bookgetting it published and into your hands has not been an easy task. Satan has fought Sarah every step of the way because he didn't want you to read this book and be blessed by God. But what God has for you is for you only; you can hinder or stop your blessings. Sarah thanks God who gives us the victory for she has completed this part of the work. He has given her to do. This book is for you. Find yourself in these pages for God has a special word and blessing just for you. Open your mind, your heart, and your ears. Believe, receive, and listen attentively and expectantly as God speaks, blesses, and reveals His wonderful plan and purpose for your life. Jesus loves you; He knows your situation and wants to minister to you personally, one on one. **A Translation and Commentary of the Book of Psalms** Augustus F. Tholuck, 2025-08-24. In the grip of serious numerical decline, American Evangelical churches are now experiencing a missional movement. God is calling His people to return to a biblical lifestyle that goes full circle in continual worship, discipleship, and missions. Mark Powers connects the dots between these three main elements of authentic Christian living. He presents a theology of missional worship, a detailed discipleship plan, and a strategy for local music missions. *Going Full Circle* uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshipping disciples on mission. Are you a casualty of worship wars? Are you worried about the decline of your church? Are you thrilled with fast growth churches but sense there must be something more than spectator worship? Are you confused by the word missional that seems to be popping up everywhere? This book is for you and your friends. Read it, share it, and join the movement.
