So Whats The Good Word For Today:

Other Men's Wives Freddie Lee Johnson III, 2009-06-24 Denmark Wheeler had it all a gorgeous wife Sierra whom he passionately loved and a respectable job that allowed him to keep her living in the style to which she was accustomed The good life wasn't handed to him on a silver platter though Growing up in the Cleveland ghetto his father was shot by a drug addict he worked the streets to help his sister through college and he made his fair share of enemies along the way Yet not even his tough upbringing prepared him for the mysterious DVD that showed up on his doorstep its contents revealing an explicit sexual encounter between his wife and another man whose face was purposely blurred Sierra's betrayal is heart wrenching and Denmark's on the warpath to find out the identity of the man behind it One thing's sure It's someone close to him Suddenly everyone is suspect especially his two best buddies and he'll stop at nothing to exact his revenge even if it means sleeping with their wives to get it But when Denmark takes justice into his own hands he discovers a truth even more shocking than his wife's infidelity In this gritty revenge tale Freddie Lee Johnson III takes us into the mind of a man consumed with grief and rage Full of jump off the page characters and fast paced drama Other Men's Wives is an explosive ride fueled by love lust and deceit

Let Us Go Now to Bethlehem Todd Outcalt, 2020-09-01 This charming devotional book takes readers on an inward journey to the miracle of Christ's birth in the little town of Bethlehem Many who will read this book probably haven't actually traveled to Bethlehem But that is of little consequence to the adventure of arriving there to the adventure of discovery that awaits the mystery and wonder in the birth of Jesus Todd Outcalt writes The devotions are both personal and challenging I hope readers can discover something new that they may have overlooked in the old old story says Outcalt It's important to stay alert on the pilgrimage to Bethlehem Outcalt reminds readers for they may encounter Jesus in unexpected moments and surprising people or when they are most tired or confused The way to Bethlehem is saturated with stops and starts with both darkness and light with angels and the common touch of shepherds writes Outcalt Let Us Go Now to Bethlehem contains devotions for the 28 days of Advent the 12 days of Christmas and the day of Epiphany For small group leaders the book includes a 6 week study guide with weekly questions for reflection and conversation a suggested scripture passage for each week and an invitation to ponder the happenings of that week As the Gospel of Luke attests Let Us Go Now to Bethlehem is both an expectant declaration filled with mystery and a declaration of faith Each day can offer these same expectations and wonders for readers if they open themselves to awe and joy

Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God Charles River Robert Allan Hill, 2015-02-20 This collection of theological essays spiritual meditations public prayers and biblical interpretations provides a focus day by day for contemplation and reflection By intention they are offered in media res in the midst of the cacophony and chaos of life and particularly of academic life These pages are markings along the journey on the trail and thus perhaps signposts for others coming along the same way To some degree the collection responds to similar recent publication of 200 word daily selections from the writings of Dietrich Bonhoeffer The assembly of materials revisits a favorite form of an earlier Dean of Marsh Chapel Howard Thurman Thurman easily and regularly captured thought and feeling in an assortment of forms prayer sermon hymn poem litany sermon and worried very little about repetitions or the jostling inherent in formal variety Charles River follows after these and similar works and is offered as a daily resource for those receiving and offering the divine grace of freedom acceptance forgiveness pardon and love *Catalog of Copyright Entries. Jennings, 2012-12-06 Reading is a many faceted subject A book on the topic may like many be a description of the physiological steps one takes in performing the process called reading More commonly it is a manual describing the methods a teacher may use in teaching schoolage children to acquire the mechanical aspects of reading Some far fewer are focused on the psychology of reading such psychology usually emphasizing the conscious and logical approaches to learning Still others are directed toward some particular part of reading in its socio historical setting as for example freedom to read or adult reading habits or variation in trends in the production of materials All books of such nature are relevant to the omnibus topic reading A book which would include reading in its historical sociological and educational setting would indeed be a major undertaking demanding both scope and depth of

knowledge from its author Frank Jennings has written such an inclusive book and he appropriately calls it *This Is Reading Threshermen's Review and Power Farming*, 1914
