Volume 2: Performing Arts Christopher Balme, Gordon Collier, 2013-12-06 During the same period in which Derek Walcott was pouring immense physical emotional and logistical resources into the foundation of a viable first rate West Indian theatre company and continuing to write his inimitable poetry he was also busy writing newspaper reviews chiefly for the Trinidad Guardian His prodigious reviewing activity extended far beyond those areas with which one might most readily associate his interests and convictions As Gordon Rohlehr once presciently observed If one wants to see a quotidian workaday Walcott one should go back to his well over five hundred articles essays and reviews on painting cinema calypso carnival drama and literature articles which reveal a rich various witty and scrupulous intelligence in which generous humour counterpoints acerbity These articles capture the vitality of Caribbean culture and shed additional

light on the aesthetic preoccupations expressed in Walcott's essays published in journals. The editors have examined the corpus of Walcott's journalistic activity from its beginnings in 1950 to its peak in the early 1970s and have made a generous selection of material from the Guardian along with occasional pieces from such sources as Public Opinion Kingston and The Voice of St Lucia. The articles in Volume 2 are organized as follows: the performing arts; general surveys of anglophone Caribbean drama, theatre and society; festivals; theatre companies and productions; British and American drama; dance and music; theatre; Carnival and calypso; and cinema screenings in Trinidad. Volume 2 additionally contains an exhaustive annotated and cross-referenced chronological bibliography of Walcott's journalism up to 1990. The co-editor Christopher Balme has written a searching introductory essay on a central theme here: a survey of West Indian theatre and Walcott's engagement with it, particularly the idea of a National Theatre coupled with an illustrative discussion of the playwright's seminal dramatic spectacle *Drums and Colours*. An English author on his first speaking tour in America is invited to spend a quiet and restful weekend at a new friend's little place on Long Island Sound. In what might be described as a comedy of bad manners, he finds himself the guest of curiosity at a large gathering of carousing theatrical and society people. Behavior he finds to be outrageous and lack of sleep every time he tries to retire; his bedroom seems to attract a gathering or an amorous drunk finally drive this mild-mannered guest over the edge. Originally written in 1947 after Coward suffered similar experiences on both sides of the Atlantic, the play gathered dust for over fifty years because its characters were too recognizable to have the play produced in their lifetimes. This version, edited for presentation at TACT, trims the original cast of 27 to 22 while preserving the exquisite flavor of Coward's razor-sharp comedy. **The Art of Contemporary English Culture** George H. Gilpin, 1991-08-12.
