The Atahualpa:

Annual Report of the Hawaiian Historical Society Hawaiian Historical Society, 1927 Many of the reports include papers *Hawai'i's Russian Adventure* Peter R. Mills, 2002-02-28 In the early 1800s thousands of American and European traders arrived in Hawai i to lay in supplies for the long trip east or to take on Hawaiian sandalwood which commanded a high price in China In response to this developing global economy in the Pacific Russia expanded its trading outposts as far as western Kaua i and together with Kaua i chiefs began planning the construction of Fort Elisabeth in Waimea in 1816 A year later the structure was abandoned by the Russians but as Peter Mills argues convincingly a long and significant history of the fort remains to be told even after its Russian one had ended Seeking to redress the imbalance that exists between the colonized and the colonizers in Pacific historiography Mills examines the fort and its place in the history of Kaua i under paramount chief Kaumuali i and in relation to the expanding kingdom of Kamehameha and his successors His work exposes how Hawaiians have been ignored in their own history and challenges commonly held assumptions such as Kamehameha s unification of the Islands in 1810 and the victimization of Kaumuali i by representatives of the Russian American Company Using hundreds of firsthand accounts in combination with field archaeology Mills shows that the fort was originally built and used by Hawaiians as a heiau ritual temple After the Russians departure Hawaiians continued to use the fort but in ways that reflected an ongoing transformation of cultural values provoked by contact with outsiders and the development of multiethnic communities in Waimea and other port settlements throughout the Hawaiian chain Hawai i s *Russian Adventure* is an original look at a significant chapter in the history of Hawai i It overturns many popular myths and perceptions about the fort at Waimea and about European and Hawaiian interaction in the first half of the nineteenth century while delving into some of the central issues in historical anthropology colonialism and the development of global networks **History of the northwest coast. 1884-86** Hubert Howe Bancroft, 1884 **History of the Northwest Coast: 1543-1800** Hubert Howe Bancroft, 1884 **Washington Historical Quarterly** , 1920 Most Scandalous Woman Myrna Ivonne Wallace Fuentes, 2017-10-28 In 1926 a young Peruvian woman picked up a gun wrested her infant daughter from her husband and liberated herself from the constraints of a patriarchal society Magda Portal a poet and journalist would become one of Latin America s most successful and controversial politicians In this richly nuanced portrayal of Portal historian Myrna Ivonne Wallace Fuentes chronicles the dramatic rise and fall of this prominent twentieth century revolutionary within the broader history of leftist movements gender politics and literary modernism in Latin America An early member of bohemian circles in Lima La Paz and Mexico City Portal distinguished herself as the sole female founder of the American Popular Revolutionary Alliance APRA A leftist but non Communist movement APRA would dominate Peru s politics for five decades Through close analysis of primary sources including Portal s own poetry correspondence and other writings *Most Scandalous Woman* illuminates Portal s pivotal work in creating and leading APRA during its first twenty years as well as her efforts to mobilize

women as active participants in political and social change Despite her successes Portal broke with APRA in 1950 under bitter circumstances Wallace Fuentes analyzes how sexism in politics interfered with Portal's political ambitions explores her relationships with family members and male peers and discusses the ramifications of her scandalous love life In charting the complex trajectory of Portal's life and career Most Scandalous Woman reveals what moves people to become revolutionaries and the gendered limitations of their revolutionary alliances in an engrossing narrative that brings to life Latin American revolutionary politics

Raquel Chang-Rodríguez,1999 Hidden Messages Representation and Resistance in Andean Colonial Drama is a study that takes into account Andean cultural diversity in four works of Peruvian theater written in Quechua and Spanish In examining these plays Chang Rodriguez considers the density of the different traditions that have marked these works the complexity and variability of their messages in relation to their heterogeneous spectators readers and listeners and how the colonial playwright reworked the original European models With a critical eye the author analyzes texts and images of the period to uncover hidden messages resulting from the uniqueness of colonial situations and the interplay of dissimilar traditions
