints a rich panorama of individuals who reside in small communities finding that for many people living in a small town is an important part of self identity

American Small-Town Fiction, 1940-1960 Nathanael T. Booth,2019-01-29 In literature and popular culture small town America is often idealized as distilling the national spirit Does the myth of the small town conceal deep seated reactionary tendencies or does it contain the basis of a national re imagining During the period between 1940 and 1960 America underwent a great shift in self mythologizing that can be charted through representations of small towns Authors like Henry Bellamann and Grace Metalious continued the tradition of Sherwood Anderson in showing the small town by extension America itself profoundly warping the souls of its citizens Meanwhile Ray Bradbury Toshio Mori and Ross Lockridge Jr sought to identify the small town s potential for growth away from the shadows cast by World War II toward a more inclusive democratic future Examined together these works are key to understanding how mid 20th century America refashioned itself in light of a new postwar order and how the literary small town both obscures and reveals contradictions at the heart of the American experience

Movie Towns and Sitcom Suburbs Stephen Rowley,2015-10-21 Media depictions of community are enormously influential on wider popular opinion about how people would like to live In this study Rowley examines depictions of ideal communities in Hollywood films and television and explores the implications of attempts to build real world counterparts to such imagined places

The Columbia Companion to American History on Film Peter C. Rollins,2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse Now 1979 and Saving Private Ryan 1998 how much is

entertainment and how much is rooted in historical fact In *The Columbia Companion to American History on Film* more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject *The Columbia Companion to American History on Film* is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

The American Midwest in Film and Literature Adam R. Ochonicky, 2021-12-22 A critical overview of the evolution contestation and fragmentation of the Midwest's symbolic and often contradictory meanings in American culture How do works from film and literature *Sister Carrie* *Native Son* *Meet Me in St Louis* *Halloween* and *A History of Violence* for example imagine reify and reproduce Midwestern identity And what are the repercussions of such regional narratives and images circulating in American culture In *The American Midwest in Film and Literature* *Nostalgia* *Violence* and *Regionalism* Adam R. Ochonicky provides a critical overview of the evolution contestation and fragmentation of the Midwest's symbolic and often contradictory meanings Using the frontier writings of Frederick Jackson Turner as a starting point this book establishes a succession of Midwestern filmic and literary texts stretching from the late 19th century through the beginning of the 21st century and argues that the manifold properties of nostalgia have continually transformed popular understandings and ideological uses of the Midwest's place identity Ochonicky identifies three primary modes of nostalgia at play across a set of textual objects the projection of nostalgia onto physical landscapes and into the cultural sphere nostalgic spatiality nostalgia as a cultural force that regulates behaviors identities and appearances nostalgic violence and the progressive potential of nostalgia to generate an acknowledgment and possible rectification of ways in which the flawed past negatively affects the present nostalgic atonement While developing these new conceptions of nostalgia Ochonicky reveals how an under examined area of regional study has received critical attention throughout the histories of American film and literature as well as in related materials and discourses From the closing of the Western frontier to the polarized political and cultural climate of the 21st century this book demonstrates how film and literature have been and continue to be vital forums for illuminating the

