The Shadow's Gift Robin Robertson,2011-04-01 There is no change that doesn't begin in the darkness of the human soul The necessity for the confrontation with the Shadow has been known by all cultures in all times and recorded in their myths and legends When the obligation to become whole is laid upon an individual the first task he must undertake is to confront his Shadow *The Shadow's Gift Find Who You really Are* is about the Shadow contained in each of us and why we must each join with our shadow the archetype of darkness and evil in order to become whole This heroic process is crucial as the projection or denial of the Shadow twists its true meaning into a destructive counter evolutionary force Owning and integrating our shadow allows its transformation in both the world and us *The Shadow* is a paradox While it initially appears
