The Ascension Names And Terms Glossary:

The Ascension Names and Terms Glossary Joshua David Stone, Sarayon Michael White, 2001-06-12 The Ascension Names and Terms Glossary is the only comprehensive Ascension Glossary that has been written at this time on the planet. The Ascension Movement and Ascended Masters Teachings are one of the biggest and fastest Spiritual Movements on this planet. The challenge is that for new intermediate and even advanced Masters and students there are an enormous number of terms and Masters to be defined and understood. For the first time in this easy to understand book this has been done. This is one of the few Glossaries on this planet that you can just pick up and read any place in the book and it will accelerate your Initiation and Ascension path enormously. This book is literally a must reading for all people on a Spiritual Path or Path of Initiation and Ascension.

The Universal Laws of God Joshua Stone, 2002-01-24 Everything in God's infinite universe is governed by laws. These laws apply on a Spiritual, Mental, Emotional, and Physical/Earthly level. By understanding these laws they can be invoked to speed up our Spiritual evolution literally a thousand times faster than would normally occur. Within this book you will find some of the most profound principles of life which if followed will save you lifetimes worth of effort and will give you results that will boggle your mind and completely transform and resurrect your consciousness. Practicing the Universal Laws of God as outlined within these pages in a very easy to understand and practical manner with some of the most profound wisdom quotes of the Masters of old will take you to the Promised Land and allow you to not only dream but also to live the impossible dream. Heed the wisdom that is being revealed to you. It's worth its weight in gold.
