The Autobiography Of An American Communist:

The Autobiography of an American Communist Peggy Dennis, 1977 **Black Bolshevik** Harry Haywood, 1978
Black Bolshevik is the autobiography of Harry Haywood the son of former slaves who became a leading member of the Communist Part USA and a pioneering theoretician on the Afro American struggle The author s first hand accounts of the Chicago race riot of 1919 the Scottsboro Boys defense communist work in the South the Spanish Civil War the battle against the revisionist betrayal of the Party and other history shaping events are must reading for all who are interested in Black history and the working class struggle *Communism in America* Albert Fried, 1997 And overview The 1920s birth insurgency retrenchment Militancy and combat third period communism 1929 1934 The popular front against fascism 1935 1945 Cold War and demise 1945 **The Many Worlds of American Communism** Joshua Morris, 2022-09-08 This book explores the multifaceted dimensions that make up the American communist movement from its early years in the 1920s to its peak in the years leading up to World War II The author argues that in order to effectively understand a social movement it is necessary to take an approach that differentiates between the political social and labor oriented motivations taken by the movement s participants By exploring the political community and labor dimensions of American communism the author helps convey the complex nature of social movements and the various ways they attempted to create agency in their society

A Black Communist in the Freedom Struggle Harry Haywood, 2012 An extraordinary life story that encompasses the fight for African American freedom throughout the twentieth century **Steve Nelson, American Radical** Steve Nelson, James R. Barrett, Rob Ruck, 2015-06-15 As the immigrant teenage son of a Croatian miller Steve Nelson arrived in the United States after World War I and entered a world of chronic unemployment low wages dangerous work and discrimination Following the path taken by many fellow immigrant workers he joined the Communist Party He became a full time organizer and ultimately a major leader only to resign in 1957 after unsuccessful attempts to democratize the American party This remarkable oral biography recounted in collaboration with two historians describes day to day life in the party and traces Nelson s career from his beginnings in the Pennsylvania coalfields to his secret work as party courier in the Far East from the battlefields of Civil War Spain to the jails of Cold War Pittsburgh and from a small group of Communist autoworkers in Detroit to the upper reaches of a party leadership in New York It is the frank and analytical account of a leading American working class activist **Advocate and Activist** John J. Abt, Michael Myerson, 1993 Best known as the longtime chief counsel to the Communist Party of the United States John Abt also was one of Angela Davis s first attorneys and the man Lee Harvey Oswald wanted to defend him after the assassination of President John F Kennedy In Advocate and Activist John Abt and Michael Myerson provide a detailed account of a life that touched and was touched by the labor and left wing political movements in the United States for nearly sixty years Abt went to Washington D C in the early 1930s to join the New Deal He worked in a succession of government posts and for the LaFollette Civil Liberties Committee He was Sidney Hillman s

counsel in the labor movement and a top aide to Henry Wallace's 1948 presidential campaign. At the height of McCarthyism he became the Communist party's chief counsel. Defending the party in the Smith Act and McCarran Act prosecutions he succeeded at dismantling the acts piece by piece establishing precedents and making sure that being a Communist was not illegal. *A Time of Fear* Albert Marrin, 2021-03-30 From National Book Award Finalist and Sibert Honor Author Albert Marrin a timely examination of Red Scares in the United States including the Rosenbergs the Hollywood Ten and the McCarthy era. In twentieth century America no power and no threat loomed larger than the communist superpower of the Soviet Union. America saw in the dreams of the Soviet Union the overthrow of the US government and the end of democracy and freedom. Meanwhile the Communist Party of the United States attempted to use deep economic and racial disparities in American culture to win over members and sympathizers. From the miscarriage of justice in the Scotsboro Boys case to the tragedy of the Rosenbergs to the theatrics of the Hollywood Ten to the menace of the Joseph McCarthy and his war hearings Albert Marrin examines a unique time in American history and explores both how some Americans were lured by the ideals of communism without understanding its reality and how fear of communist infiltration at times caused us to undermine our most deeply held values. The questions he raises ask What is worth fighting for And what are you willing to sacrifice to keep it. Filled with black and white photographs throughout this timely book from an award author brings to life an important and dramatic era in American history with lessons that are deeply relevant today. **Street Meeting** Mark Wild, 2005-06-06 Immigrant neighborhoods of the early twentieth century have commonly been viewed as segregated homogeneous slums isolated from the larger American city. But as Mark Wild demonstrates in this new study of Los Angeles such districts often nurtured dynamic diverse environments where residents interacted with individuals of other races and cultures. In fact as his engaging account makes clear between 1900 and 1940 such multiethnic areas mushroomed in Los Angeles. *Street Meeting* enriched with oral histories reminiscences newspaper reports and other sources examines interactions among working class Mexicans Chinese Japanese Jews Italians African Americans and others reminding us that Los Angeles has been a multiethnic city since its birth. This study further argues that these ethnic interactions played a crucial role in the urban development of the United States during the early decades of the twentieth century. **Trotskyism in the United States** Paul Le Blanc, Alan Wald, George Breitman, 2016-12-01 In the new edition of this definitive work on the history of the revolutionary socialist current in the United States that came to be identified as American Trotskyism Paul Le Blanc offers fresh reflections on this history for scholars and activists in the twenty first century. Includes a preface written especially for the new edition of this distinctive work. Paul Le Blanc is a professor of History at La Roche College and author of Choice Award winning book *A Freedom Budget for All Americans*. **Hammer and Hoe** Robin D. G. Kelley, 2015-08-03 A groundbreaking contribution to the history of the long Civil Rights movement *Hammer and Hoe* tells the story of how during the 1930s and 40s Communists took on Alabama's repressive racist police state to fight for economic justice civil and political rights and racial equality. The

