The Canadian Horror Film Gina Freitag, André Loiselle, 2015-01-01 From the cheaply made tax shelter films of the 1970s to the latest wave of contemporary eco horror, Canadian horror cinema has rarely received much critical attention. Gina Freitag and André Loiselle rectify that situation in *The Canadian Horror Film* with a series of thought-provoking reflections on Canada's terror of the soul, a wasteland of docile damnation and prosaic pestilence where savage beasts and mad scientists rub elbows with pasty suburbanites, grumpy seamen, and baby-faced porn stars. Featuring chapters on *Pontypool*, *Ginger Snaps*, 1970s slasher films, Quebec horror, and the work of David Cronenberg among many others, *The Canadian Horror Film* unearths the terrors hidden in the recesses of the Canadian psyche. It examines the highlights of more than a century of Canadian horror filmmaking and includes an extensive filmography to guide both scholars and enthusiasts alike through this treacherous terrain.

The Prank Adam Black,2011-10 THE PRANK is a novel about the tendency for any news story involving a cute child or a reprehensible parent to become a media feeding frenzy about the incredible communicative power of the internet about the speed at which a fabricated happening can cross the threshold into accepted truth But it is also about us as consumers of narrative about how the digital revolution has changed the way we process information My hope is that as you are reading you will find yourself scanning skipping dismissing and cherry picking pay attention to these moments This is your brain doing something remarkable something profoundly post modern something perhaps not altogether benign from the author s foreword Frank Nevis knows that there s more than one way to get famous in America When massive flooding strikes his town only Frank has the presence of mind to weave a fabricated story into the actual drama unfolding around him After all what better way to attract interest and funding for his now defunct reality show career Fueled by the blogosphere Facebook Twitter and the echo chamber of the 24 hour news cycle Frank s fabrication is soon the biggest story breaking but how long can he maintain his hastily constructed lie And where is the line in the American audience s thirst for reality entertainment between the drama of Frank s unraveling plans and his and his family s fictional hardships Written in a style intended to mimic the overwhelming cacophony that is news and culture in the 21st century The Prank explores the question of reality in the digital age where viral falsehoods and reported lies are par for the course
