Louisiana Culture from the Colonial Era to Katrina John Wharton Lowe, 2008-12-15 In 1803 President Thomas Jefferson acquired 828 000 square miles of French territory in what became known as the Louisiana Purchase Although today Louisiana makes up only a small portion of this immense territory this exceptional state embraces a larger than life history and a cultural blend unlike any other in the nation Louisiana Culture from the Colonial Era to Katrina a collection of fourteen essays compiled and edited by John Lowe captures all of the flavor and richness of the state's heritage illuminating how Louisiana despite its differences from the rest of the United States is a microcosm of key national concerns including regionalism race politics immigration global connections folklore musical traditions ethnicity and hybridity Divided into five parts the volume opens with an examination of Louisiana's origins with pieces on Native Americans French and German explorers and slavery Two very different but complementary essays follow with investigations into the ongoing attempts to define Creoles and creolization No collection on Louisiana would be complete without attention to its remarkable literary traditions and several contributors offer tantalizing readings of some of the Pelican State's most distinguished writers a dazzling array of artists any state would be proud to claim The volume also includes pieces on a couple of eccentric mythologies distinct to Louisiana and explorations of Louisiana's unique musical heritage Throughout the international slate of contributors explores the idea of place particularly the concept of Louisiana as the center of the Caribbean wheel where Cajuns Creoles Cubans Haitians Jamaicans and others are part of a New World configuration connected by their linguistic identity landscape and climate religion and French and Spanish heritage A poignant conclusion considers the devastating impact of Hurricanes Katrina and Rita and what the storms mean for Louisiana's cultural future A rich portrait of Louisiana culture this volume stands as a reminder of why that culture must be preserved

Half in Shadow Shanna Greene Benjamin, 2021-04-12 Nellie Y McKay 1930-2006 was a pivotal figure in contemporary American letters The author of several books McKay is best known for coediting the canon making Norton Anthology of African American Literature with Henry Louis Gates Jr which helped secure a place for the scholarly study of Black writing that had been ignored by white academia However there is more to McKay's life and legacy than her literary scholarship After her passing new details about McKay's life emerged surprising everyone who knew her Why did McKay choose to hide so many details of her past Shanna Greene Benjamin examines McKay's path through the professoriate to learn about the strategies sacrifices and successes of contemporary Black women in the American academy Benjamin shows that McKay's secrecy was a necessary tactic that a Black working class woman had to employ to succeed in the white dominated space of the American English department Using extensive archives and personal correspondence Benjamin brings together McKay's private life and public work to expand how we think about Black literary history and the place of

Black women in American culture **In Theory** Aijaz Ahmad, 2020-05-05 After the Second World War nationalism emerged as the principle expression of resistance to Western imperialism in a variety of regions from the Indian subcontinent to Africa to parts of Latin America and the Pacific Rim With the Bandung Conference and the formation of the Non Aligned Movement many of Europe's former colonies banded together to form a common bloc aligned with neither the advanced capitalist First World nor with the socialist Second World In this historical context the category of Third World literature emerged a category that has itself spawned a whole industry of scholarly and critical studies particularly in the metropolitan West but increasingly in the homelands of the Third World itself Setting himself against the growing tendency to homogenize Third World literature and cultures Aijaz Ahmad has produced a spirited critique of the major theoretical statements on colonial discourse and post colonialism dismantling many of the commonplaces and conceits that dominate contemporary cultural criticism With lengthy considerations of among others Fredric Jameson Edward Said and the Subaltern Studies group In Theory also contains brilliant analyses of the concept of Indian literature of the genealogy of the term Third World and of the conditions under which so called colonial discourse theory emerged in metropolitan intellectual circles Erudite and lucid Ahmad's remapping of the terrain of cultural theory is certain to provoke passionate response **Civil Rights Childhood** Katharine Capshaw, 2014-12-01 Childhood joy pleasure and creativity are not often associated with the civil rights movement Their ties to the movement may have faded from historical memory but these qualities received considerable photographic attention in that tumultuous era Katharine Capshaw's Civil Rights Childhood reveals how the black child has been and continues to be a social agent that demands change Because children carry a compelling aura of human value and potential images of African American children in the wake of Brown v Board of Education had a powerful effect on the fight for civil rights In the iconography of Emmett Till and the girls murdered in the 1963 Birmingham church bombings Capshaw explores the function of children's photographic books and the image of the black child in social justice campaigns for school integration and the civil rights movement Drawing on works ranging from documentary photography coffee table and art books and popular historical narratives and photographic picture books for the very young Civil Rights Childhood sheds new light on images of the child and family that portrayed liberatory models of blackness but it also considers the role photographs played in the desire for consensus and closure with the rise of multiculturalism Offering rich analysis Capshaw recovers many obscure texts and photographs while at the same time placing major names like Langston Hughes June Jordan and Toni Morrison in dialogue with lesser known writers An important addition to thinking about representation and politics Civil Rights Childhood ultimately shows how the photobook and the aspirations of childhood itself encourage cultural transformation Still Seeking an Attitude Valerie Kinloch, Margret Grebowicz, 2005-07-01 From her activism to her passionate writings June Jordan 1936 2002 is one of the most revered American poets of our time Jordan's writing simultaneously provokes delight and energy while urging reflection on American society and its injustices In Still Seeking an