Alabama Communist Party was made up of working people without a Euro American radical political tradition devoutly religious and semiliterate black laborers and sharecroppers and a handful of whites including unemployed industrial workers housewives youth and renegade liberals In this book Robin D G Kelley reveals how the experiences and identities of these people from Alabama s farms factories mines kitchens and city streets shaped the Party s tactics and unique political culture The result was a remarkably resilient movement forged in a racist world that had little tolerance for radicals After discussing the book s origins and impact in a new preface written for this twenty fifth anniversary edition Kelley reflects on what a militantly antiracist radical movement in the heart of Dixie might teach contemporary social movements confronting rampant inequality police violence mass incarceration and neoliberalism *Encyclopedia of American Social Movements* Immanuel Ness,2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women s equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice *Red Apple* Phillip Deery,2014-01-01 From the late 1940s through the 1950s McCarthyism disfigured the American political landscape Under the altar of anticommunism domestic Cold War crusaders undermined civil liberties curtailed equality before the law and tarnished the ideals of American democracy In order to preserve freedom they jettisoned some of its tenets Congressional committees worked in tandem although not necessarily in collusion with the FBI law firms university administrations publishing houses television networks movie studios and a legion of government agencies at the federal state and local levels to target subversive individuals Exploring the human consequences of the widespread paranoia that gripped a nation Red Apple presents the international and domestic context for the experiences of these individuals the House Un American Activities Committee hearings of the Joint Anti Fascist Refugee Committee resulting in the incarceration of its chairman Dr Edward Barsky and its executive board the academic freedom cases of two New York University professors Lyman Bradley and Edwin Burgum culminating in their dismissal from the university the blacklisting of the communist writer Howard Fast and his defection from American communism the visit of an anguished Dimitri Shostakovich to New York in the spring of 1949 and the attempts by O John Rogge the Committee s lawyer to find a third way in the quest for peace which led detractors to question which side he was on Examining real life experiences at the ground level Deery explores how these six individuals experienced responded to and suffered from one of the most savage assaults on civil liberties in American history Their collective stories illuminate the personal costs of holding dissident political beliefs in the face of intolerance and moral panic that is as relevant today as it was seventy years ago **New Studies in the Politics** Michael E. Brown,1993 This pathbreaking collection of essays recasts the prevailing conceptions of the historical roots and role of the U S Communist Party and its social setting The contributors focus on the movement that formed around the party and the popular culture it expressed particularly in the period from 1930 to 1960 They look at the impact of the party and its followers in the areas of education literature and the arts in the African American community and

on the women s and labor movements In their preface the editors place the book in the context of the broader critical examination of the history of the left in the United States By analyzing the historical reasons for the party s appeal and its relationship to those outside its ranks the volume contributes to a fuller understanding of the broader societal context within which all oppositional movements are formed Contributors in order of appearance in book Michael E Brown Mark Naison John Gerassi Stephen Leberstein Ellen Schrecker Rosalyn Baxandall Roger Keeran Gerald Horne Annette T Rubinstein Marvin E Gettleman Alan Wald and Gil Green interviewed by Anders Stephanson