complex interplay of regionalism and nostalgia Ochonicky presents an important reading of how nostalgia shapes the Midwest in the American imagination as a place of identity and violence Past and present slip in this compelling and well researched approach to the workings of contemporary culture Vera Dika author of *Recycled Culture in Contemporary Art and Film The Use of Nostalgia* By centering the concept of region Adam Ochonicky provides an insightful and refreshing reading of American popular culture In texts ranging from Richard Wright s *Native Son* to John Carpenter s *Halloween* Ochonicky demonstrates the complex terrain of the Midwest in our cultural imaginary and the diverse memories and meanings we project upon it Kendall R Phillips author of *A Place of Darkness The Rhetoric of Horror in Early American Cinema* Syracuse University *The Chameleon Effect* Dietmar Froehlich,2018-04-09 Architecture and film have many things in common Film narratives are embedded in scenes that visually support the story Sometimes architecture even performs the role of an actor Conversely film with its multifaceted changing atmospheres reveals new layers of architecture which outside the cinema would remain concealed In conclusion film as a mass medium influences the way architecture is perceived and its image in society Since the beginning of cinema architecture has formed a symbiosis with film With its systematic analysis this book offers a scientifically researched history of mutual influence starting with filmography as a typology of well known film sets through to the description of the chameleon effect between film and architecture CinemaTexas Notes Louis Black,Collins Swords,2018-02-26 Austin s thriving film culture renowned for international events such as SXSW and the Austin Film Festival extends back to the early 1970s when students in the Department of Radio Television Film at the University of Texas at Austin ran a film programming unit that screened movies for students and the public Dubbed CinemaTexas the program offered viewers a wide variety of films old and new mainstream classic and cult at a time when finding and watching films after their first run was very difficult and prohibitively expensive For each film RTF graduate students wrote program notes that included production details a sampling of critical reactions and an original essay that placed the film and its director within context and explained the movie s historical significance Over time CinemaTexas Program Notes became more ambitious and were distributed around the world including to luminaries such as film critic Pauline Kael This anthology gathers a sampling of CinemaTexas Program Notes organized into four sections USA Film History Hollywood Auteurs Cinema Fist Renegade Talents and America s Shadow Cinema Many of the note writers have become prominent film studies scholars as well as leading figures in the film TV music and video game industries As a collection CinemaTexas Notes strongly contradicts the notion of an effortlessly formed American film canon showing instead how local film cultures whether in Austin New York or Europe have forwarded the development of film studies as a discipline *Meet the Candidate Videos* John Parmelee,2003-03-30 Parmelee shows how presidential primary campaign videocassettes serve many functions for candidates on their road to the White House These videocassettes which include images and issues often based on polling data and focus groups are sent out before the primaries to battleground states to establish an initial image of the candidate A

variety of methods are used to explore the videocassettes of the Democratic and Republican presidential candidates Gary Bauer Bill Bradley George W Bush Steve Forbes Al Gore and John McCain who released presidential primary meet the candidate videos during the 2000 race Frame analysis quantitative content analysis and in depth interviews with the producers of these videos were employed to provide answers to Parmelee's main research question What function do candidate videos serve in presidential primary campaigns Findings indicate that these videos which can run from 5 to 20 minutes in length serve a clear educational function to explain the candidates stand on key policy issues The videos which are mailed to voters journalists and potential donors and shown to Democratic and GOP faithful at party functions also serve as fundraisers surrogate speakers and inoculators But while the videos share some common functions each campaign targets its video to a slightly different audience based on the campaign's overall strategy Of particular interest to scholars students and other researchers involved with American presidential politics and political communications Children and Childhood in the Works of Stephen King Debbie Olson, 2020-10-06 This unique and timely collection examines childhood and the child character throughout Stephen King's works from his early novels and short stories through film adaptations to his most recent publications King's use of child characters within the framework of horror or of horrific childhood raises questions about adult expectations of children childhood the American family child agency and the nature of fear and terror for or by children The ways in which King presents complicates challenges or terrorizes children and notions of childhood provide a unique lens through which to examine American culture including both adult and social anxieties about children and childhood across the decades of King's works *Small Town, Big Dreams: LGBTQ+ Life Beyond the City* Pasquale De Marco, 2025-05-02 In the heartland of America where small towns dot the landscape like stars in the night sky there lies a hidden world of LGBTQ life often unseen and unheard This book shines a light on the unique experiences of LGBTQ people living in small towns across the United States offering a tapestry of stories that are both heartbreaking and heartwarming challenging and inspiring Through personal narratives essays and interviews this book delves into the complexities of growing up and living as an LGBTQ person in a small town It explores the challenges of coming out in a community where traditional values and norms hold sway the struggles of finding acceptance and support and the resilience and creativity that LGBTQ people have shown in overcoming adversity Readers will meet a diverse cast of characters each with their own unique story to tell There's the young lesbian couple who fought for the right to marry in their small town the transgender man who found acceptance and community in an unexpected place and the gay farmer who defied stereotypes and prejudices to build a successful life and family These stories are not just about struggle and pain but also about resilience joy and triumph They celebrate the strength of the human spirit and the power of community to overcome adversity They remind us that LGBTQ people are not just statistics or political pawns but real people with real lives hopes and dreams This book is a powerful testament to the resilience and determination of LGBTQ people living in small towns It is a call for greater

