## **The Art Of Seamus Heaney:**

**The Art of Seamus Heaney** Tony Curtis, 1985 A splendid collection of criticism and interpretation of the poetic corpus of the great contemporary Irish poet This edition adds new essays by four leading critics who address Heaney's most recent works Also included is the fascinating set of drafts of the poem *North* showing how the poem developed through several stages Annotation copyright by Book News Inc Portland OR *The Art of Seamus Heaney* Tony Curtis, 1999-09 *Seamus Heaney* Harold Bloom, 2009 Provides insight into seven of Heaney's works along with a short biography of the poet The Art of Translation in Seamus Heaney's Poetry Edward T. Duffy, 2024-03-13 The Art of Translation in Seamus Heaney's Poetry is a critical study of the poet's later work While exploring his practice as a translator it also traces his increasing preoccupation with the possibilities and conditions of translation in the theological sense of being lifted up in spirit To the work of this philosophical poet who would be both earthed and heady this book brings the insights of ordinary language philosophy as practiced by Stanley Cavell It devotes separate chapters to *Station Island* and three later collections *Seeing Things* *Electric Light* and *Human Chain* The first of these addresses the most fundamental change in Heaney's life when he acknowledges the need and chance to re-envision his Irish Catholic upbringing it is also replete with both the activity and the trope of translation Published seven years later *Seeing Things* begins with a translation of Virgil's golden bough episode and ends with a similar crossing over into the underworld by Dante Heaney transforms both into poems about poetry In *Electric Light* Heaney returns to Virgil but now he concentrates not on the hero of the *Aeneid* but on Virgil's earlier efforts in pastoral a mode of writing that Heaney takes as a model for his own time and place of devastated order Heaney returns to the *Aeneid* in *Human Chain* but this time around he gives all his attention to the scene of the human souls in Elysium seeking rebirth and turns it into an image for the need and chance of pronouncing a final Yes to our world and our place in it *The Pastoral Art of Seamus Heaney* Sidney Johnson Burris, 1986 Seamus Heaney and the Art of Translation Eugene O'Brien, Ian Hickey, 2025-12-22 Seamus Heaney and the Art of Translation is comprised of eleven essays that examine the Nobel prize winning poet's translations and that situates the works within a transnational perspective The essays focus on the broad and varied connections Heaney makes with writers from an Irish and European background The book contains close readings of the poet's associations and interest in exemplars such as Dante Virgil Baudelaire Blandina and N. Dhomhnaill to mention but a few Attention is also paid to broader areas of influence such as the Greek and Roman classics Anglo-Saxon Irish and Eastern European literature The volume addresses Heaney's poetry in translation as well as his dramatic works and prose writing This study is broad in its approach to Heaney's translations and offers new readings of these works from leading international scholars in the field Seamus Heaney Richard Rankin Russell, 2016 This study will enable readers to gain clearer understanding of the life and major works of Seamus Heaney It considers literary influences on Heaney ranging from English poets such as Wordsworth Hughes and Auden to Irish poets such as Kavanagh and Yeats to

world poets such as Virgil and Dante      *The Cambridge Companion to Old English Literature* Malcolm Godden, Michael Lapidge, 2013-05-02 This updated edition has been thoroughly revised to take account of recent scholarship and includes five new chapters      Poets of Modern Ireland Neil Corcoran, 1999 In *Poets of Modern Ireland* Text Context Intertext Neil Corcoran discusses the work of Seamus Heaney Derek Mahon Michael Longley Austin Clarke Padraic Fallon Louis MacNeice and Ciaran Carson constructing a critical account of the poets work and putting it in the context of the contemporary debate surrounding their work The contexts and intertexts Corcoran establishes for the study include the contentious debate between nationalist and revisionist criticism the relationship between Irish and American poetry the writing of place and its political significance the focus on sexuality and eroticism the persistence of religious impulse or theological content the Irish language and the pre occupation with forms of translation and the foregrounding of textuality which has affinities with and may be usefully interpreted in relation to some postmodern literary and cultural theory *Poets of Modern Ireland* is a major contribution to the critical reception of modern poetry and focuses upon the major issues of debate in poetry criticism in Great Britain Ireland and the United States      Remarks Made by Seamus Heaney at the Opening of the Exhibition by John Behan, Kennys Art Gallery Seamus Heaney, Kennys Bookshop & Art Galleries, 2001      **Modernism and the Celtic Revival** Gregory Castle, 2001-05-21 In *Modernism and the Celtic Revival* Gregory Castle examines the impact of anthropology on the work of Irish Revivalists such as W B Yeats John M Synge and James Joyce Castle argues that anthropology enabled Irish Revivalists to confront and combat British imperialism even as these Irish writers remained ambivalently dependent on the cultural and political discourses they sought to undermine Castle shows how Irish Modernists employed textual and rhetorical strategies first developed in anthropology to translate reassemble and edit oral and folk cultural material In doing so he claims they confronted and undermined inherited notions of identity which Ireland often a site of ethnographic curiosity throughout the nineteenth century had been subject to Drawing on a wide range of post colonial theory this book should be of interest to scholars in Irish studies post colonial studies and Modernism      This Strange Loneliness Peter Mackay, 2021-04-15 *This Strange Loneliness* is the first comprehensive account of the poetic relationship between Seamus Heaney and William Wordsworth Peter Mackay explores how Heaney repeatedly turns to the Romantic poet s work for inspiration corroboration and amplification and as a model for the fortifying power of poetry itself which offers the fundamental lesson that it is on this earth we find our happiness or not at all Through an in depth look at archival materials and at uncollected poems and prose by Heaney Mackay traces the evolution of Heaney s readings of Wordsworth throughout his career revealing their shared interest in the connections between poetry and education the possibility of a beneficial understanding of poetic influence the complexities of place and displacement ideas of transcendence and ultimately the importance of late style later poems by Wordsworth might prove a cautionary tale as well as example for any poet Placing Heaney s readings within their political historical and poetic contexts the book also explores how he negotiated the complex

