**Marlborough's America** Stephen Saunders Webb, 2012-01-08 Scholars of British America generally conclude that the early eighteenth century Anglo American empire was commercial in economics liberal in politics and parochial in policy somnambulant in an era of salutary neglect but Stephen Saunders Webb here demonstrates that the American provinces under the spur of war became capitalist coercive and aggressive owing to the vigorous leadership of career army officers trained and nominated to American government by the captain general of the allied armies the first duke of Marlborough and that his influence and that of his legates prevailed through the entire century in America Webb's work follows the duke whom an eloquent enemy described as the greatest statesman and the greatest general that this country or any other country has produced his staff and soldiers through the ten campaigns which by defanging France

made the union with Scotland possible and made Great Britain preeminent in the Atlantic world Then Webb demonstrates that the duke s legates transformed American colonies into provinces of empire Marlborough s America fifty years in the making is the fourth volume of The Governors General      **We Are Becoming the Problem Now!** Michael Abayomi Alabi,2019-02-09 When we leave our destiny in the hands of others and live our life in the past we immediately destroy our future Scientists in the human genome industry have proved that all humans are 99.9 percent the same Why then are some ethnicities progressive and others nonprogressive Our current problems are not with the slave or colonial masters We Are Becoming the Problem Now Had we continued in the legacy of our ancestors simply known as slaves we ought to have been the pride and joy of the whole world They went through unimaginable pain sorrow hardship and torment They survived and even succeeded by leaving a godly legacy behind in the Negro spiritual songs and in arts education industry and every conceivable field Our current major problems as blacks in Africa and all over the world simply put are leadership and disunity We do the dirty work by self destroying ourselves and each other Only few illiterate Caucasian would engage in overt discrimination The majority of us have been trained in the art and act of covert self destruction and in the destruction of the whole We have so much zeal but without knowledge We must bear in mind that zeal without knowledge is dead so also knowledge without zeal is equally lifeless Romans 10:2 Not until we harness our zeal and knowledge comprehensively can we live a progressive life It has been said that if the West is to stand still and halt all development and progress Africa would never catch up Yet we have PhDs in every conceivable field Do we blame that on the ancestors of the slave or colonial masters No We are to be blamed We Are Becoming the Problem Now Those who have ears to hear let them hear because time is of the essence      *Report of the Joint Committee on the Conduct of the War: Bull Run-Ball's Bluff* United States.
