Sounds of the New Deal Peter Gough, 2015-02-28 At its peak the Federal Music Project FMP employed nearly 16 000 people who reached millions of Americans through performances composing teaching and folksong collection and transcription In *Sounds of the New Deal* Peter Gough explores how the FMP's activities in the West shaped a new national appreciation for the diversity of American musical expression From the onset administrators and artists debated whether to represent highbrow popular or folk music in FMP activities Though the administration privileged using good music to educate the public in the West local preferences regularly trumped national priorities and allowed diverse vernacular musics to be heard African American and Hispanic music found unprecedented popularity while the cultural mosaic illuminated by American folksong exemplified the spirit of the Popular Front movement These new musical expressions combined the radical sensibilities of an invigorated Left with

nationalistic impulses At the same time they blended traditional patriotic themes with an awareness of the country's varied ethnic musical heritage and vast but endangered store of grassroots music *Melody*, 1927 At Home in Our Sounds Rachel Anne Gillett, 2021-01-18 At Home in Our Sounds illustrates the effect jazz music had on the enormous social challenges Europe faced in the aftermath of World War I Examining the ways African American French Antillean and French West African artists reacted to the heightened visibility of racial difference in Paris during this era author Rachel Anne Gillett addresses fundamental cultural questions that continue to resonate today Could one be both black and French Was black solidarity more important than national and colonial identity How could French culture include the experiences and contributions of Africans and Antilleans Providing a well rounded view of black reactions to jazz in interwar Paris At Home in Our Sounds deals with artists from highly educated women like the Nardal sisters of Martinique to the working black musicians performing at all hours throughout the city In so doing the book places this phenomenon in its historical and political context and shows how music and music making constituted a vital terrain of cultural politics one that brought people together around pianos and on the dancefloor but that did not erase the political regional and national differences between them Bollywood Sounds Jayson Beaster-Jones, 2014-10-09 Bollywood Sounds focuses on the songs of Indian films in their historical social commercial and cinematic contexts Author Jayson Beaster-Jones takes readers through the highly collaborative compositional process highlighting the contributions of film directors music directors composers lyricists musicians and singers in song production Through close musical and multimedia analysis of more than twenty landmark compositions Bollywood Sounds illustrates how the producers of Indian film songs have long mediated a variety of musical styles instruments and performance practices to create a uniquely cosmopolitan music genre As an exploration of the music of seventy years of Hindi films Bollywood Sounds provides long term historical insights into film songs and their musical and cinematic conventions in ways that will appeal both to scholars and to newcomers to Indian cinema **Metronome**, 1928

Sounds from the Valley Christian Leonard, 2020-02-21 There is a frustration while researching and writing history The things one really wants to know about cannot usually be found Will Durant wrote thus in the *Story of Civilization* series Civilization is a stream with banks The stream is sometimes filled with blood from people killing stealing shouting and doing things historians usually record while on the banks unnoticed people build homes make love raise children sing songs write poetry whittle statues The story of civilization is the story of what happens on the banks You will find some interesting events in this history of the UC UTC band but you will not find everything You will not find the name of the first song the University of Chattanooga band played how Professor Blinn Owen felt about stepping down as the first dean of the department of music when it merged with the Cadek Conservatory or what the reaction of the crowd was when the band played a Spanish tune for the first time in the late sixties These are the kind of events and happenings that one would like to know especially for the early years of the university band This is not to be however Alas we will have to settle for what witnesses selected to tell us

for it is unlikely that they realized they were historians at the time they recorded it *Central Avenue Sounds* Clora Bryant, 1998 Here too are recollections of Hollywood's effects on local culture the precedent setting merger of the black and white musicians unions and the repercussions from the racism in the Los Angeles Police Department in the late 1940s and early 1950s *Jacob's Band Monthly*, 1929 **Becoming a One Person Band** Ronald J. Plachno, 2014-05-11 This book *Becoming a One Person Band* gives advice and tips on how to help a person to go from being a keyboard player or perhaps other musician to becoming a one person band of 4 or even as many as 16 instruments This approach does require a home recording studio and some information is provided in this book on possible approaches However there are of course many ways to do a home recording studio and so this book concentrates more on technique and how perhaps to determine what notes or chords to play What do you need A recording studio of course But also a desire to become your own one person band as a hobby or even more than a hobby And while a musician who only plays guitar or non keyboards may go a distance into becoming your own band keyboard background would be even more helpful What kind of keyboard background would a person need If a person has experience with piano organ or accordion or simply a modern day keyboard or keyboard controller and has one already that would be a great start Why the emphasis on keyboards Modern day midi systems or DAW Digital Audio Workstations often take their inputs from keyboards and with that can create many sounds and also sound effects Yes much can be done with guitars and perhaps just writing notes in for other parts but keyboard experience is a great help What talent is needed It would be hard for me to define that I never felt that I was anything special and yet I have accomplished a number of one person band songs with as many as 15 parts and also enjoyed doing it Of course if you have something of a music and band background and also some music theory background it is of course a big help I do wish you the very best in your music endeavor and hope that this book is at least a little helpful to you and your dreams or hobby Ron Plachno author *Bamako Sounds* Ryan Thomas Skinner, 2015-06-01 *Bamako Sounds* tells the story of an African city its people their values and their music Centered on the music and musicians of Bamako Mali's booming capital city this book reveals a community of artists whose lives and works evince a complex world shaped by urban culture postcolonialism musical expression religious identity and intellectual property Drawing on years of ethnographic research with classically trained players of the kora a twenty one string West African harp as well as more contemporary hip hop influenced musicians and producers Ryan Thomas Skinner analyzes how Bamako artists balance social imperatives with personal interests and global imaginations Whether performed live on stage broadcast on the radio or shared over the Internet music is a privileged mode of expression that suffuses Bamako's urban soundscape It animates professional projects communicates cultural values pronounces public piety resounds in the marketplace and quite literally performs the nation Music the artists who make it and the audiences who interpret it thus represent a crucial means of articulating and disseminating the ethics and aesthetics of a varied and vital Afropolitanism in Bamako and beyond *Nordic Sounds*, 2001 *Sounds of Reform* Derek

Vaillant,2004-07-21 Between 1873 and 1935 reformers in Chicago used the power of music to unify the diverse peoples of the metropolis These musical progressives emphasized the capacity of music to transcend differences among various groups Sounds of Reform looks at the history of efforts to propagate this vision and the resulting encounters between activists and ethnic immigrant and working class residents Musical progressives sponsored free concerts and music lessons at neighborhood parks and settlement houses organized music festivals and neighborhood dances and used the radio waves as part of an unprecedented effort to advance civic engagement European classical music ragtime jazz and popular American song all figured into the musical progressives mission For residents with ideas about music as a tool of self determination musical progressivism could be problematic as well as empowering The resulting struggles and negotiations between reformers and residents transformed the public culture of Chicago Through his innovative examination of the role of music in the history of progressivism Derek Vaillant offers a new perspective on the cultural politics of music and American society
