**SNAFU** Ed Helms, 2025-04-29 From actor comedian writer and host of the hit history podcast SNAFU Ed Helms brings you an absurdly entertaining look at history's biggest blunders complete with lively illustrations History contains a plethora of insane screwups otherwise known as SNAFUs Coined during World War I SNAFU is an acronym that stands for Situation Normal All F cked Up In other words things are pretty screwed up but aren't they always Spanning from the 1950s to the 2000s Ed Helms steps in as unofficial history teacher for a deep dive into each decade's craziest SNAFUs From planting nukes on the moon to training felines as CIA spies to weaponizing the weather this book will unpack the incredibly ironic decision making and hilariously terrifying aftermath of America's biggest mishaps Filled with sharp humor SNAFU is a wild ride through time that not only entertains but offers fresh insights that just might prevent history from repeating itself again and again Forthcoming Books Rose Arny, 1993 **Bowker's Guide to Characters in Fiction 2007**, 2008-02

**Secret Science** Herbert N. Foerstel, 1993-01-30 This book is a plea for scientific openness and free access to information It demonstrates the futility of scientific secrecy and the weakness of national arguments against open communication From the restriction of technologically advanced exports to the classification of research as restricted or secret to the monitoring and censoring of scientific publications and library collections to the preemption by the Pentagon of scientific and technological research the U S federal government has achieved a state of unprecedented control over American science and technology This despite the end of the Cold War Foerstel examines this continuing trend toward the state as chief sponsor promoter and supervisor of scientific research and its unsettling ramifications Foerstel concludes that scientific secrecy is counterproductive to American interests particularly in an era when economics has come to define national security His controversial analysis will be of interest to scientists historians and students of government alike **Real Revision** Kate Messner, 2023-10-10 How do you show students that revision is more than a classroom exercise to please the teacher Take them into the real world of writing for publication In Real Revision award winning author and teacher Kate Messner demystifies the revision process for teachers and students alike and provides tried and true revision strategies field tested by students favorite authors Kate takes us on a behind the scenes look at how more than thirty five authors including Julie Berry Watt Key Loree Griffin Burns Jane Yolen Lisa Schroeder Suzanne Selfors Eric Luper Danette Haworth and Kathi Appelt revise their works often many times over before they appear on library and bookstore shelves Using successful strategies from her own classroom Kate teaches how authors use research brainstorming and planning as revision tools how they revise to add detail and make characters stronger and how students can use those same techniques for all kinds of writing in the classroom Real Revision features dozens of reproducible mentor author pages with quotes from the authors about their revision processes and includes related classroom ready activities For any teacher who wants to produce strong real world writers Real Revision will infuse the classroom with new energy as students use mentor authors as models for their own
