The Authority Of The Bible:

The Authority of the Bible Charles Harold Dodd, 1938 **The Authority of the Bible** John Stott, 1974-03-01 John R W Stott explains why the Old and New Testaments still form the authoritative basis for Christian faith and practice **And God Spoke** Christopher Bryan, 2002-04-25 His reflections on some of the ways we might answer these questions in the church today became the twelve short chapters of this book Here scripture scholar and Anglican priest Christopher Bryan looks at the nature of the Bible's authority and inspiration and how the Bible can inform our decision making today He explores common questions about scripture such as What do we mean when we say that the scriptures are revelatory that they are inspired that they are the Word of God How do we define the Bible's authority for the past and the future What does a church that takes the Bible's authority seriously actually look like How does it read study and pray with the Bible And God Spoke offers essential guidelines for everyone who wonders about the authority of the Bible and who wants to read it with attentiveness and understanding *People of the Book* John Barton, 2012-05-04 Major new edition of a modern classic fully revised and expanded Contains a substantial new chapter on The Bible in Practice John Barton is one of the world's most influential and widely respected biblical scholars and questions about biblical authority and inspiration are as topical and controversial as ever *The Authority and Interpretation of the Bible* Jack Rogers, Donald K. McKim, 1999-02-05 This book is a detailed and comprehensive study of attitudes toward biblical authority and interpretation held from the beginnings of the Christian era to the present day In clear and readable fashion the authors examine the writings of early church fathers the medieval exegetes and the leaders of the Protestant Reformation to locate the source of and refute the position of inerrancy And God Spoke Christopher Bryan, 2002-04-25 His reflections on some of the ways we might answer these questions in the church today became the twelve short chapters of this book Here scripture scholar and Anglican priest Christopher Bryan looks at the nature of the Bible's authority and inspiration and how the Bible can inform our decision making today He explores common questions about scripture such as What do we mean when we say that the scriptures are revelatory that they are inspired that they are the Word of God How do we define the Bible's authority for the past and the future What does a church that takes the Bible's authority seriously actually look like How does it read study and pray with the Bible And God Spoke offers essential guidelines for everyone who wonders about the authority of the Bible and who wants to read it with attentiveness and understanding *Evolution and the Authority of the Bible* Nigel M. de S. Cameron, 1983 The Authority of the Bible Donald G. Miller, 1972 Scripture and the Authority of God N. T. Wright, 2011-03-01 In Scripture and the Authority of God How to Read the Bible Today Widely respected Bible and Jesus scholar N T Wright gives new life to the old tattered doctrine of the authority of scripture delivering a fresh helpful and concise statement on the current battles for the Bible and restoring scripture as the primary place to find God's voice In this revised and expanded version of The Last Word leading biblical scholar N T Wright shows how both evangelicals and liberals are guilty of misreading Scripture and reveals a

new model for understanding God's authority and the Bible Scripture and the Authority of God Nicholas Thomas Wright, Tom Wright, 2013 In *Scripture and the Authority of God* Tom Wright argues that God is the ultimate source of all authority and that God's authority is not primarily about providing the right answers to disputed questions but about God's sovereign saving purposes being declared and accomplished through Jesus and the Spirit This revised and expanded edition includes two helpful case studies looking at what it means to keep Sabbath and at how Christians can defend marital monogamy These studies not only offer bold biblical insights but also demonstrate the indispensable role of scripture as the primary God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches **The Authority and Interpretation of the Bible** Jack Rogers, Donald K. McKim, 1999-02-05 This book is a detailed and comprehensive study of attitudes toward biblical authority and interpretation held from the beginnings of the Christian era to the present day In clear and readable fashion the authors examine the writings of early church fathers the medieval exegetes and the leaders of the Protestant Reformation to locate the source of and refute the position of inerrancy **The Foundation of Biblical Authority** James Montgomery Boice, 1978 **In Defense of the Bible** Steven B. Cowan, Terry L. Wilder, 2018-11-26 In *Defense of the Bible* gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture The Last Word N.
