## Snake Heads:

The Snakeheads Mary Moylum, 2001-09-01 Nick Slovak is put in charge of a hot immigration investigation when he learns that his partner immigration officer Walter Martin is dead and the killer has escaped Nick's investigation turns up a trail of unsavoury evidence organized crime a billion dollar smuggling operation and government corruption at the highest levels As his world is turned upside down he is forced to confront the painful truth about Grace Wang Weinstein the woman he loves Grace a brilliant young immigration judge finds herself a suspect in the murder investigation At the same time she is handed the biggest case of her career and pitched into a web of intrigue Caught between her political masters the police and the cold eyed killers of an immigration officer she must confront the past in order to unravel the truth that one of her friends is not what he seems to be     **Vulvae, Eyes, Snake Heads** László Kovács, Gyula Radócz, 2008 Initially conceived as an attempt to disprove the idea that cowrie shells served as currency during the period of the Hungarian invasion in the Carpathian basin 10th century AD this study has grown into something much larger     *Northern Snakeheads* Barbara J. Ciletti, 2016 Through dynamic infographics charts up close photos and strong reading level control this title explores the invasion of Northern snakeheads including where they came from and their impact within biomes and food webs     **Nine Yin And Nine Yang** Qu MaoDeLaoShu, 2019-11-06 Yang Feng did not know who his father was until his mother died of illness when he was ten Shortly later he was received by the Yang family an old martial family and by his father whom he never met However at sixteen Yang Feng was chased and killed due to the fighting for power in his family He did not expect he could be reborn and gained the inheritance of his ancestors that his meridians were transformed by powerful internal forces After cultivating the Nine Yin and Nine Yang Divine Art Yang Feng decided to challenge his fate As an illegitimate child who lived at the underclass how would he become a god and make himself a legend About the Author The Mouse That Marries The Cat is a prolific novelist He has created 11 novels including Nine Heavens and Dragons Nine Yin And Nine Yang Chaotic Emperor Da u Big Superior Supreme Dragon Totem Nine Stars Lord and so on As an author with great creative desire the cat of the cat The Mouse That Marries The Cat has shown excellent imagination and literary talent since childhood     **Smuggled Chinese** Ko-lin Chin, 1999 No one knows how many Chinese are being smuggled into the United States but credible estimates put the number at 50 000 arrivals each year Astonishing as this figure is it represents only a portion of the Chinese illegally residing in the United States *Smuggled Chinese* presents a detailed account of how this traffic is conducted and what happens to the people who risk their lives to reach Gold Mountain When the Golden Venture ran aground off New York's coast in 1993 and ten of the 260 Chinese on board drowned the public outcry about human smuggling became front page news Probing into the causes and consequences of this clandestine traffic Ko lin Chin has interviewed more than 300 people smugglers immigrants government officials and business owners in the United States China and Taiwan Their poignant and chilling testimony describes a flourishing industry in which smugglers big and little snakeheads command fees as high as 30

000 to move desperate but hopeful men and women around the world For many who survive the hunger filthy and crowded conditions physical and sexual abuse and other perils of the arduous journey life in the United States specifically in New York s Chinatown is a disappointment if not a curse Few will return to China though because their families depend on the money and status gained by having a relative in the States In *Smuggled Chinese* Ko lin Chin puts a human face on this intractable international problem showing how flaws in national policies and lax law enforcement perpetuate the cycle of desperation and suffering He strongly believes however that the problem of human smuggling will continue as long as China s citizens are deprived of fundamental human rights and economic security *Smuggled Chinese* will engage readers interested in human rights Asian and Asian American studies urban studies and sociology     **A Central American Ceremony which Suggests the Snake Dance of the Tusayan Villagers** Jesse Walter Fewkes,1893     **Art and Archaeology** ,1925     Fabulous Fish Alvin Silverstein,Virginia B. **Stymphalos** Gerald P. Schaus,2014-01-01 The buildings and artefacts uncovered by Canadian excavations at Stymphalos 1994 2001 shed light on the history and cult of a small sanctuary on the acropolis of the ancient city The thirteen detailed studies collected in *Stymphalos The Acropolis Sanctuary* illuminate a variety of aspects of the site Epigraphical evidence confirms that both Athena and Eileithyia goddess of childbirth were worshipped in the sanctuary between the fourth and second centuries BCE The temple and service buildings are modest in size and materials but the temple floor and pillar shrine suggest that certain stones and bedrock outcrops were held as sacred objects Earrings finger rings and other jewelry along with almost 100 loomweights indicate that women were prominent in cult observances Many iron projectile points arrowheads and catapult bolts suggest that the sanctuary was destroyed in a violent attack around the mid second century possibly by the Romans A modest sanctuary in a modest Arcadian city state the acropolis sanctuary at Stymphalos will be a major point of reference for all archaeologists and historians studying ancient Arcadia and all southern Greece in the future
