The Atoning Death Of Christ Foundations For Faith:

The Atoning Death of Christ Ronald Wallace, 1997-08-29 A new series which clearly explains the basic doctrines of the Christian faith as presented in the Bible as formulated by the Church over the course of history and as interpreted by leading modern theologians The authors combine an expert knowledge of their subject with practical experience of teaching theology

The Atoning Death of Christ Ronald S. Wallace, 1981 Symposium on the Atonement (JCR Vol. 08 No. 02) Douglas Kelly, Kenneth L. Gentry Jr., Ian Hodge, Bill Kellogg, Caroline Kelly, John A. Nelson, Tommy W. Rogers, R. J. Rushdoony, William Still, Cornelius Van Til, Magnus Verbrugge, M.D., The infinitely precious sacrifice of the Son of God is accomplishing all of the purposes for which it was offered The death of the Lord Jesus Christ was not in vain In conjunction with the resurrection it is the most effectual thing that ever happened in space time history **The Atonement** Jonathan Edwards, John

Smalley, Jonathan Maxcy, Nathanael Emmons, Edward Dorr Griffin, Caleb Burge, 1859 Richard Hooker and his Early Doctrine of Justification Corneliu C. Simut, 2019-10-01 Richard Hooker and his Early Doctrine of Justification explores the doctrine of justification the doctrine of faith and grace and the doctrine of Scripture and use of reason in the early theology of Richard Hooker In order to prove that Hooker was a Protestant Reformed theologian Simu concentrates on Hooker s doctrine of justification as reflected in his Learned Discourse of Justification which is the most important work of his early theology Unlike previous books on Hooker which use primarily the theology of Luther and Calvin to draw conclusions this book brings together quotations and ideas from the works of Luther Melancthon Zwingli Bucer Calvin and Beza to show that Hooker was a Protestant Reformed theologian Simu also discusses the theological context of Hooker s career by offering an analysis of the doctrine of justification in the theology of John Jewel John Whitgift Hooker s patrons and Thomas Cartwright and Walter Travers Hooker s Puritan opponents **The Atonement**, 1863 The Doctrine of Salvation in the Sermons of

Richard Hooker Corneliu C. Simut, 2012-02-14 This specialist work in historical theology deals with the doctrine of salvation in the early theology of Richard Hooker 1554 1600 from the perspective of the concept of faith and with Hooker s connections to the early English Reformers W Tyndale J Frith R Barnes T Cranmer J Bradford and J Foxe in crucial teachings such as justification sanctification glorification election reprobation the sovereignty of God and salvation of Catholics The study proves that Hooker s theology is firstly Protestant to counter the views which picture it as Catholic and secondly Calvinist *The Extent of the Atonement* David L. Allen, 2016-06-01 The extent of Christ s atoning work on the cross is one

of the most divisive issues in evangelical Christianity In *The Extent of the Atonement* A Historical and Critical Review David L Allen makes a biblical historical theological and practical case for a universal atonement Through a comprehensive historical survey Allen contends that universal atonement has always been the majority view of Christians and that even among Calvinist theologians there is a considerable range of views Marshalling evidence from Scripture and history and critiquing arguments for a limited atonement Allen affirms that an unlimited atonement is the best understanding of Christ s saving

work He concludes by showing that an unlimited atonement provides the best foundation for evangelism missions and preaching

A Theology for the Bildungsbürgertum Leif Svensson, 2020-04-06 This book provides a new approach to Albrecht Ritschl's theology Leif Svensson argues that Ritschl's theological project must be related to three cultural developments historical criticism materialism and anti Lutheran polemics and understood in the context of the de Christianization of the Bildungsbürgertum in nineteenth century Germany Albrecht Ritschl remains the great unknown of nineteenth century theology In this important study Leif Svensson sheds new light on Ritschl's thought by relating it to contemporaneous social and cultural developments Rooted in deep familiarity with German intellectual life of the time the book convincingly illustrates the value of a history of theology that is mindful of its various contexts Johannes Zachhuber University of Oxford I confess I was hesitant to blurb a book on Ritschl but then I read it Svensson's well researched presentation of Ritschl's thought is compelling and forceful I highly recommend this book Stanley Hauerwas Duke Divinity School Svensson's work ably places Ritschl's contribution to theology in the broader context of the intellectual and cultural history of the nineteenth century Students of Protestant theology and thought and all interested in the complex relationship between Christian theology and modernity will learn something of value from this important study Thomas Albert Howard Valparaiso University

The Foundation of St. Paul's Religion John Gresham Machen, 2020-12-17 The Origin of Paul's Religion is intended to deal from one particular point of view with the problem of the origin of Christianity It is an important historical problem not only because of the large place which Christianity has occupied in the medieval and modern world but also because of certain unique features which even the most unsympathetic and superficial examination must detect in the beginnings of the Christian movement The problem of the origin of Christianity is also an important practical problem Rightly or wrongly Christian experience has ordinarily been connected with one particular view of the origin of the Christian movement where that view has been abandoned the experience has ceased

The Spirit of Atonement Steven M. Studebaker, 2021-01-14 Steven M Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their

Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological and subjective pneumatological categories

Tingling BBA MDiv ThD,2021-10-12 Firmly grounded in scripture The Grand Substitution by author Dr Glenn R Tingling provides an explanation of Second Corinthians 5 21 God made his son to be the sacrificial offering for sin so he could justly

pardon and remove humanity's sin and in its place impute his righteousness to them. Consequently, believers in Christ stand in Christ's righteousness, the requirement for eternal life and heaven. *The Grand Substitution*, a follow-up book to *The Imputation Triangle*, delivers detailed descriptions and definitions in answering the questions: What is sin? What is the sin nature? How does it behave? How to control it? And who is a sinner? Explains the three types of righteousness: human, practical, righteousness, self-righteousness, and imputed righteousness. Addresses characteristics and roles of the three agents involved in the substitution transaction: sinful humanity, Christ the mediator, and an offended holy God, and provides from scripture a road map to obtaining assurance of salvation for believers in Christ. Tingling blends a wealth of experience of more than sixty years as a practicing and serving Christian with a strong background in business and academic and theological education to offer an insightful, challenging, inspiring, and practical discussion for those who seek a deeper understanding of salvation.
