Sophie and the Circle of Slavery Random House,1999-09-01 *Sophie and the Circle of Slavery* Evelyn Culber,2005-06

The Black Female Body in American Literature and Art Caroline Brown,2013-02-28 This book examines how African American writers and visual artists interweave icon and inscription in order to re present the black female body traditionally rendered alien and inarticulate within Western discursive and visual systems Brown considers how the writings of Toni Morrison Gayl Jones Paule Marshall Edwidge Danticat Jamaica Kincaid Andrea Lee Gloria Naylor and Martha Southgate are bound to such contemporary postmodern visual artists as Lorna Simpson Carrie Mae Weems Kara Walker Betye Saar and Faith Ringgold While the artists and authors rely on radically different media photos collage video and assembled objects as opposed to words and rhythm both sets of intellectual activists insist on the primacy of the black aesthetic Both assert artistic agency and cultural continuity in the face of the oppression social transformation and cultural multiplicity of the late twentieth and early twenty first centuries This book examines how African American performative practices mediate the tension between the ostensibly de racialized body politic and the hyper racialized black female body reimagining the cultural and political ground that guides various articulations of American national belonging Brown shows how and why black women writers and artists matter as agents of change how and why the form and content of their works must be recognized and reconsidered in the increasingly frenzied arena of cultural production and political debate **Saints, Sinners, Saviors** T. Harris,2016-04-30 *Saints Sinners Saviors* Strong Black Women in African American Literature posits strength as a frequently contradictory and damaging trait for black women characters in several literary works of the twentieth century Authors of these works draw upon popular images of African American women in producing what they believe to be safe literary representations Instead strength becomes a problematic trait at times a disease in many characters in which it appears It has a detrimental impact on the relatives and neighbors of such women as well as on the women themselves The pattern of portraying women characters as strong in African American literature has become so pronounced that it has stifled the literature *The Knights of the Golden Circle in Texas* Randolph W Farmer,2022-09-13 The United States today is a divided nation and some say the country may be heading toward breakup or possibly civil war That has happened before and the result was disastrous As many as 750 000 Americans perished during the Civil War A study of the causes of our last Civil War may help to prevent another The Knights of the Golden Circle KGC played a major role in starting the Civil War in the United States Although intended to remain a secret organization of conspirators it is perhaps the most well documented conspiracy in United States history The goal of the KGC was the creation of a new society separate from the United States dedicated to the preservation and expansion of slavery into Latin America The KGC existed in almost every state in the Union but nowhere was it as powerful and successful as it was in Texas Several governors many senators and military leaders were members having taken an oath to support the organization and their fellow members Most of the documents generated by

the KGC were destroyed after the war ended as its members feared execution for treason Not everything was destroyed though This book relies on documents created by the organization and its members that have not previously been used by researchers Many members of this organization remained in positions of authority in state affairs after the abolition of slavery This book goes far beyond previous published work in establishing the identities of the members of this organization who promoted and encouraged the most disastrous war in American history Randolph W Farmer is a native Texan from a family whose ancestors first came to Texas as early as 1817 when it was still a Spanish possession He is the author of two previously published books on Texas history *A Fire in the Shell: Circle of Nine Trilogy 3* Josephine Pennicott, 2012-04-01

Imagine if your darkest dreams had the power to kill First came the flies and the bees Then the wild dog attacks and sightings by locals of terrifying beings The wail of the Banshee is heard Erinyes Pan and the Wild Hunt are on the move The old ones demand blood the killings begin In Circle of Nine a coven of witches unleashed chaos by opening a portal to Eronth a parallel world where magic prophecy and ancient myths are real Now the coven return to close the portal But dark forces are working against them Is one of their own betraying them Eronth is on the edge of ruin Its cunning folk have been decimated by witch hunts and are beset by invaders Behind all this chaos lies the Eom crystal ever growing in power and now with an offspring of equal evil The faith and strength of Khartyn Gwyndion Maya and others are pushed to the limit as they face the horrific culmination of deadly energies Not all of them will prove equal to the challenge Heroes will fall by the wayside Who will make the ultimate sacrifice Superb complex and intriguing Eternal Night

