Soul Passages:

Life in Christ William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it

Soul Stories Gary Zukav, Linda Francis, 2012-12-11 In his bestselling book THE SEAT OF THE SOUL Gary Zukav s driving concept was multi sensory perception an innate sense that allows people to experience the world beyond the five senses to listen harder to who they are and ultimately to save one s life Now in SOUL STORIES Gary Zukav brings this

concept and many others vividly alive with marvellous true stories of how they manifest themselves in individual lives This book is enormously practical in the way the author builds on each specific story to a discussion of its application to the reader's needs leading to a deeper understanding of authentic power and inner peace And best of all it is wonderfully readable and even more accessible than *THE SEAT OF THE SOUL* **Plotinus** Asger Ousager, 2004-08-20 As the most important philosophical work to emerge in the 700 year period between Aristotle and Augustine The Enneads has been subject to intense scrutiny for more than 2000 years But the mystical and abstract nature of these treatises by Plotinus continues to resist easy elucidation In this volume the latest in the Aarhus Studies on Mediterranean Antiquity Asger Ousager grapples with the great neo Platonist's conception of the individual Is the individual free or determined Is the Plotinian God subject to any compulsion Himself and with what consequences for our inner and outer freedom And finally what are the political and ethical implications of Plotinism Since Plotinus has traditionally been regarded as apolitical it is the evidence that Ousager marshals for his political philosophy that forms the most intriguing part of this study According to the author what distinguishes Plotinus from Plato and Aristotle politically is his emphasis on natural authority mutual cooperation and the immense potential of all people even slaves *In Mist Apparelled* Frederick E. A Story of the Soul's Journey in the Nag Hammadi Library Ulla Tervahauta,2015-08-19 Authentikos Logos NHC VI 3 also known as Authoritative Teaching is a little studied story of a soul s descent and ascent in the Nag Hammadi library With her book Ulla Tervahauta fills a gap in the scholarship and provide the first monograph length study that has this writing as its primary focus The aim is to find a place and context for Authentikos Logos within early Christianity but Tervahauta also adds new insight into the scholarship of the Nag Hammadi Library and study of early Christianity Contrary to the usual discussion of the Nag Hammadi writings from the viewpoint of Gnostic studies she argues that Authentikos Logos is best approached from the context of Christian traditions of late ancient Egypt between the third and the fifth centuries Tervahauta discusses the story of the soul s journey in light of various Christian and Platonic writings Also she analyses the relationship of Authentikos Logos with the Valentinian Wisdom myth and suggests that no firm evidence connects the writing closely with Valentinian traditions And although a Platonic mind set can be assumed the writing combines motifs in a unique manner For example the four epithets used in the writing the invisible soul the pneumatic soul the material soul and the rational soul are not found thus combined elsewhere Discussion of matter hyle is connected with Christian scriptural allusions and the focus is on ethics and the evilness of matter The body on the other hand is the soul s place of contest and progress The Pauline term pneumatic body 1 Cor 15 44 is used allusively and from a Platonic perspective With this book Ulla Tervahauta makes an important contribution to the study of early Christianity in late ancient Egypt by discussing a writing that shows knowledge and creative combination of literary traditions that circulated in late ancient Egypt Chapters XI-XII Emanuel Swedenborg,1915 The Seventh Wave, and Other Soul-stories Constance E. Bishop,1913 What Does Scripture Teach on the Immortality of the Soul? A Paper Read at the Monthly Meeting of the Bristol Clerical Association May 31st, 1877 Rev. C. W.
