The Attributes of God Volume 1 A. W. Tozer, David E. Fessenden, 2007 Often quoted by Chuck Swindoll Charles Stanley Billy Graham and other great preachers A W Tozer s words are being heard and read by millions today words like Origin is a creature word All things have an origin But when you come back to God you come back to the One who has not origin He is the Cause of all things the uncaused Cause God is Transcendent You ll never find Him on your own He is far away in one sense but in another He is as near as your heartbeat for the cross has bridged the gulf If there is anything God could learn it would mean that God didn t know it before If he didn t know it before then He didn t know everything He wouldn t be perfect and if He isn t perfect then He isn t God The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto ON Whether spoken or written Tozer s words were designed to promote personal heart religion among God s people

The Attributes of God Journal A. W. Tozer, 1997-04 A companion to *The Attributes of God* The *Attributes of God Journal* is more than a text with room to write It is a call to commune with God a worship manual and a worship opportunity merged into one Padded Cloth

Experience the Presence of God Fred M. Jensen, 2009-04 Whatever happened to the presence of God in the American church The church has settled for the status quo rather than the supernatural God s Church is dealing with considerable spiritual lethargy and superciliousness Man has been doing church his way long enough and now it is time that the Holy Spirit be the administrator and director of His church God has the perfect plan for His house The author presents an urgent and no compromise appeal for a return to the manifested presence of God The author also gives the diagnosis and prescriptive treatment for the spiritual decline of the church This book introduces Biblical principles and not man s strategies