understanding acceptance and inclusion and a reminder that love and equality are universal rights that should be enjoyed by all regardless of where they live If you like this book write a review on google books Politics and Politicians in American Film Phillip L. Gianos,1998-01-26 Films have been a part of U S society for a century a source of great enjoyment for the audience and of great profit to filmmakers How does a mass entertainment medium deal with some of the great sources of dramatic real life political and economic conflict the Great Depression the Cold War in a way that attracts an audience without making it angry How does an industry which has from its beginnings been the subject of attacks from social political and religious groups deal with political issues and conflicts This book is an attempt to examine these questions it is also an examination of some of the greatest and most interesting American films ever made westerns gangster films comedies war films satires and film biographies to see what American films say about politics and politicians and what these films in turn say about the audience for which they were produced This Is a Picture and Not the World Joseph Natoli,2012-02-01 In This Is a Picture and Not the World Joseph Natoli employs the lingua franca of film itself screenplay dialogue as well as the more recent form of the political blog to present a hyperreal account of popular film as both a creator and a reflector of our post 9 11 mass psyche Drawing on both classic and contemporary film examples the book also offers a quasihistory of film genres including science fiction the western film noir and screwball comedy emphasizing how these genres have been shaken up recontextualized recombined turned self reflexive and parodied over the past couple of decades Taken together these satirical parodies of screenplays and blogs reveal and perform how our very gaze has shifted from modern to postmodern from a direct view of the world to a filtered one **Christianity and Horror Cinema** Bryan P. Stone,2025-06-25 Christianity and Horror Cinema explores ways that Christian beliefs spiritualities practices and symbols provide the religious and existential depths out of which the monsters of Western horror cinema have emerged arguing that they are in several respects the monsters for which Christians are responsible Horror cinema preys on Christianity s narrative moral cultural and aesthetic traditions reverses them upends them inverts them and offends them But it also reflects and relies on them The book focuses on seven subgenres in the cinema of horror ghosts witches the demonic or Satanic vampires nature horror zombies and psychological horror Each chapter traces the history of that subgenre taking up a theological analysis of ways that horror cinema capitalizes on ambiguities contradictions anxieties and tensions in Christianity for example its treatment of the body nature sexuality women or those it deems pagan or religiously other The author examines a variety of films that are important for thinking about the relationship of Christianity to horror cinema The book will be of interest to scholars of religion theology and film studies New Rural Cinema Tim Lindemann,2024-02-19 In the past decade spanning from the aftermath of the 2008 financial crisis to the beginning of the Covid 19 pandemic rural poverty in the United States has risen dramatically The impact of the pandemic is set to intensify these inequalities as the decades of neoliberal dismantling of public healthcare and other social institutions leave inhabitants of impoverished rural areas particularly vulnerable Even

before this current exacerbation representations of rural landscape in American cinema have sought to spatially visualize the country's social inequalities and focus on the victims of poverty and marginalization. The films discussed in this monograph *Ballast* 2008 *Winter's Bone* 2010 *Beasts of the Southern Wild* 2012 and *Leave No Trace* 2018 address deep rural poverty in a complex manner and facilitate an interactive social understanding of landscape. New Rural Cinema suggests a novel way of looking at landscape in cinema that responds to and guides its readers through this recent development in American Independent film. It views the chosen films as expressions of a growing awareness of the dire inequality caused by neoliberal capitalism in the United States and the role landscape plays both in its mechanisms of social exclusion as well as in its collective contestation.

Heavenly Bodies Richard Dyer, 2013-05-13 Richard Dyer's classic study of movie stars and stardom has been updated with a new introduction by the author discussing the rise of celebrity culture and developments in the study of stars since publication of the first edition in 1986. Dyer's illuminating study is based around case studies of three major stars: Marilyn Monroe, Paul Robeson, and Judy Garland. He draws on a wide range of sources including the films in which each star appeared to illustrate how each star's persona was constructed and goes on to examine each within the context of particular issues in fan culture and stardom. Students of film and cultural studies will find this an invaluable part of their course reading.

