the world Along the way he created fortunes for many others but trampled on friend and foe alike in his relentless pursuit of money Then the man who amassed the largest fortune in the world proceeded to give most of it away From free libraries to world peace the Carnegie millions were pumped into a host of worthy causes The Peace Palace at the Hague is the lasting legacy of this global philanthropy but Carnegie s faith in the Kaiser to achieve world peace was shattered by the outbreak of the First World War and it was a setback from which he never recovered This candid and penetrating biography follows Carnegie from his humble birthplace in Dunfermline to the squalor of Allegheny City and Pittsburgh in the 1840s and charts his dramatic rise to fame and fortune Set against the contrasting backdrops of radical Scotland and America during the most turbulent phase of its development Little Boss is the definitive story of one of the world s greatest captains of industry
