youngest person in the room I had my whole life in front of me I had time to burn I spent my whole day snogging boys and backcombing my hair I was a young thing with a lovely body life was fun and I hadn't a care in the world Now it feels like two minutes later I'm a little bit old OK I'm not in elasticated stockings or on Meals on Wheels whizzing down the stairs on my stairlift but my life is more than half over I've been there done that got the packamac I'm so old that I remember dances with drum solos the arrival of unisex hairdressers and had a crush on Ilya Kuryakin I am up at the top of the hill and over the other side again What all this means is that I am grumpy But I've earned it I lived through Boney M and leg warmers and the Crossroads Motel Obviously in a book this size I wouldn't be able to share with you ALL of my grumps But I've decided to write down some of the secret thoughts that beset a woman of a certain age some of the wicked things that occur to a woman who takes a lot of things to the dry cleaners has to have her roots done every four weeks and finds it hard to wear high heels And guess what they still fancy people still have silly little crushes on people at work still shock horror have sex You will discover that women of a certain age are just as provocative and turned on as women in their twenties Probably more so So get over it Middle aged women are sexy funny and infinitely lovable They are also taking over the world

I Will Go With You ZA! Rhena Richards, 2022-07-19 The author ZA Rhena Richards remembered quiet and solemn times in her life where her thoughts and focus became clear as the global pandemic COVID 19 of 2020 ransacked and took hostage all rigorous lives all lifestyles and the comforts of normalcy but this time something was very different She realized she had a purpose and needed to respond The quiet of her became peaceful and she took comfort in seeking this in remembrance a sullen tender aged child sat alone on the veranda of her grandmother's house As she pined for her mother daily she gazed into the light blue sky All of the occupants were inside She heard a clear audible voice Where are you from What is your name She does not answer but she heard the questions Returning to the veranda the following morning she hears the same clear voice again ask Where are you from What is your name She hears the questions and again

she does not answer but this time she begins to immediately reflect on the questions even throughout the night where the windows were open and the house fan span circulating heat across her skin as the mosquitoes feasted on it Stooping to sit on the veranda on the new born morning the same voice repeated the questions Finally responding She said I don t know in her head The soft wind like voice said Go and ask her with the skirt on I m scared she said they don t like me The clear voice said I will go with you Pull tug on her skirt The sullen tender aged child went inside and looked for her with the skirt and pulled it and asked Where am I from What s my name A warm smiling caramel colored face embedded with alabaster eyes shone down and told her The little girl walked back outside poised herself on the steps and said America Rhena I want to go to America My Mommy is there How do I get there In her head the little girl asked and finally smiled The still quiet voice said I will go with you