Local Government Administration in Small Town America James C. Clinger, Donna M. Handley, Wendy L. Eaton, 2023-10-12 In government administration and leadership rural community leaders face unique challenges in delivering public services including but not limited to education, health care, and public safety. Meanwhile residents who live in smaller and more isolated rural settings often face greater difficulties accessing provisions and services or commuting to work among other economic development challenges. These factors may affect a community's resiliency to and recovery from shocks such as the COVID-19 pandemic. *Local Government Administration in Small Town America* devotes some overdue scholarly attention to the governance and administration of public programs in small towns and rural communities in the United States. The chapter contributors to this volume analyze some of the unique challenges rural communities face as well as the policy tools that their governments employ to address them. The book explores ways that small town governments collaborate with one another, the state, and the federal government and examines how local government officials use knowledge of people and place to improve policy performance. The chapters are designed to provide cases and strategies for students and practitioners in public administration to use in a small town environment while also considering a community's distinctive social and political culture which determines how local political leaders and government practitioners might respond to demands and challenges they face. *Local Government Administration in Small Town America* is an essential resource for undergraduate and graduate students studying local government as well as for rural practitioners navigating evolving challenges unique to their communities.

American Cinema of the 1950s Murray Pomerance, 2005 Bringing together original essays by ten respected scholars in the field *American Cinema of the 1950s*

explores the impact of the cultural environment of this decade on film and the impact of film on the American cultural milieu Contributors examine the signature films of the decade including From Here to Eternity Sunset Blvd Singin in the Rain Shane Rear Window and Rebel Without a Cause as well as lesser known but equally compelling films such as Dial 1119 Mystery Street Suddenly Summer Stock The Last Hunt and many others A Short History of Film Wheeler Winston Dixon, Gwendolyn Audrey Foster, 2013-02-15 A Short History of Film Second Edition provides a concise and accurate overview of the history of world cinema detailing the major movements directors studios and genres from 1896 through 2012 Accompanied by more than 250 rare color and black and white stills including many from recent films the new edition is unmatched in its panoramic view conveying a sense of cinema's sweep in the twentieth and early twenty first centuries as it is practiced in the United States and around the world Wheeler Winston Dixon and Gwendolyn Audrey Foster present new and amended coverage of the industry in addition to updating the birth and death dates and final works of notable directors Their expanded focus on key films brings the book firmly into the digital era and chronicles the death of film as a production medium The book takes readers through the invention of the kinetoscope the introduction of sound and color between the two world wars and ultimately the computer generated imagery of the present day It details significant periods in world cinema including the early major industries in Europe the dominance of the Hollywood studio system in the 1930s and 1940s and the French New Wave of the 1960s Attention is given to small independent efforts in developing nations and the more personal independent film movement that briefly flourished in the United States the significant filmmakers of all nations and the effects of censorship and regulation on production everywhere In addition the authors incorporate the stories of women and other minority filmmakers who have often been overlooked in other texts Engaging and accessible this is the best one stop source for the history of world film available for students teachers and general audiences alike

Embracing the Song of Expression: An Emotional Symphony within **Small Town America In Film**

In a global taken by monitors and the ceaseless chatter of quick connection, the melodic beauty and mental symphony created by the written term frequently diminish into the back ground, eclipsed by the constant noise and distractions that permeate our lives. However, situated within the pages of **Small Town America In Film** an enchanting literary value overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that fascinating masterpiece conducts readers on a psychological trip, skillfully unraveling the hidden songs and profound affect resonating within each carefully crafted phrase. Within the depths of the poignant review, we shall investigate the book's main harmonies, analyze their enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.

Small Town America In Film Introduction

In the digital age, access to information has become easier than ever before. The ability to download Small Town America In Film has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Small Town America In Film has opened up a world of possibilities. Downloading Small Town America In Film provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Small Town America In Film has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Small Town America In Film. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Small Town America In Film. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Small Town America In Film, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Small Town America In Film has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Small Town America In Film Books

1. Where can I buy Small Town America In Film books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
