Black Ice Linda Hall, 2008-12-24 Return to Fog Point in Black Ice a gripping novel that asks is any faith strong enough to survive the coldest seasons of life They said she came in with the ice Lenore Featherjohn found the girl frozen against a snow bank behind her bed and breakfast Some said she was a ghost others said an angel but Lenore knows better Fearing that the police might look to her sons as suspects she hires Jake Rikker and his crusty business partner May to investigate the suspicious circumstances surrounding her disturbing discovery Rikker and May s search leads them not to the strange girl or to Earth s final days as many in the town suspect but

to Amy McLaren the wife of a local minister As Jake and May get closer to the truth the tension between Lenore and Amy rises forcing each woman to face the secrets they ve hidden for far too long **The Snow Angel** Glenn Beck,Nicole Baart,2011-10-25 The woman in the picture was so young she looked like a child Her hair was loose eyes wide blue T shirt stark against the pale lines of arching collarbones I felt the air leave me in a quiet rush Not because of the way the photo captured her fleeting youth but because of the way it highlighted the bruise It was a photo of me Rachel Price has just one happy memory from her childhood the moment her father took her hands while playing outside on a cold snowy day and called her his angel It was a rare and sacred moment in her young life one in which she finally felt safe loved and protected But it didn t last long Years later Rachel s daughter is the only light in what has become a dark life Rachel repeats the patterns she learned as a child and exposes her own daughter to those same destructive behaviors Consumed by an abusive marriage but secure in the safety of the familiar she is too afraid to escape Rachel accepts what her life has become even as she makes excuses for those who keep her in a constant state of despair and regret But then an unexpected phone call from an old friend changes everything Her ordered world is turned upside down as she s set on a journey that might be her last chance to salvage the life she d given up on long ago While new friendships tentatively blossom Rachel realizes that everything she once believed may be nothing but lies and misunderstandings But knowing the truth is not as easy as it seems Sometimes ignorance truly is bliss As the snow falls and the promise of Christmas redemption nears Rachel begins to see her entire childhood in a brand new light and must now decide what her future holds and what her past really means Will knowing the truth set her free or will it condemn her to a life full of regret and what ifs The Snow Angel is a poignant tale about family forgiveness and the freedom to live a future free of the past **Analyzing Christmas in Film** Lauren Rosewarne,2017-12-06 Film plays a vital role in the celebration of Christmas For decades it has taught audiences about what the celebration of the season looks like from the decorations to the costumes and to the expected snowy weather as well as mirrors our own festivities back to us Films like It s a Wonderful Life and Home Alone have come to play key roles in real life domestic celebrations watching such titles has become for many families every bit as important as tree trimming and leaving cookies out for Santa These films have exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday Rather than settling the what is a Christmas film debate indeed Die Hard and Lethal Weapon are discussed within Analyzing Christmas in Film Santa to the Supernatural focuses on the how Christmas is presented on the deluge of occasions when it appears While most Christmas films are secular religion makes many cameos appearing through Nativity references storylines involving spiritual rebirth the framing of Santa as a Christ like figure and the all importance of family be it the Holy family or just those gathered around the dining table Also explored are popular narratives involving battles with stress and melancholy single parents and Christmas martyrs visits from ghosts and angels big cities and small towns break ups and make ups and the ticking clock of mortality Nearly 1000 films are analyzed in this volume to determine
