## **The Ascension Of The Dead:**

**Did Jesus Rise from the Dead?** Matthew Levering, 2019-02-07 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

The Fate of the Dead Richard Bauckham, 2014-04-09 These studies focus on personal eschatology in the Jewish and early Christian apocalypses The apocalyptic tradition from its Jewish origins until the early middle ages is studied as a continuous literary tradition in which both continuity of motifs and important changes in understanding of life after death can be charted As well as better known apocalypses major and often pioneering attention is given to those neglected apocalypses which portray human destiny after death in detail such as the Apocalypse of Peter the Apocalypse of the Seven Heavens the later apocalypses of Ezra and the four apocalypses of the Virgin Mary Relationships with Greco Roman eschatology are explored Several chapters show how specific New Testament texts are illuminated by close knowledge of this tradition of ideas and images of the hereafter

**Dead Soul Syndrome** Jay Altieri, 2010-08-01 Most Evangelical Christians only know and thoroughly believe the traditional doctrine of eternal torment in Hell for the lost and eternal bliss in Heaven for the saved As a result they neglect scores of Bible verses with that provide an alternative teaching This book veers from some long held assumptions while reinforcing others as it humbly attempts to discover the truth of what the Bible teaches about the hereafter Written for the serious layman scripturally founded clergy and open minded scholar Dead Soul Syndrome provides wisdom and thought provoking insight for those interested in thinking anew about heaven and hell

**"He Descended to the Dead"** Matthew Y. Emerson, 2019-12-24 The descent of Jesus Christ to the dead has been a fundamental tenet of the Christian faith as indicated by its inclusion in both the Apostles and Athanasian Creeds But it has also been the subject of suspicion and scrutiny especially from evangelicals Led by the mystery and wonder of Holy Saturday Matthew Emerson offers an exploration of the biblical historical theological and practical implications of the descent

**"But God Raised Him from the Dead"** Kevin Anderson, 2007-02-01 But God Raised Him from the Dead is the first comprehensive study of Jesus resurrection in Luke Acts Through wide sweeping research and detailed exegesis Dr Anderson supports the claim that the resurrection of Jesus is the focus of the message of salvation in Luke Acts The study situates Luke's resurrection theology within Jewish and Hellenistic conceptions of the afterlife and addresses critical questions in Lukan studies such as the relationship between resurrection ascension and exaltation and the vital linkage between Jesus resurrection the hope of Israel and the final resurrection of the dead But God Raised Him from the Dead demonstrates how the resurrection of Messiah Jesus is indispensable to the major theological dimensions of Luke's narrative of God's saving action Jesus resurrection is a key component in the divine plan to raise up the Savior for Israel to extend God's saving benefits to the ends of the earth and to guarantee the complete fulfillment of the hope of Israel and salvation of the people of God at the final resurrection of the dead

*Did Jesus Really Rise from the Dead?* Carl Olson, 2016-04-11 Major feature films such The Passion of the Christ and Risen and books such as Bill O'Reilly's Killing Jesus raise many questions about one of the greatest controversies in history what really happened to the crucified body of Jesus of Nazareth Using a popular question and answer format this book examines the historical evidence concerning the fate of Jesus Did Jesus really die on the cross If so what became of his body Was it stolen Misplaced Is the resurrection a cleverly devised plot to found a new religion Did the disciples of Jesus hallucinate Is the Resurrection of Jesus a myth developed decades later after the original disciples experience of Jesus was distorted by a subsequent generation Or did Jesus rise from the dead as he promised and as his disciples came to believe and sacrifice their lives to proclaim Carl Olson carefully weighs the evidence with in depth analysis

