Michael Lennon, 2013-10-15 The glorious sweeping full scale biography of Norman Mailer the famous novelist journalist and public figure There's not a paragraph in this enormous book that doesn't contain a nugget of something you wish you had known The New York Times Norman Mailer was one of the giants of American letters and one of the most celebrated public figures of his time He was a novelist journalist biographer and filmmaker a provocateur and passionate observer of his times and a husband father and serial philanderer Perhaps nothing characterized Mailer more than his ambition He wanted not merely to be the greatest writer of his generation but a writer great enough to be compared to Dostoevsky and Tolstoy As Michael Lennon describes although he considered himself first and foremost a novelist his greatest literary contribution may have been in journalism where he used his novelistic gifts to explore the American psyche He would return to certain subjects obsessively John F Kennedy Marilyn Monroe sex technology and the intricate relationship of fame and identity Lennon captures Mailer in all his sharp complexities and shows us how he self consciously invented and re-invented himself throughout his lifetime Michael Lennon knew Mailer for thirty five years and in this definitive biography he had the cooperation of Mailer's late widow Norris Church his ex-wives and all of his children as well as his sister Barbara He also had access to Mailer's vast unpublished correspondence and papers and he interviewed dozens of people who knew Mailer In Norman Mailer A Double Life he brings Mailer thoroughly alive in this great wallop of a book and he captures the entirety of a man who embodied his era like no other The Washington Post