The British National Bibliography Arthur James Wells, 2002 **"My Soul Is A Witness"** Carol Henderson, 2021-03-29 This special collection assembles some of the most pre eminent scholars in the field in African American and American Studies to explore the ways writers reclaim the Black female body in African American literature using the theoretical social cultural and religious frameworks of spirituality and religion Central to these discussions is Black women s agency within these realms their uncanny ability to invent and reinvent themselves within individual and communal spaces that frame them as both outsider and insider unworthy and worthy deviant and sacred excess and minimal Scholars have sought to discuss these tensions acknowledged and affirmed in prose poetry music essays speeches written plays or short stories Forgiveness healing redemption and reclamation provide entry into these vibrant explorations of self discovery passion and self creation that interrogate traditional views of what is spiritual and what is religious Discussed writers include Toni Morrison Phillis

Wheatley James Baldwin Tina McElroy Ansa Toni Cade Bambara and Thomas Dorsey **Black Women Freedom Fighters** Gordon S. Barker, Sophie A. Brady, 2025-10-17 During the antebellum period African American women were at the center of the nation s battle between slavery and liberty as the country moved closer to civil war Their resistance added momentum to the abolition movement and led to a more militant stance against slavery among both Black and White Northerners While their fight exposed the true horrors of slavery these women s stories also reveal their agency resilience and ingenuity This

work highlights the lives of women who faced and fought against an institution that sanctioned both physical and sexual violence It also examines the plight of free Black women who were kidnapped and thrust into slavery and the effects of familial separation The authors explore how the actions of African American women helped fuel the expansion of the Underground Railroad influenced both state and federal policy and ultimately played a vital role in the abolition movement This book shifts the narrative of emancipation illuminating the vital contributions of African American women and positioning them at the center of the fight to end slavery

Shades of the Planet Wai Chee Dimock, Lawrence Buell, 2018-06-05 In a globalizing age studying American literature in isolation from the rest of the world seems less and less justified But is the conceptual box of the nation dispensable And what would American literature look like without it Leading scholars take up this debate in Shades of the Planet beginning not with the United States as center but with the world as circumference This reversed frame yields a surprising landscape alive with traces of West Africa Eastern Europe Iran Iraq India China Mexico and Australia The Broadway musical Oklahoma has aboriginal antecedents Black English houses an African syntax American slavery consorts with the Holocaust Philip Roth keeps company with Milan Kundera the crime novel moves south of the border and R P Blackmur lectures in Japan A national literature becomes haunted by the world when that literature is seen extending to the Pacific opening up to Islam and

accompanying African American authors as they travel Highlighting American literature as a fold in a planet wide fabric this pioneering volume transforms the field redrawing its institutional as well as geographical map The contributors are Rachel Adams Jonathan Arac Homi K Bhabha Lawrence Buell Wai Chee Dimock Susan Stanford Friedman Paul Giles David Palumbo Liu Ross Posnock Joseph Roach and Eric J Sundquist **Pursuing Trayvon Martin** George Yancy, Janine Jones, 2013 On February 26 2012 seventeen year old African American male Trayvon Martin was shot and killed by George Zimmerman a twenty eight year old white Hispanic American male in Sanford Florida Zimmerman killed Martin in a gated community Pursuing Trayvon Martin Historical Contexts and Contemporary Manifestations of Racial Dynamics featuring a new preface by editors George Yancy and Janine Jones written after the June 2013 trial examines the societal conditions that fueled the shooting and its ramifications for race relations and violence in America Pursuing Trayvon Martin Historical Contexts and Contemporary Manifestations of Racial Dynamics attempts to capture what a critical cadre of scholars think about this potentially volatile situation in the moment The text addresses issues across various thematic domains that are both broad and relevant Pursuing Trayvon Martin is an important read for scholars in the fields of philosophy criminal justice history critical race theory political science critical philosophies of race gender studies sociology rhetorical studies and for anyone hungry for critical ways of thinking about the Trayvon Martin case Waste Matters Sarah K. Harrison, 2016-08-12 How do those pushed to the margins survive in contemporary cities What role do they play in today's increasingly complex urban ecosystems Faced with stark disparities in human and environmental wellbeing what form might more equitable cities take Waste Matters argues that contemporary literature and film offer an insightful and timely response to these questions through their formal and thematic revaluation of urban waste In their creation of a new urban imaginary which centres on discarded things degraded places and devalued people authors and artists such as Patrick Chamoiseau Chris Abani Dinaw Mengestu Suketu Mehta and Vik Muniz suggest opportunities for an inclusive urban politics that demands systematic analysis Waste Matters assesses the utopian promise and pragmatic limitations of their as yet under examined work in light of today's pressing urban challenges This book will be of great interest to scholars and students of English Literature Postcolonial Studies Urban Studies Environmental Humanities and Film Studies *Perpetua* Amy Rachel Peterson, 2004 Perpetua a wealthy noblewoman just coming of age in Carthage discovers Jesus at a time when Christians are being thrown to the beasts in city amphitheaters for sport Rejecting the gods of the ancient Roman Empire she embraces a passionate relationship with Jesus and falls in love with a man who shares her faith Together they navigate the treacherous bloodthirsty waters of the social culture but every step seems to take them closer to the ultimate sacrifice Provided by publisher Love is a Sweet Chain James Martel, 2012-10-12 Notions of love intersect with ideas on personal liberty obligation individuality self and difference in this study James Martel contends that theorists inattention to the subject has impoverished our explorations of political discourse Claiming Freedom Karen Cook Bell, 2018-02-22 An exploration of the political and social experiences

