The Art of Making Wine Betty Sampson,1987 Grapes into Wine Philip M. Wagner,1976-06-12 As the first to write a basic book in English on winemaking from the winemaker's point of view Philip Wagner has long been considered an authority on the subject and his book *American Wines and Wine Making* has become a bible for small producers and home winemakers in this country Now in this completely new version of that classic Mr Wagner takes into account the many dramatic changes that in recent years have revolutionized the American wine scene With the knowledge that comes from his own experimentation Mr Wagner discusses the new successful hybrids that have now made it possible to grow wine producing grapes in far more areas of the United States than used to be considered feasible Once again he covers all the basic technical information including recent developments important to the small commercial winery and to the home producer from the choice of the right vines to the vintage itself the care of the new wines and finally the bottling of the wine red white and ros sparkling and sweet There is a new chapter on concentrates for the growing number of people who want to make wine but are not close to a source for suitable grapes or haven't the space to work with fresh materials Mr Wagner describes what concentrates are how they are made what the characteristics are of different types and what to expect There are specific instructions on procedure and on the necessary and unnecessary equipment In addition Philip Wagner's introductory chapters on the evolution of the wine grape on European winegrowing and on the contemporary scene throughout the United States provide an excellent guide for the consumer as does his concluding chapter on tasting and using wine Peppered throughout with a wealth of historical and anecdotal material as well as down to earth experience and full of the author's appreciation of wine and winemaking as a way of life this book is not only a useful guide but delightful and rewarding reading The Art of Making Wine and Liqueurs Betty Sampson,2002 Ideal for both beginners and those more experienced *The Art of Making Wine and Liqueurs* is a comprehensive guide with clear instructions and plenty of helpful diagrams and drawings Winemaker Betty Sampson describes the necessary equipment the basic principles and the ingredients tells you how to prepare and mature your wine and how to avoid the pitfalls and offers a marvelous array of recipes for flower fruit sparkling and dessert wines as well as liqueurs For those wishing to cultivate their own vineyard there's even a section on the growing care and use of grapes Remarks on the Art of Making Wine John Macculloch,1816

A Treatise on the Culture of the Vine, and the Art of Making Wine James Busby, 1825 *The Art of Making Wines from Fruits, Flowers and Herbs* William Graham, Roger Chambers, 2017-04-06 This special re print edition of William Graham s book *The Art of Making Wines From Fruits Flowers and Herbs* is a historical guide to making wine the old fashioned way Written in 1775 this classic text provides insight into how to wines of many types were made in 18th century England and is written in the language of the day Included are details on the brewing and distillation of many obscure historic wines including traditional wines made from grapes as well as other fruits such as the gooseberry raspberry elderberry strawberry peaches apricots figs mulberries and others as well as obscure wines made from turnips sage mint and other plants Also included are old fashioned methods of pickling and other means of preservation An interesting read for those interested in wine making and brewing Note This edition is a perfect facsimile of the original edition and is not set in a modern typeface As a result some type characters and images might suffer from slight imperfections or minor shadows in the page background *The Art of Wine-Making, in All Its Branches. To which is Added an Appendix Concerning Cider Perry* David BOOTH (Author of the Analytical Dictionary.), 1834
