

# Smoke

Every time I need a re-set  
Like when I move in  
Want to get rid of the past  
Wash away density and negativity  
I burn sage  
Smoke palo santo  
Smudge incense  
Dropping the ash  
Allowing the smoke to fill  
And then to clear away

**Smoke** Dorianne Laux, 2013-12-20 Dorianne Laux's long awaited third book of poetry follows her collection *What We Carry* a finalist for the 1994 National Book Critics Circle Award for Poetry In *Smoke* Laux revisits familiar themes of family working class lives and the pleasures of the body in poetry that is vital and artfully crafted poetry that gets hard in the face of aloofness in the words of one reviewer In *Smoke* as in her previous work Laux weaves the warp and woof of ordinary lives into extraordinary and complex tapestries In *The Shipfitter's Wife* a woman recalls her husband's homecoming at the end of his work day Then I'd open his clothes and take the whole day inside me the ship's gray sides the miles of copper pipe the voice of the foreman clanging off the hull's silver ribs Spark of lead kissing metal The clamp the winch the white fire of the torch the whistle and the long drive home And in the title poem Laux muses on her own guilty pleasures Who would want to give it up the coal a cat's eye in the dark room no one there but you and your smoke the window cracked to street sounds the distant cries of living things Alone you are almost safe With her keen ear and attentive eye Dorianne Laux offers us a universe with which we are familiar but gives it to us fresh Dorianne Laux is the author of two previous collections of poetry from BOA Editions Ltd and is co author with Kim Addonizio of *The Poet's Companion A Guide to the Joys of Writing Poetry* W Norton 1997 chosen as an alternate selection by several bookclubs Laux was the judge for the 2012 A Poulin Jr Poetry Contest and is a tenured professor in the creative writing program at the University of Oregon Laux lives in Eugene Oregon

**Smoke that Carried Us** René Char, 2004 A bilingual collection of work by one of the greatest French poets of the twentieth century **Fog and Smoke** Katie Peterson, 2024-01-02 Peterson unfurls the quotidian fabric of our lives patterned with the difficulties of language and this moment Confusion frames the human predicament In Katie Peterson's *Fog and Smoke*

confusion is literally our climate Writing to and from the California landscape Peterson sees fog and smoke as literal one a habitual natural weather event the other an increasingly common aftereffect of the West's drought caused fires But they are also metaphysical Fog and smoke reflect the true conditions and frustrations of our ability to perceive and to connect

Peterson writes I've been speaking about it at a distance Now I want to talk about its thickness A person could get killed in here The collection moves through three sections First the poet follows her local fog's cyclical journey of descent and dispersion Second in a sort of pastoral interlude she travels widely almost erratically to the California desert the greater world and ancient history Finally she descends into the enclosed space of the household and the increased confinement and intimacy of raising a child during the pandemic Peterson unfolds the small moments that make up our lives and reveals the truths contained within them and her poems capture the lyricism of our daily rhythms the interruptions dialogues and epiphanies

*The Smoke of Horses* Charles Rafferty, 2017-09-18 In this fascinating new collection by longtime poet Charles Rafferty evocative prose poems insert strange and mysterious twists into otherwise mundane middle class scenarios With wonderful intelligence and imagination these compact revelatory poems show us what is possible when we jettison accepted devices of thought for methods that are stranger and much truer Charles Rafferty is the author of six collections of poetry one collection of stories and two poetry chapbooks He lives in Sandy Hook CT where he works at a technology research firm directs the MFA program at Albertus Magnus College and teaches in the Westport Writers Workshop

Puff of Smoke Poems Paula Fox, 2014-03-21      **Mesquite Smoke, and Other Poems** Don Maitland Bushby, 1926      Sea Smoke Louis Jenkins, 2004 Louis Jenkins captures nails down really whole moments in time and space completely decorated with all the essential textual things needed to make them vibrate and shudder with life Clarence Major Several of these poems are included in the performance script of NICE FISH the play The 60 new prose poems in *Sea Smoke* continue Louis Jenkins imaginative glimpses of scenes from contemporary life Many of these pieces begin with the ordinary but a subtle pivot in language propels the reader into an unexpected and oftentimes humorous perspective from which to view the world anew Herein the blue moon is unhappy as it gazes into car windows clouds sweep across the horizon as if serving Genghis Khan and the poet considers the benefits of retirement Retirement I've been thinking of retiring of selling the poetry business and enjoying my twilight years It's a prose poem business so it's a niche market Still after thirty some years I must have assets worth well in excess of 300 Perhaps the new owner of the business will want to diversify go into novels or plays or perhaps merge into a school or movement It won't matter to me once I've retired Maybe I'll do a little traveling winter in the Southwest Take up golf Spend more time with the family Maybe I'll just walk around and look at things with absolutely no compulsion to say anything at all about them Louis Jenkins lives in Duluth Minnesota His poems have been published in a number of literary magazines and anthologies His books of poetry include *An Almost Human Gesture* Eighties Press and *Ally* Press 1987 *All Tangled Up With the Living* Nineties Press 1991 *Nice Fish* New Selected Prose Poems Holy Cow Press 1995 *Just Above Water* Holy Cow Press 1997 and *The Winter Road* Holy Cow Press 2000 Some of his prose poems were published in *The Best American Poetry* 1999 Scribner and in *Great American Prose Poems* Scribner 2003

