A BOUQUET OF MEMORIES FOR AN AMERICAN DAUGHTER Gisela Norat, 2023-05-30 In this memoir childhood recollections become the springboard for depicting the challenges of a Latina an immigrant and a bicultural mother in the United States The vignettes of life under communist rule in her native Cuba help readers glean a harsh contrast with the civil liberties

Americans enjoy Infused with humor and candid introspection the writing tackles the pitfalls the contradictions and the cultural scimmages that emerge after marriage to an Anglo man and during the upbringing of their bicultural daughter When her enthusiasm for Spanish language immersion at home meets with the child s resistance the author is forced to question the visceral attachment she feels for her birth language Stumbling through motherhood she ponders how to live an authentic sense of self while mothering in English She resolves not to push the daughter to speak Spanish and risk damaging their mother daughter bond Instead the author begins to write and crafts this family legacy as an invitation for her daughter to embrace her Cuban Spanish lineage This Latina mother s journey of self reflection dredges memories of her birthplace family exile cultural adaptation and social integration Through the narrative lens of a child refugee daughter wife mother professor and an acculturated Cuban American the author depicts the culture clashing complexities of her biculturalism It is while examining the precariousness of family relationships that the author arrives at a deeper understanding of the nuances of ethnic identity Through this writing she achieves a genuine embrace of the extraordinary adoptive country that irrevocably ties her to her beloved American daughter May you reader be inspired to collect and stitch for posterity your tapestry of family stories

Killing Tradition Simon J. Bronner, 2008-11-21 Across the country and around the world people avidly engage in the cultural practice of hunting Children are taken on rite of passage hunting trips where relationships are cemented and legacies are passed on from one generation to another Meals are prepared from hunted game often consisting of regionally specific dishes that reflect a community s heritage and character Deer antlers and bear skins are hung on living room walls decorations and relics of a hunter s most impressive kills Only 5 percent of Americans are hunters but that group has a substantial presence in the cultural consciousness Hunting has spurred controversy in recent years inciting protest from animal rights activists and lobbying from anti cruelty demonstrators who denounce the custom But hunters have responded to such criticisms and the resulting legislative censures with a significant argument in their defense the claim that their practices are inextricably connected to a cultural tradition Further they counter that they as representatives of the rural lifestyle pioneer heritage and traditional American values are the ones being victimized Simon J Bronner investigates this debate in Killing Tradition Inside Hunting and Animal Rights Controversies Through extensive research and fieldwork Bronner takes on the many questions raised by this problematic subject Does hunting promote violence toward humans as well as animals Is it an outdated activity unnecessary in modern times Is the heritage of hunting worth preserving Killing Tradition looks at three case studies that are at the heart of today s hunting debate Bronner first examines the allegedly barbaric rituals that take place at deer camps every late November in rural America He then analyzes the annual Labor Day pigeon shoot of Hegins Pennsylvania which brings animal rights protests to a fever pitch Noting that these aren t simply American concerns and that the animal rights movement in America is linked to British animal welfare protests Bronner examines the rancor surrounding the passage of Great Britain s Hunting Act of 2004 the most comprehensive and divisive

anti hunting legislation ever enacted The practice of hunting is sure to remain controversial as it continues to be touted and defended by its supporters and condemned and opposed by its detractors With Killing Tradition Bronner reflects on the social psychological and anthropological issues of the debate reevaluating notions of violence cruelty abuse and tradition as they have been constructed and contested in the twenty first century **Benelong's Haven** Richard Chenhall,2014-02-01

Benelong s Haven was the first residential alcohol and drug treatment program controlled and operated by an Aboriginal Australian It was established by Val Bryant in 1974 in the Sydney suburb of Marrickville before moving to the small township of Kinchela Creek on the mid north coast of New South Wales three years later The centre is one example of the different approaches Aboriginal people have developed to deal with the problem of drug and alcohol abuse in their communities where people who have experienced problems with alcohol and drug use can leave their existing environment and come to a different place Anthropologist Richard Chenhall first visited Benelong s Haven for two weeks in late 1997 At the invitation of Val Bryant he returned later for an extended period of fieldwork observing and participating in the centre s activities and getting to know staff and residents There have been few studies that reflect Aboriginal social life in larger cities or in institutional settings Benelong s Haven represents an attempt to examine at the ethnographic level the different ways in which individuals are shaped by and interact within the larger structures and social institutions that surround them More specifically it documents an instance of Australian Aboriginal people trying to achieve change in their lives *Language of the Heart* Travis,2010-07 In The Language of the Heart Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA s beginnings in the mid 1930s as a men s fellowship that met in church basements to the thoroughly commercialized addiction treatment centers o
