Sons for the Return Home Albert Wendt, 1996-06-30 Originally published in 1973 this story of star crossed lovers spotlights the complex nature of love freedom and racism in New Zealand Samoan writer Albert Wendt's first novel *Sons for the Return Home* has long been out of print Yet readers continue to respond to the clarity of vision in this simple powerful story of cross cultural encounter *When Sons Return Home* John B. Murray, 2024-04-24 As I researched the title of this book I discovered that there are so many families that were torn apart by their sons or daughters They were raised with love and compassion yet they decided to venture out on their own in a far country to live a life free from the authority of their parents When life doesn't go the way they thought losing everything they inherit and ending up in low down situations they finally come to their senses What kind of sons return home to their parents **Sons for the Return Home** Albert Wendt, 1975 Albert Wendt and Pacific Literature Paul Sharrad, 2003-11-08 Albert Wendt is the leading writer and exponent of Pacific literature His work is consistently different in style politically challenging and ranges across essays plays poems stories and novels two of which have been filmed This book is the first full length study of his work There is an introduction to Pacific literature as a whole and Wendt's Samoan background Chapters offer readings of all Wendt's major texts in chronological sequence relating them to his essays to literary movements of the time and to key motifs from Polynesian culture There is an extensive bibliography of works by and about Wendt **The Bavenda** Hugh A. Stayt, 2018-09-03 Originally published in 1931 this book was the first detailed ethnographic study of the Bavenda people It pays particular attention to the double system of kinship groups which is unusual among the Bantu peoples Richly illustrated with over 60 black and white plates this book discusses the history and geography of the Bavenda as well as social economic religious political and legal aspects of their life as well as medicine magic and folklore **Sunday Mornings** Bill Smith, 2009-08 Living in a time of economic uncertainty how do we handle the inevitable stress As unemployment health care costs and mortgage foreclosures all rise where can we turn to regain our confidence In the face of war terrorist threats and global warming how can we get beyond our fears and anxieties Where can we turn to find peace Is there a big picture that can help us separate the merely urgent from the truly important These are some of the questions this book confronts Moving beyond simplistic answers it offers an insightful and thought provoking look at some of life's everyday concerns Looking at the world through the lens of the Christian faith the book is divided into three parts Part one examines how we look at the world Part two helps us determine what counts in coping with life's challenges The third section introduces Jesus and what we can learn from his life as seen through the various roles he played From Your Loving Son Elin Williams Neiterman, E.
