The Postemotional Bully Stjepan Mestrovic,2014-12-15 The topics of bullying and hazing have sparked interest and discussion in recent years Hazing is a crime in the United States and Western nations have made efforts to stamp out bullying in schools the workplace and institutions However for the most part bullying and hazing are ill defined and lack theoretical perspective Mestrovic brings classical as well as contemporary social theory to bear on this discussion Thorstein Veblen defined the predatory barbarian as the social type enshrined by modernity who prefers to use force over peaceable means to achieve ends On the other extreme Marcel Mauss wrote about the spirit of the gift and its obligations to give to receive and to reciprocate as the fundamental basis of social life Yet he argued that the spirit of modernity was disappearing with the progress of modernity Mestrovic traces this fundamental opposition between barbaric force or bullying versus benign obligation that is the spirit of the gift through a host of modernist and postmodernist thinkers and theories He introduces the concept of the postemotional bully as an alternative to both of these major bodies of social theory The postemotional bully as a social type is fungible beset by screen images on media and social media that are isolating and is at the mercy of the peer group Case studies focus on bullying and hazing specifically the cases of an American soldier who committed suicide in Afghanistan instances of torture at Abu Ghraib and the murder of a 23 year old African American inmate in a Southern state prison in the US Catalog of Copyright Entries Library of Congress. The King of the United States Jean Claude Van Itallie, 1975 THE STORY Creating a mosaic of imaginative and stylistically diverse scenes interspersed with original songs the author provides a close and revealing examination of our American penchant for selecting leaders who remind us as much as possible of **Jayton's Book of Poetry** John Farrell, 2013-07-31 The purpose behind the writing of this book is twofold one is to show that even though some may not believe that there's a God that personally I do And I also believe that everything that presently exists on the earth and above the earth was created by Him Second it is my hope that this inspirational book along with its secular content would be a means of enlightening the minds of those who truly need hope in their life It will also endeavour to show that apart from God we as human beings are helpless to save ourselves spiritually Our only hope then is in the Son of God who gave his life so that all of us can live Hence I thank Him for the inspiration that he has given me to compile these poems THANK YOU God And thanks also to those friends and family alike whose interest I have gained throughout the years My prayer is that all who read its pages may find hope and comfort in their life GOD BLESS
