Adams, 2010-07-13 A raucous multi tongued sound roars in the ears of many pastors The voices speak in the various dialects of church growth and Biblical scholarship in the legalese of congregational polity in the accents of career success and in the language of spiritual devotion These sounds are accompanied by carefully designed images of the successful pastor C E O visionary leader trusted counselor presuasive preacher anointed prophet selfless missionary Many ministers feel compelled to respond to the clashing voices convinced that if they get the right mix of sounds and images a blessed ministry will follow