Attitude the first reflection on her legacy Jordan's life and works are explored in depth and detail focusing on subjects ranging from her use of language and linguistics to her political activism and role in children's literature These critical examinations elucidate the power and poetry of Jordan's words serving as an exciting supplement for those already familiar with Jordan and an excellent guide for anyone discovering her works for the first time Encyclopedia of African American History, 1896 to the Present Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century Encyclopedia of the Black Arts Movement Verner D. Mitchell, Cynthia Davis, 2019-05-15 The Black Arts Movement BAM encompassed a group of artists musicians novelists and playwrights whose work combined innovative approaches to literature film music visual arts and theatre With a heightened consciousness of black agency and autonomy along with the radical politics of the civil rights movement the Black Muslims and the Black Panthers these figures represented a collective effort to defy the status quo of American life and culture Between the late 1950s and the end of the 1970s the movement produced some of America's most original and controversial artists and intellectuals In Encyclopedia of the Black Arts Movement Verner D Mitchell and Cynthia Davis have collected essays on the key figures of the movement including Maya Angelou James Baldwin Amiri Baraka Nikki Giovanni Larry Neal Sun Ra Sonia Sanchez Ntozake Shange and Archie Shepp Additional entries focus on Black Theatre magazine the Negro Ensemble Company lesser known individuals including Kathleen Collins Tom Dent Bill Gunn June Jordan and Barbara Ann Teer and groups such as AfriCOBRA and the New York Umbra Poetry Workshop The Black Arts Movement represented the most prolific expression of African American literature since the Harlem Renaissance of the 1920s Featuring essays by contemporary scholars and rare photographs of BAM artists Encyclopedia of the Black Arts Movement is an essential reference for students and scholars of twentieth century American literature and African American cultural studies *The Muse is Music* Meta DuEwa Jones, 2011 This wide ranging ambitiously interdisciplinary study traces jazz's influence on African American poetry from the Harlem Renaissance to contemporary spoken word poetry Examining established poets such as Langston Hughes Ntozake Shange and Nathaniel Mackey as well as a generation of up and coming contemporary writers and performers Meta DuEwa Jones highlights the intersections of race gender and sexuality within the jazz tradition and its representation in poetry Applying prosodic analysis to emphasize the musicality of African American poetic performance she examines the gendered meanings evident in collaborative performances and in the criticism images and sounds circulating within jazz cultures Jones also considers poets who participated in contemporary venues for black writing such as the Dark Room Collective and the Cave Canem Foundation including Harryette Mullen Elizabeth Alexander and Carl Phillips Incorporating a finely honed discussion of the Black Arts Movement the poetry jazz fusion of the late 1950s and slam and spoken word performance milieus such as Def Poetry Jam she focuses on jazz and hip hop influenced performance artists including Tracie Morris Saul Williams and Jessica

Care Moore Through attention to cadence rhythm and structure *The Muse is Music* fills a gap in literary scholarship by attending to issues of gender in jazz and poetry and by analyzing recordings of poets both with and without musical accompaniment Applying the methodology of textual close reading to a critical close listening of American poetry's resonant soundscape Jones's analyses include exploring the formal innovation and queer performance of Langston Hughes's recorded collaboration with jazz musicians delineating the relationship between punctuation and performance in the post soul John Coltrane poem and closely examining jazz improvisation and hip hop stylization An elaborate articulation of the connections between jazz poetry and spoken word and gender *The Muse Is Music* offers valuable criticism of specific texts and performances and a convincing argument about the shape of jazz and African American poetic performance in the contemporary era
