The Art of the Vatican Mary Lee Grisanti,1983 Photographs and color plates show paintings sculptures and architecture from the Vatican s collection of masterpieces **High Renaissance Art in St. Peter's and the Vatican** George L. Hersey,1993-07 Michelangelo Raphael Bramante together these artists created some of the most glorious treasures of the Vatican viewed daily by thousands of tourists But how many visitors understand the way these artworks reflect the passions dreams and struggles of the popes who commissioned them For anyone making an artistic pilgrimage to the High Renaissance splendors of the Vatican George L Hersey s book is the ideal guide Before starting the tour of individual works Hersey describes how the treacherously shifting political and religious alliances of sixteenth century Italy France and Spain played themselves out in the Eternal City He offers vivid accounts of the lives and personalities of four popes each a great patron of art and architecture Julius II Leo X Clement VII and Paul III He also tells of the complicated rebuilding and expanding of St Peter s a project in which Bramante Raphael and Michelangelo all took part Having set the historical scene Hersey then explores the Vatican s magnificent Renaissance art and architecture In separate chapters organized spatially he leads the reader through the Cortile del Belvedere and Vatican Museums with their impressive holdings of statuary and paintings the richly decorated Stanze and Logge of Raphael and Michelangelo s Last Judgment and newly cleaned Sistine Chapel ceiling A fascinating final chapter entitled The Tragedy of the Tomb recounts the vicissitudes of Michelangelo s projected funeral monument to Julius II Hersey is never content to simply identify the subject of a painting or sculpture He gives us the story behind the works telling us what their particular themes signified at the time for the artist the papacy and the Church He also indicates how the art was received by contemporaries and viewed by later generations Generously illustrated and complete with a useful chronology *High Renaissance Art in St Peter s and the Vatican* is a valuable reference for any traveler to Rome or lover of Italian art who has yearned for a single volume work more informative and stimulating than ordinary guidebooks At the same time Hersey s many anecdotes and intriguing comparisons with works outside the Vatican will provide new insights even for specialists *The Art of the Vatican* Mary Knight Potter,1902 The Art of the Vatican Mary Knight Potter,2014-03-16 Hardcover reprint of the original 1903 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Potter Mary Knight *The Art Of The Vatican A Brief History Of The Palace And An Account Of The Principal Works Of Art Within Its Walls* Indiana Repressed Publishing LLC 2012 Original Publishing Potter Mary Knight *The Art Of The Vatican A Brief History Of The Palace And An Account Of The Principal Works Of Art Within Its Walls* London G Bell 1903 Subject Vatican Museo Vaticano **The Art of the Vatican** Mary Knight Potter,2015-09-02 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work

The Art of the Vatican Mary Knight Potter, 2016-07-04 Excerpt from *The Art of the Vatican Being a Brief History of the Palace and an Account of the Principal Art Treasures Within Its Walls* The same reasoning applies to the actual paintings and sculptures described in each gallery or chapel It has been thought better to devote as much consideration as possible to the most noted of the works rather than to speak more briefly of many In this way it is hoped that the book may be valuable both for travellers who wish to have something more than mere guide book information of the great treasures of Rome and for the amateur who has not sufficient time or desire to consult the many original works necessary for a thorough art training About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
