Public Welfare in Indiana Indiana. Dept. of Public Welfare, 1928 *The Indiana Bulletin of Charities and Correction*, 1925 **Human Nature as Capacity** Nigel Rapport, 2010 What is it to be human What are our specifically human attributes our capacities and liabilities Such questions gave birth to anthropology as an Enlightenment science This book argues that it is again appropriate to bring the human to the fore to reclaim the singularity of the word as central to the anthropological endeavor not on the basis of the substance of a human nature To be human is to act like this and react like this to feel this and want this but in terms of species wide capacities capabilities for action and imagination liabilities for suffering and cruelty The contributors approach the human with an awareness of these complexities and particularities rendering this volume unique in its ability to build on anthropology's ethnographic expertise 10.