of African Americans in transition from enslaved to citizen *Claiming Freedom* is a noteworthy and dynamic analysis of the transition African Americans experienced as they emerged from Civil War slavery struggled through emancipation and then forged on to become landowners during the Reconstruction and post Reconstruction period in the Georgia lowcountry Karen Cook Bell's work is a bold study of the political and social strife of these individuals as they strived for and claimed freedom during the nineteenth century Bell begins by examining the meaning of freedom through the delineation of acts of self emancipation prior to the Civil War Consistent with the autonomy that they experienced as slaves the emancipated African Americans from the rice region understood citizenship and rights in economic terms and sought them not simply as individuals for the sake of individualism but as a community for the sake of a shared destiny Bell also examines the role of women and gender issues topics she believes are understudied but essential to understanding all facets of the emancipation experience It is well established that women were intricately involved in rice production a culture steeped in African traditions but the influence that culture had on their autonomy within the community has yet to be determined A former archivist at the National Archives and Records Administration Bell has wielded her expertise in correlating federal state and local records to expand the story of the all black town of 1898 Burroughs Georgia into one that holds true for all the American South By humanizing the African American experience Bell demonstrates how men and women leveraged their community networks with resources that enabled them to purchase land and establish a social political and economic foundation in the rural and urban post war era

Mary McLeod Bethune and Black Women's Political Activism Joyce A. Hanson, 2003-03-14 Mary McLeod Bethune was a significant figure in American political history She devoted her life to advancing equal social economic and political rights for blacks She distinguished herself by creating lasting institutions that trained black women for visible and expanding public leadership roles Few have been as effective in the development of women's leadership for group advancement Despite her accomplishments the means techniques and actions Bethune employed in fighting for equality have been widely misinterpreted *Mary McLeod Bethune and Black Women's Political Activism* seeks to remedy the misconceptions surrounding this important political figure Joyce A Hanson shows that the choices Bethune made often appear contradictory unless one understands that she was a transitional figure with one foot in the nineteenth century and the other in the twentieth Bethune who lived from 1875 to 1955 struggled to reconcile her nineteenth century notions of women's moral superiority with the changing political realities of the twentieth century She used two conceptually distinct levels of activism one nonconfrontational and designed to slowly undermine systemic racism the other openly confrontational and designed to challenge the most overt discrimination in her efforts to achieve equality Hanson uses a wide range of never or little used primary sources and adds a significant dimension to the historical discussion of black women's organizations by such scholars as Elsa Barkley Brown Sharon Harley and Rosalyn Terborg Penn The book extends the current debate about black women's political activism in recent work by Stephanie Shaw Evelyn Brooks

Higginbotham and Glenda Elizabeth Gilmore Examining the historical evolution of African American women's activism in the critical period between 1920 and 1950 a time previously characterized as doldrums for both feminist and civil rights activity Mary McLeod Bethune and Black Women's Political Activism is important for understanding the centrality of black women to the political fight for social economic and racial justice