relationship between Irish and British culture and identity to claim a persistent form of kinship and forge a strange community with the Romantic poet With illuminating readings that reveal new contexts to and currents in Heaney's work This Strange Loneliness is a powerful evocation of the Irish poet's sense of the uplift that poetry can provide *Religious Experience in Modern Poetry* Ewa Panacka, 2019-10-17 This study on religious experience in modern poetry features innovative and accessible close readings of some of the most beloved authors of English verse In today's seemingly secular age religion still remains a highly contested subject The selection of texts analysed here is representative of a wide spectrum of attitudes including a sharply critical refusal to acknowledge Christianity as the basis of civilization Some poets see national religion as a framework for cultural identity while others worship nature as the omnipotent Force of Life trying to create their own gods Rather than reducing poetry to a background for philosophical analysis or theological deliberation this book presents diverse modes of the poetic endeavor to capture and convey the divine The chapters provide a range of perspectives on individual experience rendered into poetry as a subtle relationship between faith perception and language The text will be of interest to anyone looking for new ways of reading poetry as a spiritual quest *Forgetful Remembrance* Guy Beiner, 2018-11-09 Forgetful Remembrance examines the paradoxes of what actually happens when communities persistently endeavour to forget inconvenient events The question of how a society attempts to obscure problematic historical episodes is addressed through a detailed case study grounded in the north eastern counties of the Irish province of Ulster where loyalist and unionist Protestants and in particular Presbyterians repeatedly tried to repress over two centuries discomfiting recollections of participation alongside Catholics in a republican rebellion in 1798 By exploring a rich variety of sources Beiner makes it possible to closely follow the dynamics of social forgetting His particular focus on vernacular historiography rarely noted in official histories reveals the tensions between professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance which were masked by a local culture of reticence and silencing Throughout Forgetful Remembrance comparative references demonstrate the wider relevance of the study of social forgetting in Northern Ireland to numerous other cases where troublesome memories have been concealed behind a veil of supposed oblivion **Geographical Imaginations** Indranil Acharya, Ujjwal Kumar Panda, 2022 The book is aimed at providing a short introduction to the divergent ways in which space and place evince themselves in literature With suitable illustrations from some very well known canonical texts the book offers a brief survey of the possible ways of looking at the seemingly impossible relationship between Literature and Geography Translating Myth Ben Pestell, Pietra Palazzolo, Leon Burnett, 2016-05-20 Ever since Odysseus heard tales of his own exploits being retold among strangers audiences and readers have been alive to the complications and questions arising from the translation of myth How are myths taken and carried over into new languages new civilizations or new media An international group of scholars is gathered in this volume to present diverse but connected case studies which address the artistic and political implications of

the changing condition of myth this most primal and malleable of forms Translation is treated broadly to encompass not only literary translation but also the transfer of myth across cultures and epochs In an age when the spiritual world is in crisis Translating Myth constitutes a timely exploration of myth s endurance and represents a consolidation of the status of myth studies as a discipline in its own right The Oxford Handbook of Contemporary British and Irish Poetry Peter Robinson,2013-09-26 This Handbook offers an authoritative and up to date collection of original essays bringing together ground breaking research into the development of contemporary poetry in Britain and Ireland **Sympathetic Ink** Shane Alcobia-Murphy,2006-01-01 Northern Irish poets have been notably reticent when addressing political issues in their work In Sympathetic Ink Shane Alcobia Murphy traces that tendency through the works of Seamus Heaney Paul Muldoon and Medbh McGuckian Using collections of the poets papers made only recently available Alcobia Murphy focuses on the oblique subtle strategies they apply to critique contemporary political issues He employs the concept of sympathetic ink or invisible ink arguing that rather than avoiding politics these poets have via complex intertextual references and resonances woven them deeply into the formal construction of their works Acute and learned Sympathetic Ink will serve as a perfect introduction to these crucial figures of Irish poetry **Ted Hughes: From Cambridge to Collected** M. Wormald,N.
