

# WHAT IS THE RIGHT TO PRIVACY?

- <https://www.achu.org/other/students-your-right-privacy>
- 1. The right to privacy is not mentioned in the Constitution, but the Supreme Court has said that several of the amendments create this right. One of the amendments is the Fourth Amendment, which stops the police and other government agents from searching us or our property without "probable cause" to believe that we have committed a crime. Other amendments protect our freedom to make certain decisions about our bodies and our private lives without interference from the government - which includes the public schools.
- 2. WHAT ARE MY RIGHTS CONCERNING THE POLICE? You've all heard cops on TV or in the movies say, "you have the right to remain silent..." Well, that's exactly what you should do if the police ask you questions. Remember anything you say can be used against you.
- 3. Just give the police your name and address and say you want to speak to your parents and a lawyer. As soon as you do that, the police must stop questioning you.
- 4. The police aren't allowed to search you unless they have a warrant signed by a judge or unless they are arresting you. However, if they believe that you have a weapon, they can frisk you, and if they feel a weapon, they can then search you. If the cops ask to search you or your car, don't resist the search, but let them know that you don't consent to it.
