Sons Of Mosiah:

The Sons of Mosiah Jay Shean, 2002 Shean discusses the experiences of the sons of Mosiah accounts recorded from ancient America in the Book of Mormon with relation to missionary work for the Church of Jesus Christ of Latter day Saints Shean analyzes such elements of missionary work as prayer fasting the Spirit of Prophecy and Revelation and teaching with power and authority from God

The Sons of Mosiah Mark E. Petersen, 1984 *Truth Seeker: Mormon Scriptures & the Bible* Warren M Mueller, 2014-02-10 Are Mormons Christians What do they believe How do their beliefs compare with other Christian religions I have been impressed by the dedication of Mormon missionaries the beauty of the Mormon Tabernacle Choir and the majestic architecture of Mormon temples I have known several Mormons and they seem to be family oriented people who live out their faith in tangible ways As American culture drifts towards situation ethics and values based on surveys Mormons are like other Christians in that they tend to be conservative and look to their Church and Scriptures for guidance This interest and curiosity led me to study Mormon scriptures and compare them with the Bible Each chapter of Truth Seeker Mormon Scriptures The Bible is a summary of each of the books that make up The Book Of Mormon The Pearl of Great Price and Doctrines Covenants This is followed by a discussion of internal inconsistencies differences from the Bible and historical problems In order to provide a balanced discussion the views of a devout Mormon Dr Jordan Jensen are included Brigham Young University and Latter day Saint LDS web sites were used to answer questions I still had after completing my review and to fill in gaps in my understanding of some doctrines and beliefs The result of these efforts is a book that provides insights into Mormonism and how it compares and deviates from other Christian churches The essence of the deviations are founded in the idea that Mormonism extends clarifies and sometimes replaces Biblical teachings based on revelations given to Joseph Smith and subsequent LDS prophets

The Story of the Book of Mormon George Reynolds, 2008-04-24 This 1888 classic by LDS General Authority Elder George Reynolds is considered the first commentary on the Book of Mormon It is also a retelling of its stories in a way accessible to everyone The love he had for that book of scripture and the inspiration he received from it and expressed within the pages of this book continues to inspire modern readers

Embaye Melekin, 2011-03 **Book of Mormon Study Guide, Pt. 2** Randal S. Chase, 2010-12-08 The Book of Alma This volume is the second of three on the Book of Mormon It covers the last chapters of Mosiah and all of the book of Alma It begins with the story of the conversion of Alma the Younger We learn of the beginning of the reign of the judges Then we follow the missionary efforts of Alma and Amulek in the land of Zarahemla followed by the missions of the sons of Mosiah to the Lamanites in the Land of Nephi We follow the fate of the Anti Nephi Lehiites We read Alma's letters to his sons including an in depth discussion of the Great Plan of Happiness Then we finish with the stories of Captain Moroni and Helaman's stripling warriors In all it covers 67 years of Nephite history from 130 to 63 BC when the book of Helaman began The cover features a beautiful painting of The Title of Liberty by Joseph Brickey

The African Bible Embaye

Melekin,2011-03 The African Bible is the record of the Abyssinian prophets who came to Africa from Jerusalem in around 600 BC The Sabeans Nephites and the Agazians Lamanites will become the ancestors of the African people The prophecies of the African Bible have been entirely fulfilled upon Africans Jews and Gentiles The Agazians or black Africans were prophesied to dwindle in unbelief as was apparent in the history of the continent Also black Africans were prophesied to be scourged slaved and scattered by the Gentiles and that was the experience of Africans The African Bible the Book of Mormon was prophesied to be hidden from the African people until God s own time and will first be discovered by the Gentiles Hence the prophet Joseph Smith translated them into English from the Sabeian script and the Mormon Church had them for almost two centuries without knowing the authentic owners of the records The records were then to be revealed to the African people by one of their descendants and that is what I am doing now I have convincingly proven the Book of Mormon to be the record of the African ancestors and is therefore an African Bible Hence Africans are the remnants of the house of Israel and descendants of Manasseh