Whether you are a believer a skeptic or something in between be prepared to have your thinking challenged by this provocative and insightful book *The Dead Sea Scrolls In Context (2 vols)* Armin Lange, Emanuel Tov, Matthias Weigold, 2011-09-09 The Dead Sea Scrolls enrich many areas of biblical research as well as the study of ancient and rabbinic Judasim early Christian and other ancient literatures languages and cultures With nearly all Dead Sea Scrolls published it is now time to integrate the Dead Sea Scrolls fully into the various disciplines that benefit from them This two volume collection of essays answers this need It represents the proceedings of a conference jointly organized by the Hebrew University of Jerusalem and the University of Vienna in Vienna on February 11 14 2008 Waking the Dead John Eldredge, 2006-11-12 Wild at Heart helped men get their hearts back Waking the Dead will help us all find the life Christ promised Jesus said I have come that they may have life and have it to the full That s the offer of Christianity from God himself Just look at what happens when people are touched by Jesus the blind see the lame walk the deaf hear the dead are raised to life In other words to be touched by God is to be restored To become all God meant you to be That is what Christianity is supposed to do for you make you whole set you free bring you fully alive But Jesus also warned that the path to that life is narrow and few people would find it You ll notice few have Waking the Dead will help you find that life see the fierce battle over your heart and embrace all that God has for you There is so much more Do you want it Praise for Waking the Dead John s words have empowered and encouraged me I am so grateful that my heart is awake and alive and I even as a tender deeply feminine woman am fierce and capable of great things of being a vital part of the advancement of the kingdom And that alone is what my heart is after Jenny from Columbia SC I have been half alive for too long now I m awake and alive again clarity is what I needed I feel like I just got drenched with cool water on a very hot day Chris from Colorado Springs CO It s one thing to want a deeper connection with God it s a whole different level to realize that my heart is the treasure of God This is a book of incredible wealth Tim from San Luis Obispo CA **The Fate of the Dead in Early Third Century North African Christianity** Eliezer Gonzalez, 2014-02-24 The ideology and imagery in the Passion of Perpetua are mediated heavily by traditional Graeco Roman culture in particular by traditional notions of the afterlife and of the ascent of the soul This context for understanding the Passion of Perpetua aligns well with the available material evidence and with the writings of Tertullian with whose ideology the text of Perpetua is in an implicit polemical dialogue Eliezer Gonzalez analyzes how the Passion of Perpetua provides us with early literary evidence of an environment in which the Graeco Roman and Christian cults of the dead including the cults of the martyrs and saints appear to be very much aligned He also shows that the text of the Passion of Perpetua and the writings of Tertullian provide insights into an early stage in the polemic between these two conceptualisations of the afterlife of the righteous *Renewal Theology* J. Rodman Williams, 2011-05-03 *Renewal Theology* deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes *Renewal Theology* represents the first exhaustive balanced articulation of charismatic theology *Renewal Theology*

discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God **Resurrection of the Dead** Steven Nur Ahmed,2023-01-23 This book identifies the divine source of both spiritual insight and foresight for each of us who journey along the worldly path of trials and tribulations Indeed from conception it is a hazardous journey but it is indeed a necessary journey for us to reach our ultimate spiritual goal *The Ascension of Jesus Christ into Heaven: the Hidden Context* Ezzat Hegazi,2020-12-06 A single statement in Luke s Gospel opens an obscure gate to a galactically different view of exactly what happened to Jesus Christ at the end of his time on Earth Contrary to our common understanding Jesus s ascension into heaven happens to be the ultimate proof of his messiahship so much so it made his enemies race against time to prevent it from being fulfilled at any cost The real significance of Jesus s ascension was never made clear in the canonical gospels for it stood stubbornly against the very teachings of the Pauline Church This book takes you on a short journey to see how Jesus s ascension was the exact antithesis of the belief about his rising from the dead and to hear about the story of Jesus Christ as it was most likely told by the earliest Judeo Christians It will also bring to light the real reason behind the persecution of the early Judeo Christians culminating with the murder of James the Righteous it has everything to do with the early Judeo Christians steadfast belief in Jesus s ascension into heaven against what was being publicized about Jesus