**Smoke the Burning Body Makes** Steve Schutzman, 1978      **Smoke Signals** Ashley Dun, 2016-11-14 This is a chronicle of life seasons heartbreak and

healing Poems to make you feel less alone loved understood The light fades and sometimes seems so far away but spring will always come The sun is always just behind the clouds We hold on together and these words create the rope that can lift us out of the hole that so easily catches us Grab on Let it lift you      **White Smoke** Robert Herz,1977      *Smoke* Charles Hine,Joan Mitchell,1989      **The Big Smoke** Adrian Matejka,2013-05-28 A suite of poems examining the myth and history of the legendary prizefighter Jack Johnson a finalist for both the Pulitzer Prize and the National Book Award from the author with Youssef Daoudi of the graphic novel Last on His Feet Jack Johnson and the Battle of the Century The legendary Jack Johnson 1878 1946 was a true American creation The child of emancipated slaves he overcame the violent segregationism of Jim Crow challenging white boxers and white America to become the first African American heavyweight world champion The Big Smoke Adrian Matejka s third work of poetry follows the fighter s journey from poverty to the most coveted title in sports through the multi layered voices of Johnson and the white women he brazenly loved Matejka s book is part historic reclamation and part interrogation of Johnson s complicated legacy one that often misremembers the magnetic man behind the myth      **Sweet Smoke** Thomas Aslin,Red Wing Press,2006-01-01      **Ancient Poems, Ballads, and Songs of the Peasantry of England** Robert Bell,2020-09-28 In 1846 the Percy Society issued to its members a volume entitled Ancient Poems Ballads and Songs of the Peasantry of England edited by Mr James Henry Dixon The sources drawn upon by Mr Dixon are intimated in the following extract from his preface He who in travelling through the rural districts of England has made the road side inn his resting place who has visited the lowly dwellings of the villagers and yeomanry and been present at their feasts and festivals must have observed that there are certain old poems ballads and songs which are favourites with the masses and have been said and sung from generation to generation This traditional and for the most part unprinted literature cherished in remote villages resisting everywhere the invasion of modern namby pamby verse and jaunty melody and possessing in an historical point of view especial value as a faithful record of the feeling usages and modes of life of the rural population had been almost wholly passed over amongst the antiquarian revivals which constitute one of the distinguishing features of the present age While attention was successfully drawn to other forms of our early poetry this peasant minstrelsy was scarcely touched and might be considered unexplored ground There was great difficulty in collecting materials which lay scattered so widely and which could be procured in their genuine simplicity only from the people amongst whom they originated and with whom they are as familiar as household words It was even still more difficult to find an editor who combined genial literary taste with the local knowledge of character customs and dialect indispensable to the collation of such reliques and thus although their national interest was universally recognised they were silently permitted to fall into comparative oblivion To supply this manifest desideratum Mr Dixon compiled his volume for the Percy Society and its pages embracing only a selection from the rich stores he had gathered abundantly exemplified that gentleman s remarkable qualifications for the labour he had undertaken After stating in his preface that contributions from various quarters had

accumulated so largely on his hands as to compel him to omit many pieces he was desirous of preserving      **Ancient poems, ballads and songs of the peasantry of England** Robert Bell,1857      *The Collected Poems of Tennessee Williams* Tennessee Williams,2016-05-20 All of the author s previously published poems including poems from the plays are in this definitive edition that comes with a CD of the author reading some of his poems in his unmistakable Mississippi drawl Few writers achieve success in more than one genre and yet if Tennessee Williams had never written a single play he would still be known as a distinguished poet The excitement compassion lyricism and humor that epitomize his writing for the theater are all present in his poetry It was as a young poet that Williams first came to the attention of New Directions founder James Laughlin who initially presented some of Williams verse in the New Directions anthology Five Young American Poets 1944 before he had any reputation as a playwright and later published the individual volumes of Williams s poetry In the Winter of Cities 1956 revised in 1964 and Androgyny Mon Amour 1977 In this definitive edition all of the playwright s collected and uncollected published poems along with substantial variants including poems from the plays have been assembled accompanied by explanatory notes and an introduction by Tennessee Williams scholars David Roessel and Nicholas Moschovakis The CD included with this paperback edition features Tennessee Williams reading in his delightful and mesmerizing Mississippi voice several of the whimsical folk poems he called his Blue Mountain Ballads poems dedicated to Carson McCullers and to his longtime companion Frank Merlo as well as his long early poem The Summer Belvedere
