Women's Reading in Britain, 1750-1835 Jacqueline Pearson, 1999-05-27 The first broad overview and detailed analysis of female reading audiences in this period Folly's Bride Jane Peart, 2011-02-22 Sara You must come out You're wanted downstairs right away Lucie hissed through the keyhole on the locked bedroom door Stepmama is furious and Father has sent word that he's coming home early from the Exchange She says he's in a rage over what you've done I haven't done anything It's not my fault if those two hotheads decide to fight a duel came her sister's indignant voice from the other side of the door Oh Sara please Lucie pleaded Father will be here any minute You must do as you're told She shook her head and sighed ruefully You're stubborn Sara No denied Sara I am strong Thus begins the bittersweet story of beautiful Sara Leighton the headstrong heroine of *Folly's Bride* the fourth in the *Brides of Montclair* series As with her predecessors happiness does not come painlessly to this newest bride of Montclair Her unusual beauty and her independent spirit places her on a collision course with romance frustration disappointment and finally true love Longings From Behind and Beyond The Walls Rukhsana Ayyub, 2021-08-13 *Longings from Behind and Beyond the Walls* by Rukhsana Ayyub A memoir about the life of my mother and other women in her family living loving and sometimes rebelling against the confines of the veils and the walls in a small town in Pakistan Conflicting desires of wanting the freedom yet longing for the protection and safety the walls provided Creating wonderful opportunities for her children yet fearing their independence A reminder that change cannot be forced unless one is ready to accept it Change is possible and the yearning to be free eventually does win even if it takes a few generations to bring about that change Sadika's Way Hina Haq, 2004-05-01 The clock had started ticking for Sadika from the day she was born into her traditional Pakistani village family She must be married off to somebody while she is still a teenager or she will be considered a hopeless failure Carefully planned marriages are a long tradition in Pakistan as they are throughout South Asia where women have little social status and fewer individual rights and much of their value is measured by how good of a marriage can be arranged for them Sadika must be married off first because she is the eldest of three daughters It would be a disgrace an indelible stigma if a younger daughter was married first The enormous tension that accompanies this ancient ritual makes *Sadika's Way* at once a very funny and instructive work of fiction we watch as mothers vie with each other on their daughters' behalf for the affections of the most eligible males We see them in their homes and listen to their conversations as they boast to each other about their daughters

qualities real and imagined The infighting gets intense even downright nasty all fed by the desperation that grows quite naturally out of a system that literally holds the fate of women in its hands Sadika's coming of age and final journey to a new life involve culture clashes and family characters worthy of a modern South Asian Jane Austen This is a social comedy with serious undertones and a rare novel of manners which spans the world in both time and space *Rama and the Dragon* Idwār Kharrāt, 2002 *Rama and the Dragon* a multi layered novel about the depths of human experience and the struggle between polarities on the surface presents a love story of unrequited passion between Rama the symbol of multiplicity and creativity and Mikhail the symbol of unity and constancy Their story reflects the relationship not only between man and woman Copt and Muslim but also between Upper and Lower Egypt Through a delicate grid of intertextual references and juxtaposed narratives the dreams and hopes fears and defeats of Rama and Mikhail move from the local to the global corresponding to human dreams and anxieties everywhere In this novel Edwar al Kharrat has created a unique form of narrative discourse in which he presents Egyptian realities and actualities of the 1960s and 1970s with flashbacks to as early as the 1940s in an aesthetic form that highlights historical moments while blending philosophical mythical and psychological perspectives in a literary parallel to the cinematic technique of montage In their citation awarding al Kharrat the Mahfouz Medal the judges stated *Rama and the Dragon* is considered a breakthrough in the literary history of modern Arabic fiction

The Seasons of Trouble Rohini Mohan, 2014-09-23 For three decades Sri Lanka's civil war tore communities apart In 2009 the Sri Lankan army finally defeated the separatist Tamil Tigers guerrillas in a fierce battle that swept up about 300 000 civilians and killed more than 40 000 More than a million had been displaced by the conflict and the resilient among them still dared to hope But the next five years changed everything Rohini Mohan's searing account of three lives caught up in the devastation looks beyond the heroism of wartime survival to reveal the creeping violence of the everyday When city bred Sarva is dragged off the streets by state forces his middle aged mother Indra searches for him through the labyrinthine Sri Lankan bureaucracy Meanwhile Mugil a former child soldier deserts the Tigers in the thick of war to protect her family Having survived they struggle to live as the Sri Lankan state continues to attack minority Tamils and Muslims frittering away the era of peace Sarva flees the country losing his way and almost his life in a bid for asylum Mugil stays breaking out of the refugee camp to rebuild her family and an ordinary life in the village she left as a girl But in her tumultuous world desires plans and people can be snatched away in a moment *The Seasons of Trouble* is a startling brutal yet beautifully written debut from a prize winning journalist It is a classic piece of reportage five years in the making and a trenchant compassionate examination of the corrosive effect of conflict on a people *Execution* Geoffrey Abbott, 2006-04-04 In his own darkly humorous style Geoffrey Abbott describes the instruments used and their effectiveness and reveals the macabre origins of familiar phrases such as gone west or drawn a blank as well as the jargon of the underworld He covers everything from the preparation of the victim to the disposal of the body *Execution* is everything you ever wanted to know about the ultimate

