Sabbath Songs and Spiritual Hymns David Woodhull Miller,1881 **Music and the Cultural Production of Scale** Phil Dodds,2023-10-04 This open access book shows how geographical scales are made through music Scales are sets of spatial frames abstractions or categories that denote the size proportion level extent or hierarchical relations of phenomena They are neither natural nor neutral but actively produced with real political effects But what role do cultural practices play in the production of scale Phil Dodds addresses this question by focusing on music arguing that music scholarship has both most to gain from and most to offer to a fuller conceptualisation of how geographical scale is culturally produced Dodds suggests that music scholars should treat scales as open questions and as phenomena potentially made through musical practices rather than as stable categories for framing other arguments about say local or global music He analyses how the

meaning of the local is affected by the aesthetics of popular music and how the relationship between the particular and the general is fused through common musical conventions Music and the Cultural Production of Scale explores diverse musical examples including Janelle Mon e s concept albums key tracks in the grime genre protest songs at environmental and anti fascist demonstrations and nineteenth century colonial hymn singing to demonstrate how we already live in a world whose scales are made by music The book also shows that music has the potential to produce a world scaled otherwise Chicken Soup for the Soul: The Story behind the Song Jack Canfield,Mark Victor Hansen,Jo-Ann Geffen,2014-01-07 You will get an inside look at the personal stories behind your favorite songs as songwriters get up close and personal with exclusive stories about how and why they wrote them Songs tell a story and now popular singers and songwriters are sharing more of the story These artists reveal the inspiration influence and background and when and why they wrote their most famous songs in Chicken Soup for the Soul The Story Behind the Song Includes great photos of the songwriters The print edition contains the lyrics to all 101 songs and the eBook includes lyrics to 85 of the songs
