Encyclopedia of Feminist Literature Mary Ellen Snodgrass,2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist literature from early fairy tales to works by great women writers of today Hundred **A Woman's View** Jeanine Basinger,2013-09-04 Now Voyager Stella Dallas Leaver Her to Heaven Imitation of Life Mildred Pierce Gilda these are only a few of the hundreds of women s films that poured out of Hollywood during the thirties forties and fifties The films were widely disparate in subject sentiment and technique they nonetheless shared one dual purpose to provide the audience of

women primarily with temporary liberation into a screen dream of romance sexuality luxury suffering or even wickedness and then send it home reminded of reassured by and resigned to the fact that no matter what else she might do a woman's most important job was to be a woman Now with boundless knowledge and infectious enthusiasm Jeanine Basinger illuminates the various surprising and subversive ways in which women's films delivered their message Basinger examines dozens of films exploring the seemingly intractable contradictions at the convoluted heart of the woman's genre among them the dilemma of the strong and glamorous woman who cedes her power when she feels it threatening her personal happiness and the self-abnegating woman whose selflessness is not always as noble as it appears Basinger looks at the stars who played these women and helps us understand the qualities the right off-screen personae the right on-screen attitudes the right faces that made them personify the woman's film and equipped them to make believable drama or comedy out of the crackpot plots the conflicting ideas and the exaggerations of real behavior that characterize these movies In each of the films the author discusses whether melodrama screwball comedy musical film noir western or biopic a woman occupies the center of her particular universe Her story in its endless variations of rags to riches boy meets girl battle of the sexes mother love doomed romance inevitably sends a highly potent mixed message Yes you women belong in your proper place that is content with the Big Three of the woman's film world men marriage and motherhood but meanwhile and paradoxically see what fun glamour and power you can enjoy along the way *A Woman's View* deepens our understanding of the times and circumstances and attitudes out of which these movies were created **Kine weekly**, 1947 TLA Video & DVD Guide 2004 David Bleiler, 2003-10-24 This is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see **The Smash-up (La Debacle): The Downfall** Emile Zola, 2016-08-27 *La Débâcle* is a novel by Emile Zola published in 1892 the penultimate in the Rougon-Macquart series The story is set against the background of the political and military events that ended the reign of Napoleon III and the Second Empire in 1870 in particular the Franco-Prussian War the Battle of Sedan and the Paris Commune **The Female Complaint** Lauren Berlant, 2008-03-17 A literary critical and historical chronicle of women's culture in the United States from 1830 to the present by a leading Americanist *Woman's Home Companion*, 1928 Lady Lushes Michelle L. McClellan, 2017-11-30 According to the popular press in the mid-twentieth century American women in a misguided attempt to act like men in work and leisure were drinking more Lady Lushes were becoming a widespread social phenomenon From the glamorous hard-drinking flapper of the 1920s to the disgraced and alcoholic wife and mother played by Lee Remick in the 1962 film *Days of Wine and Roses* alcohol consumption by American women has been seen as both a prerogative and as a threat to health happiness and the social order In *Lady Lushes* medical historian Michelle L. McClellan traces the story of the female alcoholic from the late nineteenth through the twentieth century She draws on a range of sources to demonstrate the persistence of the belief that alcohol use is antithetical to an idealized feminine role particularly one that glorifies

In a Lonely Street Frank Krutnik, 2006-10-19 Taking issue with many orthodox views of Film Noir Frank Krutnik argues for a reorientation of this compulsively engaging area of Hollywood cultural production Krutnik recasts the films within a generic framework and draws on recent historical and theoretical research to examine both the diversity of film noir and its significance within American popular culture of the 1940s He considers classical Hollywood cinema debates on genre and the history of the emergence of character in film noir focusing on the hard boiled crime fiction of Dashiell Hammett Raymond Chandler and James M Cain as well as the popularisation of Freudian psychoanalysis and the social and cultural upheavals of the 1940s The core of this book however concerns the complex representation of masculinity in the noir tough thriller and where and how gender interlocks with questions of genre Analysing in detail major thrillers like *The Maltese Falcon* *Double Indemnity* *Out of the Past* and *The Killers* alongside lesser known but nonetheless crucial films as *Stranger on the Third Floor* *Pitfall* and *Dead Reckoning* Krutnik has produced a provocative and highly readable study of one of Hollywood most perennially fascinating groups of films *Motion Picture Herald* , 1926
