Marcella Althaus-Reid, Lisa Isherwood, 2004-01-01 *The Sexual Theologian* is the first collection of essays on radical sexual theology written by a group of internationally renowned scholars in this area. For the first time, Queer theory and theology is articulated around themes from systematic theology such as Incarnation, death, the concept of God, Mariology, together with discussions on sexuality and mysticism. The essays show how to do a radical sexual theology together with original, bold, and transgressive thinking which have taken feminist theologies to a new dimension of action and reflection. Women's Political and Social Thought Hilda L. Smith, Berenice A. Carroll, 2000, a wide array of time periods, cultures, and formats. Library Journal: The first collection of source readings of women's important writings in political and social theory from ancient times to the twentieth century. From Sappho of Lesbos to Mary Wollstonecraft and from Jane Addams to Simone Weil, these works fill a major gap in materials available for teaching the history of political thought and opens paths for exploring the rich and diverse contributions of women as creators of theory.

Sor Juana Gonzalez, Michelle A., 2014-04-10 Sor Juana Inés de la Cruz, a seventeenth-century Mexican nun, is one of the most compelling figures of her age. A prolific writer, a learned scholar, and the first woman theologian of the Americas, she was also a defender of the dignity and rights of women in the midst of a fiercely patriarchal culture. In this study, Michelle Gonzalez examines Sor Juana's contributions as a foremother of many currents of contemporary theology. In particular, in joining aesthetics with the quest for truth and justice, her work and witness suggest new avenues for Hispanic feminist and other liberation theologies.

Beyond the Ivory Tower Brian James Baer, Geoffrey S. Koby, 2003-01-01 This volume is divided into three sections. The first explores the pedagogical interventions that are focused on the performance of translation. The second part discusses approaches to translator training. The third part examines some of the pedagogical opportunities and challenges.

The Routledge Research Companion to the Works of Sor Juana Inés de la Cruz Emilie L. Bergmann, Stacey Schlau, 2017-04-28 Called by her contemporaries the Tenth Muse, Sor Juana Inés de la Cruz (1648–1695) has continued to stir both popular and scholarly imaginations. While generations of Mexican schoolchildren have memorized her satirical verses, only since the 1970s has her writing received consistent scholarly attention focused on complexities of female authorship in the political, religious, and intellectual context of colonial New Spain. This volume examines those areas of scholarship that illuminate her work, including her status as an iconic figure in Latin American and Baroque letters, popular culture in Mexico and the United States, and feminism. By addressing the multiple frameworks through which to read her work, this research guide serves as a useful resource for scholars and students of the Baroque in Europe and Latin America, colonial Novohispanic religious institutions, and women's and gender studies. The chapters are distributed across four sections that deal broadly with different aspects of Sor Juana's life and work: institutional contexts, political/economic/religious/intellectual and legal reception history, literary genres, and directions for future research. Each section is designed to provide the reader with a clear understanding of the current state of the research on those topics and the academic debates within each field.

Sor Juana Inés De La Cruz, Gale Group Inc. of the Thomson

Corporation presents a biographical sketch of Mexican nun and poet Juana Ines de la Cruz 1651-1695. The sketch highlights Cruz's early life and writings. A list of her poems, essays, plays, and other works is provided. Dream of Sor Juana Lois Hobart, 1985. Sor Juana Ines de la Cruz Theresa A. Yugar, 2014-10-22. In *Sor Juana Ines de la Cruz: Feminist Reconstruction of Biography and Text*. Yugar invites you to accompany Sor Juana Ines de la Cruz, a seventeenth-century protofeminist and ecofeminist, on her lifelong journey within three communities of women in the Americas. Sor Juana's goal was to reconcile inequalities between men and women in central Mexico and between the Spaniards and the indigenous Nahuatl population of New Spain. Yugar reconstructs her story narrative through analysis of two primary texts Sor Juana wrote: *en sus propias palabras* in her own words *El Sueño* *The Dream* and *La Respuesta* *The Answer*. Yugar creates a historically based narrative in which Sor Juana's *sueño* of a more just world becomes a living nightmare haunted by misogyny in the form of the church, the Spanish Tribunal, Jesuits, and more, all seeking her destruction. In the process, Sor Juana hoists them with their own petard. In seventeenth-century colonial Mexico, just as her Latina sisters in the Americas are doing today, Sor Juana used her pluma pen to create counternarratives in which the wisdom of women and the Nahuatl inform her *sueño* of a more just world for all.

The Cultural Politics of Blood, 1500-1900 Kimberly Anne Coles, Ralph Bauer, Zita Nunes, Carla L. Peterson, 2015-01-26. The essays of this collection explore how ideas about blood in science and literature have supported at various points in history and in various places in the circum-Atlantic world fantasies of human embodiment and human difference that serve to naturalize existing hierarchies.

Women and Contemporary World Literature Deborah Fillerup Weagel, 2009. Many women in cultures throughout the world exhibit resilience and power in the face of obstacles and vicissitudes. From colonial New Spain to postcolonial Africa and India, *Women and Contemporary World Literature* examines ways in which women in literature function within their specific culture and circumstances to confront the challenges they encounter. In spite of fragmentation in their lives, much like quiltmakers, they piece together the scraps of their existence to form an integrated and complete whole. With its focus on power, fragmentation, and metaphor, and a strong interdisciplinary approach, this book offers a unique perspective to scholars, teachers, and students of comparative literature, contemporary world literature, colonial and postcolonial literature, women's studies, interdisciplinary studies, and literature and cultural studies.

Writers of the Spanish Colonial Period David William Foster, Daniel Altamiranda, 1997. These critical studies propose innovative readings and overall reformulations of the texts and authors that stand as representative of the period for the contemporary reader. The first group of articles refers to reports, chronicles, and Renaissance epics, a vast block of texts that fall in most cases halfway between history and narrative fiction and examine the experiences of the discovery, the conquest, and the colonization of the new territories. The second group concentrates on regionally marked texts from the Baroque period, especially those of the central figure of the Mexican nun, poet, and intellectual Sor Juana Inés de la Cruz. Finally, there are some essays on representative texts of the latter part of the colonial period. Publisher's description.
