The Athenian Agora A Guide To The Excavation And Museum:

The Athenian Agora Homer A. Thompson, John Camp, 1990-12-01 In 2006 it will be 75 years since excavations by the American School of Classical Studies at Athens started in the ancient Agora Almost every year since 1931 new areas of the ancient civic center have been cleared and exciting discoveries made and this book presents the latest detailed account of the monuments and artifacts that can be seen on a visit to the site After a short introduction to the history of the Agora each monument is described in turn Famous buildings like the Tholos or Stoa of Attalos are discussed in detail but also lesser known areas passed over by other books are revealed Plans and color illustrations help locate the reader while a large fold out map at the back of the book distinguishes the different chronological phases of the Agora For the first time this map also shows discoveries made in the last few years at the northern edge of the site A final section presents a guide to the museum substantially reorganized in preparation for the 2004 Olympic Games Written by the director of the Agora excavations for over a decade this book presents the most detailed and up to date coverage available of the birthplace of democracy It will be invaluable for any visitor to or student of the site *The Athenian Agora* American School of Classical Studies at Athens, 1962

The Athenian Agora John McK. Camp II, Craig Mauzy, 2010-02-28 This definitive guide to the archaeological remains in the civic and commercial center of ancient Athens is an essential companion to the interested visitor as well as to students of the topography of the classical city A large scale map provides an overview of the site keyed to descriptions and plans of every monument still visible from the majestic Temple of Hephaistos to the utilitarian Great Drain The fifth edition retains many of the elements that made the earlier editions so popular but also takes full account of new discoveries and recent scholarship It is intended for visitors touring the site and is arranged topographically monument by monument Also included are an overview of the historical development of the site and a history of the excavations A companion guide to the Agora Museum in the Stoa of Attalos is also available *The Athenian Agora Museum Guide* by Laura Gawlinski 2014 *The Athenian Agora* American School of Classical Studies at Athens, 1962