Encyclopedia of African American History, 1896 to the Present Paul Finkelman,2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century

The Soviet World of American Communism Harvey Klehr,John Earl Haynes,Kyrill M. Anderson,2008-10-01 The Secret World of American Communism 1995 filled with revelations about Communist party covert operations in the United States created an international sensation Now the American authors of that book along with Soviet archivist Kyrill M Anderson offer a second volume of profound social political and historical importance Based on documents newly available from Russian archives The Soviet World of American Communism conclusively demonstrates the continuous and intimate ties between the Communist Party of the United States of America CPUSA and Moscow In a meticulous investigation of the personal organizational and financial links between the CPUSA and Soviet Communists the authors find that Moscow maintained extensive control of the CPUSA even of the American rank and file The widely accepted view that the CPUSA was essentially an idealistic organization devoted to the pursuit of social justice must be radically revised say the authors Although individuals within the organization may not have been aware of Moscow s influence the leaders of the organization most definitely were The authors explain and annotate ninety five documents reproduced here in their entirety or in large part and they quote from hundreds of others to reveal the actual workings of the American Communist party They show that the USSR covertly provided a large part of the CPUSA budget from the early 1920s to the end of the 1980s Moscow issued orders which the CPUSA obeyed on issues ranging from what political decisions the American party should make to who should serve in the party leadership the CPUSA endorsed Stalin s purges and the persecution of Americans living in Russia

The Far Left in Australia since 1945 Jon Piccini,Evan Smith,Matthew Worley,2018-07-11 The far left in Australia had significant effects on post war politics culture and society The Communist Party of Australia CPA ended World War II with some 20 000 members and despite the harsh and vitriolic Cold War climate of the 1950s seeded or provided impetus for the re emergence of other movements Radicals subscribing to ideologies beyond the Soviet orbit Maoists Trotskyists anarchists and others also created parties and organisations and led movements All of these different far left parties and movements changed and shifted during time responding to one political crisis or another but they remained steadfastly devoted to a better world This collection bringing together 14 chapters from leading and emerging figures in the

Australian and international historical profession for the first time charts some of these significant moments and interventions revealing the Australian far left's often forgotten contribution to the nation's history Sexual Borderlands Kathleen Kennedy, Sharon Rena Ullman, 2003 Three Generations of American Communist Women Beth Suzanne Slutsky, 2008 **Reds** Maurice Isserman, 2024-06-04 The wisest most eloquent history of the Communist Party USA that has ever been written Michael Kazin author of What It Took to Win revealing how party members contributed to struggles for justice and equality in America even as they championed a brutal totalitarian state the USSR After generations in the shadows socialism is making headlines in the United States following the Bernie Sanders presidential campaigns and the election of several democratic socialists to Congress Today's leftists hail from a long lineage of anti capitalist activists in the United States yet the true legacy and lessons of their most radical and controversial forebears the American Communists remain little understood In **Reds** historian Maurice Isserman focuses on the deeply contradictory nature of the history of the Communist Party USA CPUSA a movement that attracted egalitarian idealists and bred authoritarian zealots Founded in 1919 the CPUSA fought for a just society in America members organized powerful industrial unions protested racism and moved the nation left At the same time Communists maintained unwavering faith in the USSR's claims to be a democratic workers state and came to be regarded as agents of a hostile foreign power Following Nikita Khrushchev's revelation of Joseph Stalin's crimes however doubt in Soviet leadership erupted within the CPUSA leading to the organization's decline into political irrelevance This is the balanced and definitive account of an essential chapter in the history of radical politics in the United States

The Autobiography Of An American Communist Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Autobiography Of An American Communist has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Autobiography Of An American Communist has opened up a world of possibilities. Downloading The Autobiography Of An American Communist provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Autobiography Of An American Communist has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Autobiography Of An American Communist. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Autobiography Of An American Communist. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Autobiography Of An American Communist, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Autobiography Of An American Communist has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Autobiography Of An American Communist Books

1. Where can I buy The Autobiography Of An American Communist books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
