Soul Clap Hands And Sing

Richard Webster

Soul Clap Hands And Sing:

Soul Clap Hands and Sing Paule Marshall, 1988 In each vignette an aged man who has sacrificed human companionship to pursue fame security material possessions or prestige comes face to face with his hollow existence and imminent death A dramatic confrontation precipitated by female characters offers each a chance to inject greater meaning into his life **Soul Clap Hands and Sing** Paule Marshall, 2020-04-23 The strong talent of Paule Marshall has matured in this her second book Woven through these four diverse and fascinating short novels is a theme that unifies them despite sharp differences of character and background In each a man moving toward the later reaches of life experiences a climatic confrontation In each a woman is involved as both a creative and a destructive force In each a man is reaching out desperately to grasp at his life before it is gone None succeeds but the moment involves is presented with such vividness and dramatic force that it reveals and illumines depths of human experience Paule Marshall writes a singing effortless prose Her insights into men and women are extraordinary whether she is dealing with a small landowner in Barbados and the girl who is little more than a domestic slave with a discredited college professor in Brooklyn and the lovely student he wants as consolation for a wasted life with the last of a proud family of mixed blood in British Guiana and the woman who he feels robbed him of a crucial opportunity to prove his manhood or a famous nightclub comedian and his woman partner in Brazil Print ed Soul Clap Its Hands and Sing Natalie L. M. Petesch, 1981 Natalie Petesch has written sixteen stories of extraordinarily broad social and political significance Soul Clap Hands and Sing Paule Marshall, 1961 A Scholar's Conscience J. Saunders Redding, 2021-12-14 J Saunders Redding 1906-1988 was often and justifiably called the dean of African American scholars As professor and man of letters he wrote about African American literature and culture in vivid and scholarly prose And of all the writers of his generation he best represented and came closest to explaining the hopes and conflicts of American democracy in a multiracial society Yet his perceptions and writings were never limited to race nationality academia or one literary genre In this first published anthology drawn from Redding's books essays and speeches Faith Berry has compiled representative selections from every period and genre in which Redding wrote autobiography fiction biography history journalism travelogue and literary criticism The collection offers a wide range of his thought and criticism from numerous publications as well as a comprehensive bibliography of his works Redding is essential reading for all those who argue for or against the intellectual credo he espoused that African American writing and culture be studied in the context of American life and culture not in isolation This useful and balanced edition of Redding's writing should serve to introduce him to a new audience certain to find his texts worthy of attention and discussion Readers concerned with literary and social history higher education race relations American and ethnic studies foreign affairs cultural exchange or indeed the humanities in general will find this work an important resource Contemporary African American scholars will value the book as a lasting reference And anyone unfamiliar with Redding's work will discover and appreciate the breadth of his contributions to

scholarship and literature *A Human Necklace* Moira Ferguson, 2013-12-02 From Brown Girl Brownstones 1959 to The Fisher King 2000 Paule Marshall's novels, novellas, and short stories include a rich cast of unforgettable men, women, and children who forge spiritual as well as emotional and geographical paths toward their ancestors. In this, the first critical study to address all of Marshall's fiction, Moira Ferguson argues that Marshall's work collectively constitutes a multigenerational saga of the African diaspora across centuries and continents. In creating a space for her characters' interrupted lives and those of their elders and ancestors, Ferguson argues, Marshall trains a spotlight on slavery's wake and engages her fiction in the service of healing deep global wounds.

Caribbean Waves Heather Hathaway, 1999 Caribbean Waves explores the ways in which literature can probe the complexities of displacement and identity construction that often accompany migratory experiences. Analysis of McKay's and Marshall's works reveals how the forces of migration, racial and national affiliation, and Americanization can merge to produce uniquely hybridized and at times profoundly homeless black American immigrant identities.

BOOK JACKET The Concise Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement, this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades. It offers an enormous range of writers from Sojourner Truth to Frederick Douglass, from Zora Neale Hurston to Ralph Ellison, and from Toni Morrison to August Wilson. It contains entries on major works, including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl*, Richard Wright's *Native Son*, and Lorraine Hansberry's *A Raisin in the Sun*. It also incorporates information on literary characters such as Big Boy Thomas Coffin, Ed Johnson, Kunta Kinte, Sula, Peace, as well as on character types such as Aunt Jemima, Brer Rabbit, John Henry, Stackolee, and the trickster. Icons of black culture are addressed, including vivid details about the lives of Muhammad Ali, John Coltrane, Marcus Garvey, Jackie Robinson, John Brown, and Harriet Tubman. Here too are general articles on poetry, fiction, and drama; on autobiography, slave narratives, Sunday School literature, and oratory; as well as on a wide spectrum of related topics. Compact yet thorough, this handy volume gathers works from a vast array of sources, from the black periodical press to women's clubs, making it one of the most substantial guides available on the growing, exciting world of African American literature.

The Fiction of Paule Marshall Dorothy Hamer Denniston, 1995 Introduction anatomy of an aesthetic the African cultural base 1 Challenging the American norm the gendered sensibility in the Valley between 2 Beyond bildungsroman constructions of gender and culture in Brown girl brownstones 3 Cultural expansion and masculine subjectivity Soul clap hands and sing 4 Maturation and multiplicity in consciousness the short stories 5 Changing the present order personal and political liberation in The chosen place the timeless people 6 Recognition and recovery diasporan connections in Praisesong for the widow 7 Transformation and re-creation of female identity in Daughters
