## **Sound Of Distant Cheering:**

The Distant Drum F.E. Noakes, 2010-07-12 We waited in silence each man occupied with his own secret thoughts and no doubt wrestling with his own secret fears I think that half hour was probably the worst I have ever spent Slowly and inexorably the minutes passed second by second and the time approached which might be the end of everything for me All my efforts to screw up my courage all my fatalistic self assurances that what is to be will be became more and more useless and hope seemed to ooze away with every second Frederick Noakes 1917 Guardsman Frederick Noakes fought on the Western Front for the last 18 months of the Great War In 1934 he wanted to write up his adventures while his memory was still undimmed using the letters he wrote home during 1917 1919 as the basis for the memoir His eloquent text with his views on politics morale and the trenches moved friends to persuade Noakes to publish the work privately in 1952 Fen Noakes did not consider himself a hero but the dignity with which he conducted himself under the most dreadful conditions suggest otherwise His articulate and effective prose gives a voice to the average soldier in the trenches Professor Peter Simkins provides an introduction to this new edition which also includes a foreword by Carole Noakes niece of the author

In *Old Man Savarin and Other Stories* Edward William Thomson crafts a collection of rich narratives steeped in the quotidian experiences and intricate emotions of ordinary individuals. With a deft hand for character development and a sharp eye for detail, Thomson's prose navigates the complexities of human relationships, blending humor with poignant introspection. Set against a backdrop that captures the essence of late 19th century America, these stories reflect the societal dynamics and moral fabric of the time, ultimately illuminating the human condition through Thomson's signature blend of realism and subtle cynicism. Edward William Thomson, an astute observer of life and an accomplished journalist, harnessed his profound understanding of human nature to pen this collection. His experiences in various cultural landscapes, as well as his robust literary influences including the Transcendentalists and the Realists, are evident in the stories' thematic depth and stylistic choices. Thomson's own life, marked by moments of introspection and social critique, certainly informed his depiction of characters wrestling with their desires and disappointments. This collection is a must-read for those who appreciate the interplay of humor and melancholy in literature. Readers seeking an authentic portrayal of human experiences and the exploration of moral intricacies will find old friends in Thomson's characters, resonating with their trials and triumphs. *Old Man Savarin and Other Stories* serves as both an artistic exercise and a mirror reflecting society's timeless challenges.      St. George's Gazette ,1911      *Naval Forts* ,1870      **The Living Age** ,1901      Littell's Living Age ,1905      **London Letters and Some Others** George Washburn Smalley,1890      Liverpool Dixon Scott,1907      Leabhar Aitriseoireac̃ta Na NGaedeal Seán Ua Ceallaigh,1905      *Old Man Savarin Stories* Edward William Thomson,1917      **Fifty-two stories of duty and daring for boys, by G.A. Henty and other writers, ed. by A.H. Miles** Alfred Henry Miles,1897      When the Cheering Stopped Gene Smith,2016-10-04

The poignant true story of an American president struck by tragedy at the height of his glory. This New York Times bestseller vividly chronicles the stunning decline in Woodrow Wilson's fortunes after World War I and draws back the curtain on one of the strangest episodes in the history of the American presidency. Author Gene Smith brilliantly captures the drama and excitement of Wilson's efforts at the Paris Peace Conference to forge a lasting concord between enemies and his remarkable coast-to-coast tour to sway national opinion in favor of the League of Nations. During this grueling jaunt across 8 000 miles in less than a month, Wilson suffered a debilitating stroke that left him an invalid and a recluse, shrouding his final years in office in shadow and mystery. In graceful and dramatic prose, Smith portrays a White House mired in secrets, with a commander in chief kept behind closed doors, unseen by anyone except his doctor and his devoted second wife, Edith Galt Wilson, a woman of strong will with less than an elementary school education who, for all intents and purposes, led the government of the most powerful nation in the world for two years. *When the Cheering Stopped* is a gripping true story of duty, courage, and deceit, and an unforgettable portrait of a visionary leader whose valiant struggle and tragic fall changed the course of world history.      *The MX Book of New Sherlock Holmes Stories - Part VIII* David
