Women Writing the American Artist in Novels of Development from 1850-1932 Rickie-Ann Legleitner, 2021-05-06 In nineteenth and early twentieth century artist novels American women writers challenge cultural social and legal systems that attempt to limit or diminish women s embodied capabilities outside of the domestic Women writers such as E D E N Southworth Elizabeth Stuart Phelps Kate Chopin Willa Cather Jessie Fauset and Zelda Fitzgerald use the artist novel to highlight the structural and material limitations that women artists face when attempting to achieve critical success while navigating inequitable marriages and social codes that restrict women s mobility education and pursuit of vocation These artist rebel protagonists find that their very bodies demand an outlet to articulate desires that defy patriarchal rhetoric and this demand becomes an artistic drive to express an embodied knowledge through artistic invention Ultimately these women writers empower their heroines to move beyond prescribed patriarchal identities in order to achieve autonomous subjectivity through their artistic development challenging stereotypes surrounding gender race and ability and beginning to reshape cultural notions of marriage motherhood and artistry at the turn of the twentieth century

Ophelia's Muse Rita Cameron, 2015-10-01 I ll never want to draw anyone else but you You are my muse Without you there is no art in me With her pale luminous skin and cloud of copper colored hair nineteen year old Lizzie Siddal looks nothing like the rosy cheeked ideal

of Victorian beauty Working in a London milliner's shop Lizzie stitches elegant bonnets destined for wealthier young women until a chance meeting brings her to the attention of painter and poet Dante Gabriel Rossetti Enchanted both by her ethereal appearance and her artistic ambitions quite out of place for a shop girl Rossetti draws her into his glittering world of salons and bohemian soirees Lizzie begins to sit for some of the most celebrated members of the Pre Raphaelite Brotherhood posing for John Everett Millais as Shakespeare's Ophelia for William Holman Hunt and especially for Rossetti who immortalizes her in countless paintings as his namesake's beloved Beatrice The passionate visions Rossetti creates on canvas are echoed in their intense affair But while Lizzie strives to establish herself as a painter and poet in her own right betrayal illness and addiction leave her struggling to save her marriage and her sense of self Rita Cameron weaves historical figures and vivid details into a complex unconventional love story giving voice to one of the most influential yet overlooked figures of a fascinating era a woman who is both artist and inspiration long gazed upon but until now never fully seen An excerpt from Ophelia's Muse Rossetti stood behind the canvas pretending to study Deverell's painting while he admired its model Despite Deverell's enthusiastic descriptions Rossetti was completely unprepared for the glorious woman before him She seemed to be from another age as if she had sprung to life from an antique painting of an Italian saint Seated before the window her hair cast a slight golden glow in the afternoon sun like a halo She could not have been more perfect if he had sculpted her from marble with his own hands Deverell claimed that he had found the perfect Viola but this girl was far too beautiful to pose as some love sick page She was clearly meant to sit for the great heroines of history and myth and Rossetti vowed to paint her as a queen Miss Siddal has anyone ever told you that you were surely crafted by the gods in order to be painted If you don't believe that yours is a beauty for the ages you underestimate yourself The force of his words struck Lizzie and she wondered if he was serious and if it could be true Was this the thing that she had always been waiting for Was she really meant to inspire great artists Her head buzzed with the possibility but the very allure of the idea felt dangerous *Story*

Pearson's Magazine, 1902 **The Subversion of Romance in the Novels of Barbara Pym** Ellen M. Tsagaris, 1998 Points out how British novelist Pym 1913-80 parodied the conventions of romance novels by deflating characters hyperbole and exaggeration or emphasizing meticulously the mundane elements of everyday life Shows how she used food clothes heroin and hero characterizations and marriage customs to portray her characters and perhaps her own skepticism about the whole business Paper edition 764 0 18 95 Annotation copyrighted by Book News Inc Portland OR *Germaine de Staël, George Sand, and the Victorian Woman Artist* Linda M.