penalty and a lot you never thought to ask It includes such hair raising categories as Cave of Roses A rare Swedish method of execution in which the victim was confined to a cave full of snakes and poisonous reptiles Bastinado Involved the victim being caned gently and rhythmically with a lightweight stick on the soles of the feet until the mental collapse and eventual death of the victim Sewn in an Animal s Belly A living person is sewn into the belly of an animal and left to die The Spanish Donkey This method of torture consisted of seating a victim on top of a wall that resembled an inverted v with weights attached to the ankles the weights slowly increased until the victim s body split in two Iron Chair The victim is tied to an iron armchair and pushed nearer and nearer to a blazing fire Sawn in Half Victims are secured in a standing position pinned between two wide boards fixed between a stake driven deep into the ground while two executioners one on each side would wield a long two handled saw downwards through the boards Execution is a unique fascinating look at the grim and gritty history of sanctioned death

Escape From Hell Alfréd Wetzler, 2020-03-11 A shocking account of Nazi genocide and the inhuman conditions in Auschwitz but equally shocking is the initial disbelief with which the revelations were met Alfred Wetzler was a true hero His escape from Auschwitz and the report he helped compile telling for the first time the truth about the camp as a place of mass murder led directly to saving the lives of 120 000 Jews No other single act in the Second World War saved so many Jews from the fate that Hitler and the SS had determined for them Sir Martin Gilbert Together with another young Slovak Jew Rudolf Vrba both deported in 1942 the author succeeded in escaping from the notorious death camp in the spring of 1944 There were some very few successful escapes from Auschwitz during the war but it was these two who smuggled out the damning evidence a ground plan of the camp constructional details of the gas chambers and crematoriums and most convincingly a label from a canister of Cyclone gas The book is cast in the form of a novel to allow information not personally collected by the two fugitives but provided for them by a handful of reliable friends to be included Nothing however has been invented From the Introduction by Dr Robert Rozett Wetzler is a master at evoking the universe of Auschwitz and especially his and Vrba's harrowing flight to Slovakia The day by day account of the tremendous difficulties the pair faced after the Nazis had called off their search of the camp and its surroundings is both riveting and heart wrenching Shining vibrantly through the pages of the memoir are the tenacity and valor of two young men who sought to inform the world about the greatest outrage ever committed by humans against their fellow humans

Forever Your Dad Aspi Mistry, 2014-12-01 Forever Your Dad is a heart rending story that spans different times and worlds The protagonist Geeta is an independent girl who is befriended by a man Anil with whom she develops a bond that she can't explain a magnetic pull that draws her deeper and deeper into the mystery that is his life All she knows is that he has the best intentions and even better stories She is entranced by his tales of a faraway place that she begins to feel connected to intrinsically despite never having been there As he weaves his story Geeta begins to realize that he might not be a complete stranger and that their lives are entwined closer than she could have ever imagined The short stories after the close of the novella take you on a rollicking journey with endearing characters and everything from macabre to hilarious circumstances By The Swollen Stream is a brief look into a chilling event that will have your nerve tingling while Seminar Goers Guide to Youthful Life infinitely compounds the yearning or non yearning to meet a colourful character in real life who has his own special take on staying youthful A Season for Love gently tugs at the strings of your heart with its love story that spans decades and Hindi Drama will draw a few chuckles out of even the most stolid Mistry isn't done yet because The Last Voyage of Michael Suarez is the best kind of love story filled with mystery intrigue and bittersweet sorrow that makes it hard for the story not to leave a lasting impression

Defrauding the Government William Henry Theobald, 1908 **Smuggling** Simon Harvey, 2016-04-15 A cellar door creaked open in the middle of the night or a hand slipping quickly into a trenchcoat the most compelling transactions are surely those we never see Smuggling

can conjure images of adventure and rebellion in popular culture Han Solo knew all about it as did Al Capone but as Simon Harvey shows in this fascinating book smuggling has had a profound effect on the geopolitics of the world Shining a light onto seven centuries of dark history he illuminates a world of intrigue and fortunes hinged on outlaw desires and those who have been willing to fulfill them Harvey tells this story by focusing on the most coveted contrabands of their time In the Age of Discovery these were silk spices and silver During the days of western empires they were gold opium tea and rubber And in modern times it has been of course drugs To the side of these major commodities he looks at a wide array of things that have always been in smugglers trunks from guns to art to the most dangerous of all ideas Central to this story are the not always legitimate forces of the Dutch and British East India Companies the luminaries of the Spanish Empire Napoleon Bonaparte the Nazis Soviet trophy brigades and the CIA all of whom have made smuggling at one point or another part of their modus operandi Beneath this Harvey traces out the smaller time smugglers the micro economies of everyday goods precious objects and people drawing the whole story together into a map of a subterranean world crisscrossed by smugglers paths All told this is the story of the unrelenting drive of markets to subvert the law of the invisible seams that have sewn the globe together **Love's Bitterest Cup** Emma Dorothy Eliza Nevitte Southworth, 1889
